

Presented by: The Manager
Introduced: 09/09/2013
Drafted by: A. G. Mead

RESOLUTION OF THE CITY AND BOROUGH OF JUNEAU, ALASKA

Serial No. 2660

A Resolution Authorizing the Manager to Submit to the Alaska Energy Authority an Application for a Grant for Partial Funding of the Design and Construction of a Ground Source Heat Pump System at the Mendenhall Valley Public Library.

WHEREAS, the energy studies and life-cycle cost analyses performed for other, similar public facilities demonstrate that significant operational savings could be gained by use of a ground source heat pump system as compared to conventional oil or electric heat systems; and

WHEREAS, the Public Works and Facilities Committee, at its regular meeting on August 26, 2013, recommended the City and Borough apply for an Alaska Energy Authority Renewable Energy Grant to cover a portion of the ground source heat pump system cost; and

WHEREAS, the Manager has prepared the grant application, which must be submitted by September 24, 2013; and

WHEREAS, the City and Borough's Renewable Energy Grant Request to the Alaska Energy Authority will be for funding \$700,000 of the estimated \$875,000 cost of a ground source heat pump system for the new Mendenhall Valley Public Library.

NOW, THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE CITY AND BOROUGH OF JUNEAU, ALASKA:

Section 1. That the Assembly hereby authorizes the Manager to submit an application to the Alaska Energy Authority for a Renewable Energy Grant to fund \$700,000 of the estimated \$875,000 cost of a ground source heat pump system for the new Mendenhall Valley Public Library.

Section 2. That the Engineering Department is established as the agent for the City and Borough for administration of this project.
