

Examples of Machinery & Equipment Corresponding with the City and Borough of Juneau 10-Year BPP Value Table

Analyzer	bevelers, chuckers, crimpers,	perforators
dynamometers	deburres	presses
scopes	drill presses	stitching machines
Auto repair, service station, gas station, oil	fabricators	Processing equipment
change equipment	grinders	mixing and blending equipment
brake lathes	lathes	hoppers
lifts and hoists	mills	pumps and tanks
lube equipment	presses	tanks
parts cleaners	punches	Satellite dishes and receiving equipment
pumps and hoses	screw machines	Scaffolding
tanks	shear and cutters	Scales
tire machine and wheel balancing and	turning centers	Tanning beds and booths
alignment machines	welders and torches	Textile machines
welders and torches	Medical, dental, laboratory and veterinary	embroidery machines
Automatic teller machine (ATM)	equipment	sewing machines
Bakery equipment	blood analyzers	weaving and knitting machines
dough scale	CAT scans	Theatre equipment
worktable, countertop	centrifuges	film projectors and platters
dough mixer	defibrillator	projection screens
dough roller	dental lathes	Trucks- platform, deck
oven	EKG's	hand
proofer	instruments	bar and tube
shelf carts	laser equipment	forklifts (2K to 8K lbs) all others 15 yr
slicer	lights	pallet, hydraulic
Boroscope	magnetic resonance imaging (MRI)	tilt, manual
Bottling and canning equipment	microscopes	Vehicle - trucks > 1 ton, include flatbeds
bottle cleaners and washers	model trimmers	Woodworking equipment
cappers and cap tightners	Ophthalmology equipment	chippers and grinders
case erectors, packers and sealers	keratometers	clamps
labelers and label dispensers	refractors	dust collectors
can loaders, unloaders and openers	retinal cameras	glue applicators and spreaders
fillers	tonometers	jointers and lathes
Car wash equipment - automated	sterilizers	mortisers and moulders
dry/blower equipment	ultrasound equipment	planers and sanders
electric pump washing systems	x-ray and radiology equipment	routers and shapers
pumps and tanks	x-ray developers	table saws
vehicle conveyers	mining, quarrying and aggregate processing	vises
water recycling systems	equipment	wood presses
Communication towers and antennas	conveyors and feeders	
Dry cleaning and laundry equipment	crushers and hoppers	
clothes conveyors	loaders and stackers	
dry cleaning and laundry machines	screening plants	
Presses	Painting equipment	
Dumpster	paint booths	
Food processing equipment	spray equipment	
Crab cooking line	Petroleum, gas and propane	
header (salmon) machine	production/distribution equipment	
hot water blanchers	Storage facilities	
rotary glazer	Pottery/ceramic equipment	
rotating feeders	kilns	
skinning (salmon) machine	Pressure washer	
slicers	Printing and newspaper equipment	
smokehouse equipment	binding machines	
Gym or exercise equipment	collating machines	
automated and non automated	contact and vacuum frames	
treadmills, exercise cycles etc	folding machines	
stack weight machines	image setters	
Hot tub	ink mixers	
Maintenance and janitorial equipment	joggers	
floor scrubbers, buffers and power	labeling machines	
sweepers	laminators	
cleaning and polishing equipment	paper cutters	
industrial vacuum, carpet washer	paper shears	
Manufacturing equipment	plate makers, stat cameras, processors	
bending machines	plate punches
