Serial No. 2545

A Resolution Expressing the Assembly's Intent to Fund the Local Match Required for Four Local Projects That Have Been Selected for Inclusion into the Alaska Department of Transportation and Public Facilities Statewide Transportation Improvement Plan.

WHEREAS, in 2009, the CBJ nominated a number of projects to the Alaska Department of Transportation and Public Facilities (DOT/PF) for inclusion into the Statewide Transportation Improvement Plan (STIP); and

WHEREAS, the inclusion of local projects into the ADOT STIP benefits the CBJ with the opportunity for local projects to be completed with State funding; and

WHEREAS, the following projects have received high enough scores to be included into the current 2010 - 2013 STIP:

- Auke Lake Trail and Wayside
- Capital Transit Enhanced Service Plan
- Industrial Boulevard Widening and Sidewalk
- Riverside Drive Rehabilitation and Widening, Egan Drive to James Blvd, Including Pedestrian Enhancements

WHEREAS, under ADOT/PF Policy 09.01.040, local governments are required to provide the federal-aid highway match fund, which is 9.03% of the total project cost; and

WHEREAS, ADOT/PF requires a CBJ resolution to commit the match funds; and

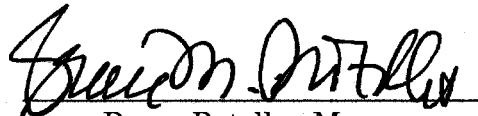

WHEREAS, the required CBJ match can be funded in future fiscal years, through operating budgets and the Capital Improvement Program, and projects funded by the STIP offer substantial benefit to the CBJ.

NOW, THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE CITY AND BOROUGH OF JUNEAU, ALASKA:

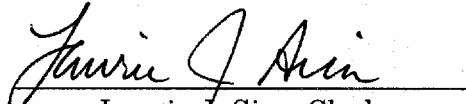

Section 1. That the Assembly of the City and Borough of Juneau expresses its intent to provide the local funding match for the above projects as required for inclusion within the ADOT/PF STIP.
