The member of the Lemon Creek Steering Committee meet on May 11, 2016 and elected Stephen Johnson as Chair and Michael Lukshin, as Vice Chair.

The Committee reviewed the information and public input that was gathered at the Kick-off Meeting that was held in March.

The next step in the planning process is holding focus group meetings with topics varying from housing and social services to transportation and infrastructure.

The date and location of the next regular Steering Committee meeting has not been determined.
