Subject: Passenger Vessels in Juneau Area

Good day, Rachel,

As promised, attached is a roster of the inspected passenger vessels assigned to Sector Juneau's fleet of responsibility. Fleet of responsibility means that they spend >50% of their operational time in the Juneau-Hoonah-Haines-Skagway area, regardless of what the hailing port on their documentation says.

Please let me know if I can provide any additional assistance.

Very Respectfully,  
Nick Capuzzi

LT Nicholas P. Capuzzi  
Asst. Chief, Inspections Division
