

# Coming Soon

## Project Information

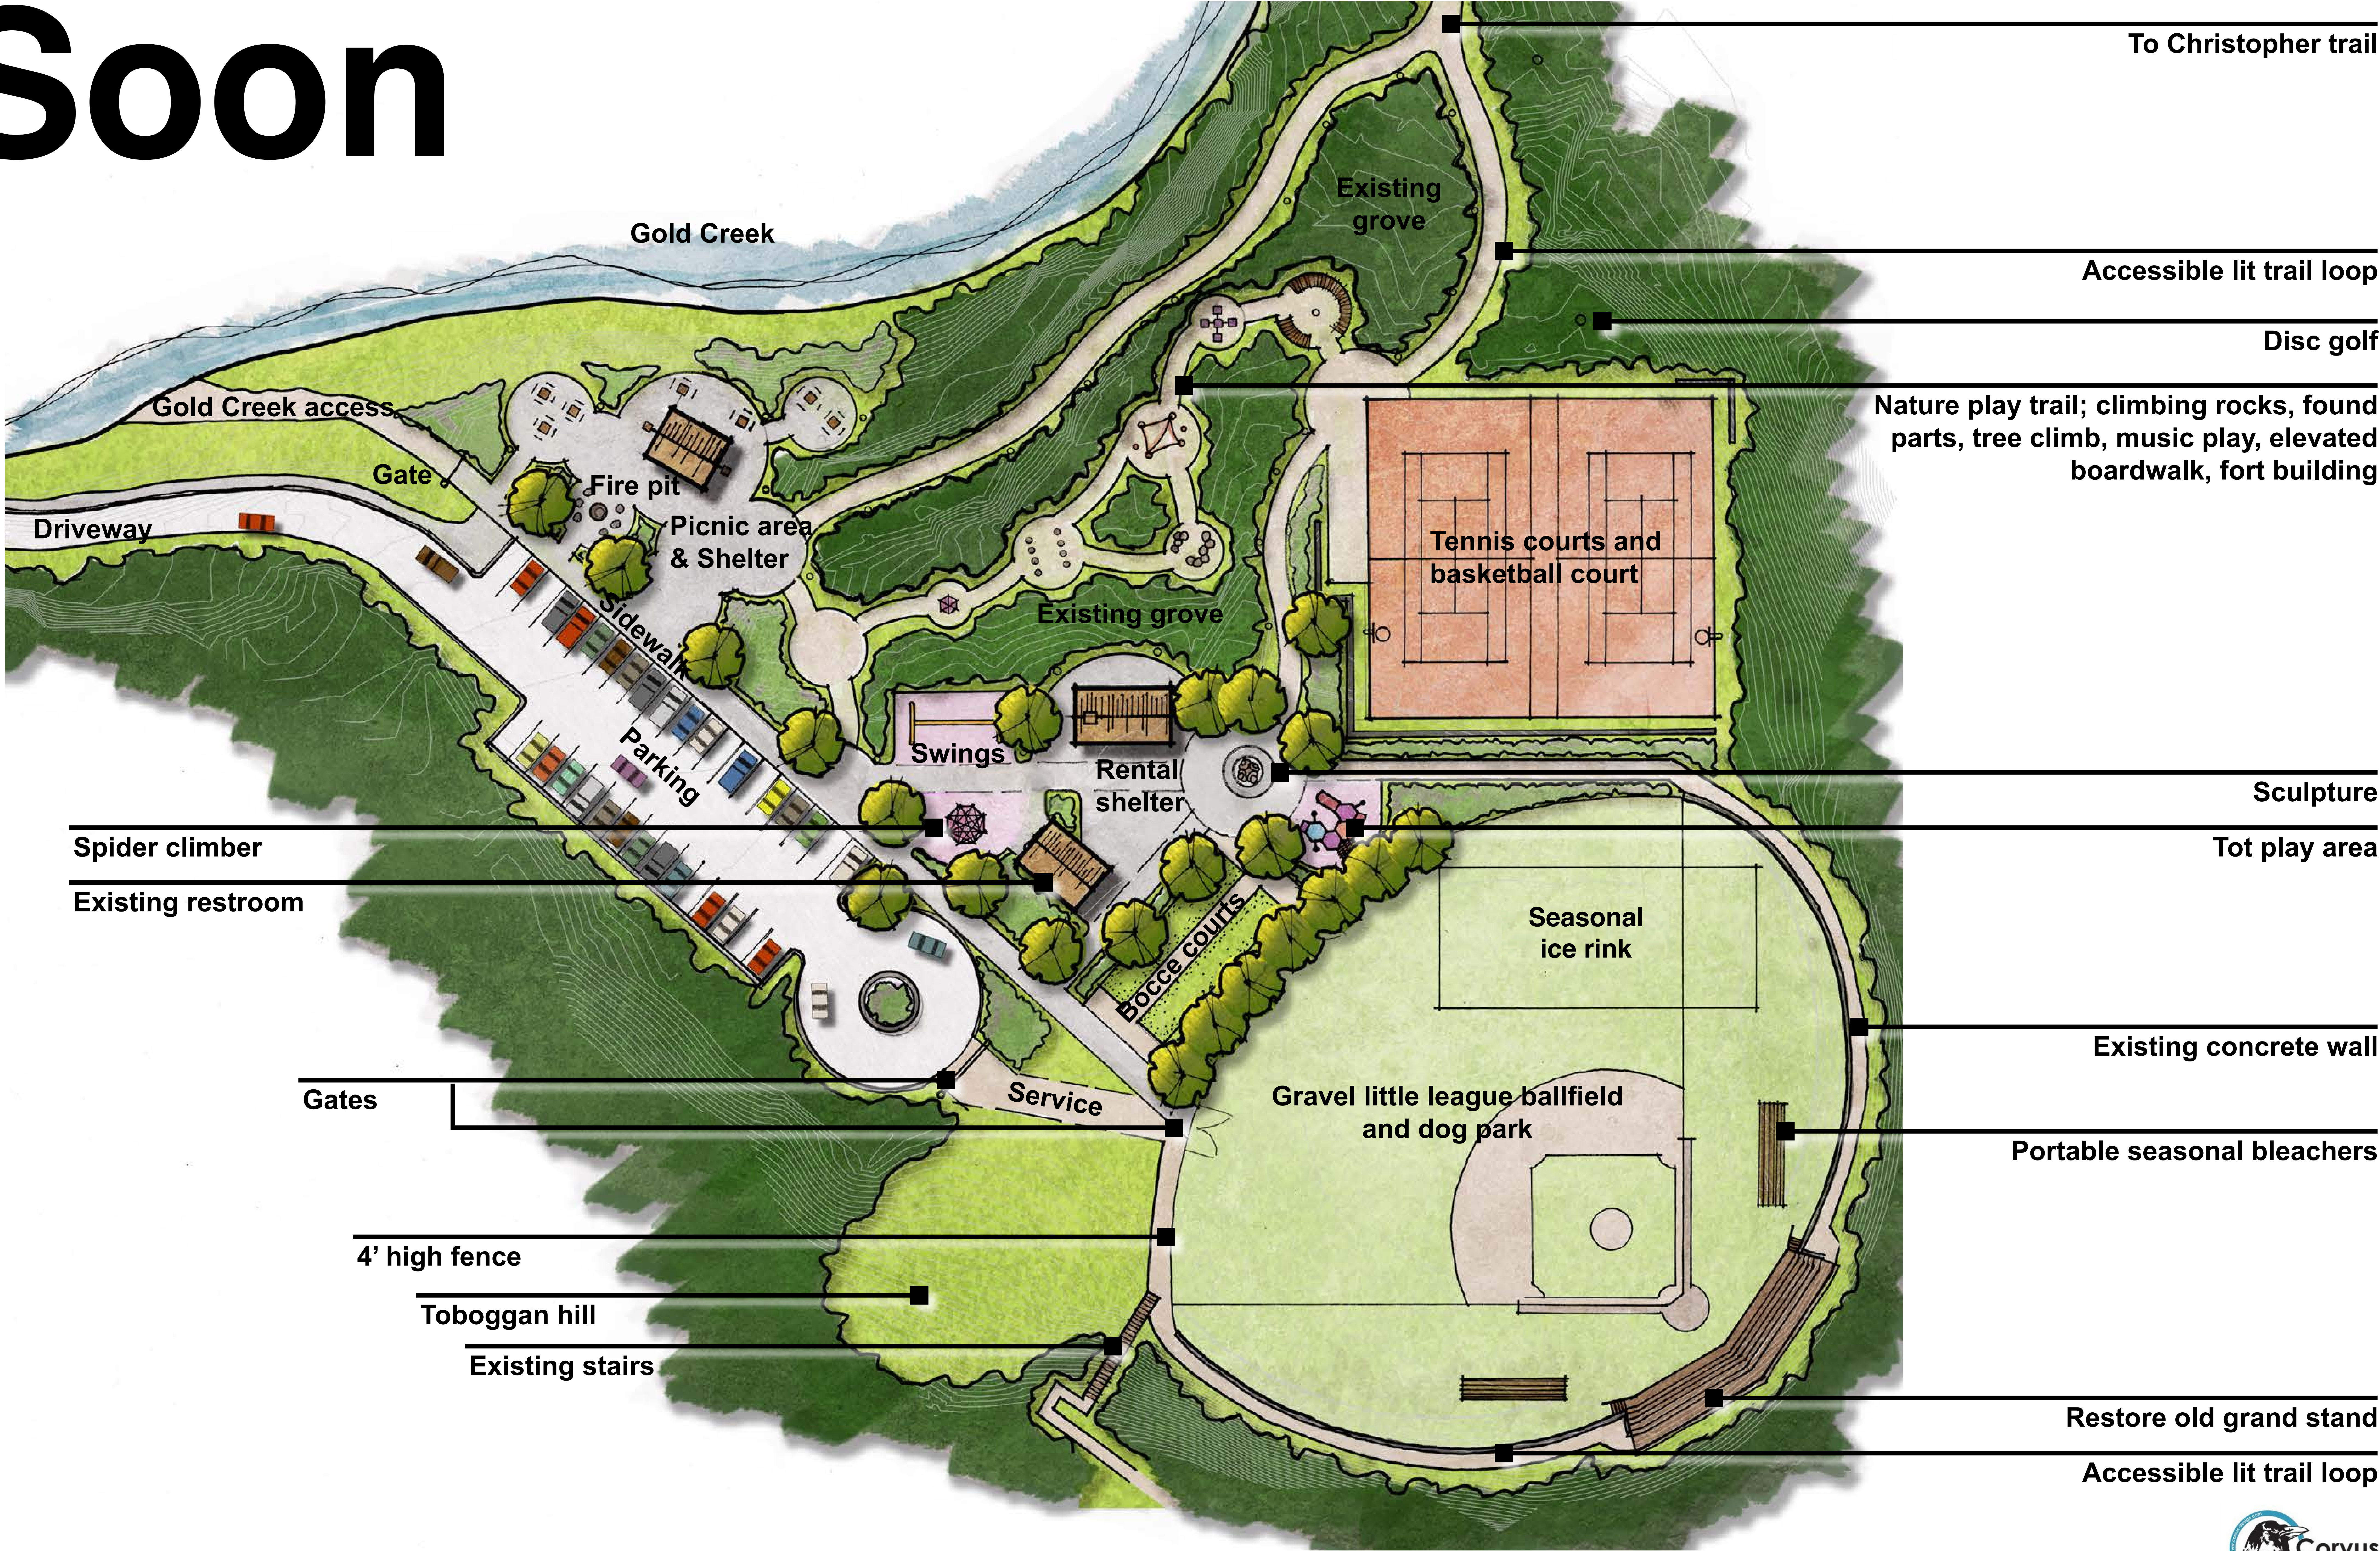

What's happening in Cope Park? We listened to park users, and major improvements are under way to create a safe, inviting park in the heart of Alaska's Capital City. New picnic shelters, swings, and tennis courts are coming, along with improved lighting throughout.

### 2013-14

- Repair storm drains and install new fencing to create Juneau's first official off-leash dog park.
- Remove abandoned structures and unsafe equipment.
- Install new swings.

### 2015-16

- New regulation-sized tennis courts and basketball hoops.
- Reconfigured parking lot to improve access and reclaim creek views.
- New picnic shelters, play equipment, and low-glare lighting.
