RESOLUTION OF THE CITY AND BOROUGH OF JUNEAU, ALASKA

Serial No. 1159

A RESOLUTION URGING THE STATE OF ALASKA TO REVISE ITS STATE HARBORS PROGRAM POLICY STATEMENT REGARDING REPLACEMENT OF STATE HARBOR FACILITIES.

WHEREAS, the State of Alaska has drafted a Harbors Program Policy Statement, and

WHEREAS, Item III J thereof states:

The replacement costs of state harbor facilities with a remaining life of twenty years or more from the date of this policy shall be borne by user fees or by the operator, according to agreements between individual operators and the department. The ADOT&PF will share in the replacement cost of state harbor facilities with a remaining useful life of less than twenty years on a prorated basis, subject to legislative appropriation. Determination of remaining useful life shall be by ADOT&PF.

WHEREAS, historically the State of Alaska has constructed, provided major maintenance for, and replaced harbor facilities, and

WHEREAS, local communities are financially unable to assume the responsibility for replacing state constructed facilities;

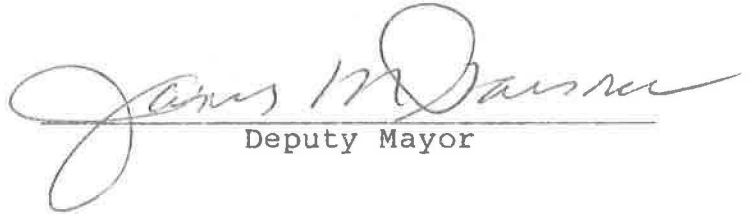

NOW, THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE CITY AND BOROUGH OF JUNEAU, ALASKA:

That the State of Alaska is urged to revise its Harbors Program Policy Statement by deleting Item III J and

inserting in its place the following:

The replacement costs of state harbor facilities shall be borne by the state.

Adopted this 10th day of February, 1986.

Deputy Mayor
