PROCEEDINGS: MINUTE ORDER FROM CHAMBERS DATE: October 25, 2017

Counsel are reminded that chambers copies are to be submitted promptly, without any delay.

Use of ordinary mail is acceptable for matters that are not time-sensitive, but copies of documents concerning matters which are time-sensitive should be forwarded by expedited delivery (e.g., FedEx, UPS).

Chambers copies are to be single-sided, "as filed" copies - that is, counsel and their staff will ensure that the CM/ECF docketing information is accurately reflected on each page of a chambers copy, conforming in all respects to the docketed filing of record.
