WHEREAS, improvements to the facilities of the City and Borough of Juneau, Alaska (the “City and Borough”) are needed in order to meet the current and future needs of the City and Borough; and

WHEREAS, certain projects listed in Section 3 below (the “Projects”) have been identified and approved by the Committee of the Whole as necessary to meet the needs of the City and Borough; and

WHEREAS, in order to provide funds for paying part of the cost of acquiring, constructing and equipping the Projects, it is deemed necessary and advisable that the City and Borough issue and sell its unlimited tax levy general obligation bonds in the principal amount of not to exceed \$7,000,000 (the “Bonds”);

NOW, THEREFORE, BE IT ENACTED BY THE ASSEMBLY OF THE CITY AND BOROUGH OF JUNEAU, ALASKA:

Section 1. Classification. This ordinance is a noncode ordinance.

Section 2. Findings. The Assembly of the City and Borough hereby finds and declares that the acquisition, construction and equipping of the Projects identified in Section 3 hereof are necessary and are in the best interest of the inhabitants of the City and Borough.

Section 3. Purposes. The Assembly has determined that Centennial Hall is in need of renovations and expansion (the “Projects”). The Projects include, but are not limited to, upgrading the HVAC system, making improvements to the sound system, lighting system and technology, the interior flooring, furnishings and wall systems, expanding the lobby area, renovating and expanding break-out rooms, corridor and business center, adding an enclosed and heated corridor between Centennial Hall and the new arts and culture center, and possible construction of new meeting rooms and offices in Centennial Hall.

The cost of all necessary architectural, engineering, design, and other consulting services, inspection and testing, administrative and relocation expenses, costs of issuance of the Bonds and other costs incurred in connection with the Projects that is approved by the electors shall be deemed capital improvement costs of the approved Projects. The approved Projects may be completed with all necessary furniture, equipment and appurtenances.

If the City and Borough shall determine that it has become impractical to accomplish any portion of the approved Projects by reason of changed conditions or needs, incompatible development or costs substantially in excess of those estimated, the City and Borough shall not be required to accomplish such portions and shall apply Bond proceeds as set forth in this section.

Interest earnings on Bond proceeds may be used and applied by City and Borough, at the direction of the City Manager or his or her designee, for the Projects or for other capital improvements or for the retirement of the Bonds or other general obligation bonds of the City and Borough.

If the approved Projects have been completed in whole or in part, or their completion duly provided for, or their completion found to be impractical, the City and Borough may apply Bond proceeds or any portion thereof as provided in Section 10.10 of the Home Rule Charter.

In the event that the proceeds of sale of the Bonds, plus any other monies of the City and Borough legally available, are insufficient to accomplish the approved Projects as provided in this ordinance, the City and Borough shall use the available funds for paying the cost of those portions of the approved Projects for which the Bonds were approved deemed by the Assembly most necessary and in the best interest of the City and Borough. No Bond proceeds shall be used for any purpose other than a capital improvement.

Section 4. Details of Bonds. The Assembly hereby authorizes the issuance of general obligation bonds in order to fund the portion of the costs of the Projects described in Section 3 (the "Bonds"). The Bonds shall be sold in such amounts and at such time or times as deemed necessary and advisable by the Assembly and as permitted by law and shall mature over a period of not to exceed 20 years of date of issue. The Bonds shall be issued in an aggregate principal amount of not to exceed \$7,000,000. The Bonds shall bear interest to be fixed at the time of sale or sales thereof. Both principal of and interest on the Bonds shall be payable from annual tax levies to be made upon all of the taxable property within the City and Borough, without limitation as to rate or amount and in amounts sufficient with other available funds, including hotel-motel tax levies, to pay such principal and interest as the same shall become due.

The full faith, credit, and resources of the City and Borough are hereby irrevocably pledged to the payment of both the principal and interest on such Bonds. The exact form, terms, conditions, contents, security, options of redemption, and such other matters relating to the issuance and sale of said Bonds as are deemed necessary and advisable by the Assembly shall be as hereinafter fixed by ordinance and resolution of the City and Borough.

Section 5. Submission of Question to Voters. The Assembly hereby submits to the qualified electors of the City and Borough the proposition of whether or not the City and Borough

should issue the Bonds for the purpose of financing the costs of the approved Projects at the regular municipal election to be held on October 1, 2019.

The City and Borough clerk shall prepare the ballot proposition to be submitted to the voters as provided by this ordinance and shall perform all necessary steps in accordance with law to place these propositions before the voters at the regular election.

Section 6. Ballot Proposition. The proposition to be submitted to the qualified voters of the City and Borough as required by Section 5 above shall read substantially as follows:

Explanation

The proposition will authorize the issuance of \$7,000,000 in general obligation bond debt for paying the cost of renovations, expansion, upgrades and capital improvements to Centennial Hall, including upgrading the HVAC system, making improvements to the sound system, lighting system and technology, the interior flooring, furnishings and wall systems, expanding the lobby area, renovating and expanding break-out rooms, corridor and business center, adding an enclosed and heated corridor between Centennial Hall and the new arts and culture center, and possible construction of new meeting rooms and offices in Centennial Hall. The total annual debt service costs, assuming an interest rate of 3.00%, will be \$600,000 for 15 years with \$6,000,000 of total debt service expected to be paid from the temporary two percent increase in the hotel-motel tax if approved by voters at this election and the remaining balance (\$3,000,000) to be paid from an annual property tax levy of approximately \$4 per \$100,000 of assessed value. If the temporary hotel-motel tax increase is not approved by the voters, debt service would require an annual property tax levy of approximately \$12 per \$100,000 of assessed value. This example of a property tax levy is provided for illustrative purposes only.
