Subject: Mayor Michael Quill from Auburn NY

Mayor Quill may be emailing or calling one/all of you. Auburn, NY has a river running through it and when he was travelling through Juneau last year on a cruise he really liked our seawalk.

He would like to pass on some information to his planners; I also gave him the Juneau.org website and let him know there was a plethora of information on it.

His contact info is: mayorquill@auburnny.gov (315)255-4104 phone

Thanks,

Di-
