Subject: Columbia/Tram Lot covered area

Rod and John -

I would like to suggest that the construction of a covered area along the motorcoach staging space in the Columbia/Tram Lot be added to the Marine Passenger Fee list for the coming year.

As you may remember, when the tram was built, this was originally planned for, however it somehow got dropped from the parking/staging project.

I know that industry would support the use of Marine Passenger Fees for this project.

Thank you both for your consideration.

Best Regards, Kirby
