**1801MR:**

It is necessary that the Assembly adopt an update for the plan for the implementation of the complementary paratransit service requirements of the Americans with Disabilities Act (ADA). The City and Borough of Juneau is currently in compliance with the requirements of the ADA. A one-page update has been prepared as directed by the Federal Transit Administration and is included in your packet. Also included your packet is a letter from Mr. Dean as Chair of the City and Borough of Juneau ADA Committee indicating that the committee reviewed and recommended adoption of the plan update.

I recommend this resolution be adopted.
