1791MR:

This resolution accepts the distribution of Federal Fiscal Year 1995 National Forest Receipts. CBJ is eligible for a portion of the federal revenue received by the state from the sale of timber in the Tongass National Forest. In order to receive this funding, the CBJ must adopt and transmit an acceptance resolution to the State of Alaska Department of Community and Regional Affairs. The CBJ FY96 Roaded Service Area Budget included \$250,000 for forest receipts. The current estimate of Forest Receipts for CBJ FY96 is \$750,000. CBJ will receive the funds at the end of December.

I recommend that this resolution be adopted.
