Subject: Kendler Way

Hi there – this is to advise that I am in support of "Kendler Way" being named. It would be an honor to both my Grandpa and Grandma Joe Kendler Sr and Mathilda Kendler, who owned the airport property at one time and had their dairy farm, along with my Dad Joe Kendler Jr who was a pilot for both Alaska Coastal Airlines and eventually a Captain with Alaska Airlines. We have the fifth generations here in Juneau now and think it would be great. Appreciate your consideration. Thank you.

Sincerely,
Sandy (Kendler) Spickler
