If you have a certificate on file with B&K please advise if tax is to be applied or not at the time of order.
 - a. If no certificate is on file at B&K and this purchase **IS NOT** subject to WSST, then an applicable certificate is required with your order or WSST is required to be charged.
 - b. Sales Tax Exemption Certificate information for your company currently on file as follows:
 - i. Certificate #:
 - ii. Exemption Through:
- B. **Customers located in the State of Oregon:** must obtain a corporate nonresident permit from the Washington State Department of Revenue in order to purchase goods in Washington State to not legally be required to pay WSST.
- C. **Customers located outside the States of Washington and Oregon: DO NOT PAY** WSST on items purchased provided the goods are delivered out of state. However, various nexus agreements between the states may require collection of local sales tax for drop shipped items. If the goods are picked up by or delivered to the customer in Washington State, then state law (WAC 458-20-193) requires WSST to be paid unless the company provides a certificate as described in **A** above.
