Proposed Manager's Report

Resolution No. 1642:

Capital Transit provides bus passes at a discounted rate to students of elementary and secondary schools. During the school year students may purchase a student pass for $18.00 per month. The monthly pass has been well received and sales for the present school year have averaged 150 per month. A three month summer pass was offered for $48.00 but only 32 were sold last summer. Parents have requested we continue to offer the monthly passes during the summer months instead of the summer pass. It is recommended that we begin offering the monthly student passes this summer and discontinue the student summer pass.

I recommend that this resolution be adopted.
