Subject: Follow-up to yesterdays meeting

John,

Thank you to you and Bud for attending yesterday's meeting. This e-mail is in follow-up to NWCA's commitment to be involved in the AS/CT refurbishment/replacement dock project. This reaffirms the NWCA's willingness to work with the CBJ, the Harbor Board, and the Docks and Harbor Department to develop a project that best meets industry and community needs. As some issues have already been identified as needing further discussions (i.e. dock orientation, ease of access to the Franklin Dock, Wings of AK traffic patterns, etc.) we look forward to hearing from you regarding a time and agenda for our next meeting.

Lastly, the NWCA working group consists of the below list. Please note that as exemplified by yesterday's meeting its sometimes difficult due to business concerns for us all to be in one place at one time. However, we will take responsibility for keeping our group informed and up-to-date on issues as they are discussed. We would ask, however, that e-mail communications be inclusive of the whole. We are...

John Hansen, North West CruiseShip Association,
Bill Sharp, Holland America,
Charlie Ball, Princess Cruises and Tours,
Kirby Day, Princess Cruises and Tours,
Bob Berto, Cruise Line Agencies,
Drew Green, Cruise Line Agencies,
Don Habeger, Royal Caribbean Cruises.

Thank you again and we look forward to working with you toward the success of this great project.

best regards,
Don Habeger
Regional Vice President, Government Relations
Royal Caribbean Cruises Ltd.
