Subject: Juneau call June 5th

Good Afternoon,

Please be advised that cruise ships are not allowed to take on fresh water tomorrow. We are completely shut-off from the city's water supply. I understand that one of you may be in need of some emergency water. I am having a meeting in the morning with the water department to determine if this is possible and still maintain the minimum for fire suppression in Juneau.

Please note below confirmed for your Juneau First Line, ETD and Berth in Juneau:

Zaandam	0530-1815	AS
Serenade of the Seas	0600-1500	AJD
Island Princess	0700-2100	FKL
Mercury	0730-1800	CT

Kindly copy your pilots on the above.

Best Regards,

Drew Green
