

## **WINTERIZE YOUR PLUMBING!**

**KEEP YOUR WATER SERVICE LINE FROM  
FREEZING:**

- ❄️ Leave your water running a trickle to keep the water circulating through your pipes
- ❄️ Close your foundation vents on your house
- ❄️ Insulate and/or heat tape your pipes

**If your pipes are frozen, call your plumber.**

**For more information call: 780-6808**

**In an emergency call: 789-8844**
