

**BLUEPRINT DOWNTOWN JANUARY 24 MEETING
WRITTEN COMMENTS SUBMITTED ON POLLING QUESTIONS**

Downtown circulator with bikes! Prioritize bike lanes!

Separate “sustainability” and “capacity”.

Circulator Bus is a priority

New JACC is too costly. Other priorities for small pool of after-tax savings, philanthropy.

Form local development corporation for Juneau residents investment to build what want more of.

Buy Gross building and rehab.

Catalog Viewsheds.

More gardening.

Building community attracts permanent residents.

Fewer Parking Spaces.

Circulator does little to reduce cars travelling to downtown.

Transportation as a service.

Fixed Guideway Transit, year-round, available to all, hydro-powered.

Close 4th or 5th, not Front.

Converting cruise busses to electric doesn't solve congestion.

Q21: (Gold Creek) not well enough defined.

Light pollution = Gulag

If we install more surveillance cameras, who will watch them?

Use local private investment to renovate buildings, not CBJ funds.

Juneau has identity crisis, we are a visitor town. To not service that industry is suicide.

Q19: All bad ideas

Q20: Benefits Hobos

Do we want homeless in Juneau? You cannot revitalize downtown until vagrants are eliminated if you provide services for vagrants they will come.

Good luck!

Whale is too far in the rain but I would like a food truck there when I have more time.

Transit tax already exists in loading permits.

Q9: Don't like options. Maybe bed tax for short term rental should be for every day it's available and not just days it's rented.

Q13: Cool!

Q14: Good weather, yes!

Old housing is not heat efficient, we need improved housing.

Remove sale tax exemption for high ticket items.

Juneau is still a very safe place

Q5: Don't spend our taxes on special interests!

Q6: Let private sector lead. Clean up vagrants first.

Q7: Why build when it's unsafe?

DOWNTOWN IS UNSAFE!

Don't discourage revenue (AIRBNB)

Open public land for housing set the example!

Get rid of homeless

Q13: Hurt business.

Q14: Too much time for hour lunch to walk.

Q16: Leading questions.

Q17: Pull lawsuit against cruise industry

Q18: Other Options

Q19: Visitors don't want to use a playground.

Q20: Poor use of limited funds

Q21: Other project more critical

Do not provide services for homeless.

Check out communities that follow the rule of no service & see they have no homeless.

More restrooms and somewhere to sit.

More plug-ins for private vehicles

Q6: Calhoun Ave 9apt. Boarded up!

Need to update zoning to allow for denser housing.

Sidewalks clear of snow.

Electric busses

More frequent busses

Close Franklin

Light Rail

I don't drive, I ride share.
