Its posted! The link below will take you to our training calendar and the two flagger courses for Juneau. It shows a cap of 12 in each group (ATSSA would prefer we keep it under 12) but we can take more if need be. Anyone can register so please see that participants register for the training via the website.

Friday - 4/25 Confirmed.

I'll split them into two groups an AM (8-12) and a PM (1-5). We're still working on the location and once that is done it will get posted to the Departments training (T2) website. I will follow up with more information when everything is posted.

Thanks for your patience, this is a very busy part of the year for us.
