RESOLUTION OF THE CITY AND BOROUGH OF JUNEAU, ALASKA

Serial No. 2135

A Resolution Providing for Alternate Members on the Capital City Emergency Planning Committee and Repealing Resolution 1989.

WHEREAS, The Alaska Disaster Act, AS 26.23, together with the Emergency Planning and Community Right-to-Know Act of 1986, Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA Title III) establish requirements for business and industry, and federal, state, and local governments regarding emergency planning and community right-to-know reporting on hazardous substances, and

WHEREAS, implementing the community right-to-know provisions of state and federal law will serve to advise the public of the presence of hazardous substances in the community, and involve the public in preparing for, and mitigating the threat of accidental releases of these substances into the environment, and

WHEREAS, in 1991, pursuant to state and federal emergency planning and community right-to-know law, and at the request of the Assembly set forth in Resolution 1443, the Alaska State Emergency Response Commission designated the City and Borough of Juneau a Local Emergency Planning District, and

WHEREAS, pursuant to state designation as a Local Emergency Planning District, and under the authority of Resolution 1443 the Assembly appointed a Local Emergency Planning Committee, and

WHEREAS, in 1996, the Local Emergency Planning Committee was disestablished pursuant to Resolution 1830 and its functions made a part of the duties of a newly-created Emergency Management Advisory Group, and

WHEREAS, in 1999 the Assembly determined that disestablishment of the Local Emergency Planning Committee had been improvident and it was reestablished pursuant to Resolution 1989 in order to ensure compliance with federal and state community right-to-know law, meet community needs for emergency planning, and facilitate the integration of emergency plans generated by and for the hospital, the airport, the electric utility, oil spills, cruise ships, the Red Cross, and other agencies, and

WHEREAS, the mission of the Committee would be aided by appointment of alternate members as contemplated in Section I(D)(6) of the Policies and Procedures of the Alaska State Emergency Response Commission;
