Referred to:

RESOLUTION OF THE CITY AND BOROUGH OF JUNEAU, ALASKA

Serial No. 329

A RESOLUTION AMENDING RESOLUTION NO. 239 TO
REMOVE THE SEWER SERVICE CHARGE COMPONENT OF
THE UTILITY CHARGES IN THE JUNEAU SERVICE AREA
(NO. 1).

WHEREAS, Resolution Serial No. 239 established a combined
water and sewer service charge for the Juneau service area (No. 1), and

WHEREAS, the Assembly by Resolution Serial No. 328 has es-
tablished a separate sewer service charge applicable to all areas of the City
and Borough, and

WHEREAS, the rates for water and sewer service established by
Resolution Serial No. 239 should be changed to reflect only the water service
component, and

WHEREAS, the revenues received from the combined sewer and
water charges have been allocated 25% to sewer utility operation and 75% to
water utility operation,

NOW, THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE
CITY AND BOROUGH OF JUNEAU, ALASKA:

That Section 3 of Resolution Serial No. 239 is hereby amended to
read as follows:

3. Sections 4, 5, 6 and 7 of Resolution No. 383 of the City of
Juneau applicable within the Juneau Service Area (Service Area No. 1) as
ratified by Resolution No. 122 of the City and Borough of Juneau are amended to
read as follows:

a. Section 4. Charges for Water Service Connections: The
following minimum charges will be made for each water service connection:

Resolution 329

<u>Connection Size in Inches</u>		<u>Charge</u>
	3/4	\$ 93.75
1		106.25
1	1/2	131.25
2		158.25
3		206.25
4		256.25

Provided, however, that if the labor, materials and equipment usage exceeds the charge set forth herein, the charge shall be the cost of the labor, materials and equipment usage, plus ten percent (10%) for administration and inspection costs. In any case where the providing of such service necessitates the breaking of street paving or a sidewalk, there shall be an additional charge for such breaking based on the labor, materials and equipment usage involved in breaking and restoring such paving, plus ten percent (10%) for administration and inspection costs.

If, in the determination of the Manager or his designee, the customer applying for service, because of his peculiar and exclusive requirements, will place an extraordinary demand on the system, requiring that the utility encounter additional expense by way of enlarging its system or any part thereof solely in order to meet such extraordinary demand, then the Manager or his designee shall require that the customer pay the difference between the service cost set forth herein and the additional cost incurred solely because of the customer's extraordinary demands.

All applications for water service connections shall be made to the city-borough engineer on forms supplied by him. The engineer shall compute the fees and charges according to the applicable formulas in this Resolution, and they shall be paid to the City-Borough Clerk prior to approval of the application by the engineer. If actual costs are more or less than the engineer's estimate, the Clerk shall refund any excess payment to the applicant, or bill the applicant for any deficiency. This shall be noted in the agreement with the applicant.

b. Section 5. Rates for Water Service: The schedule of water rates shall be as follows:

(a) Minimum monthly charges where there is metered water service, for the first 4,000 gallons:

Resolution 329

<u>Water Connection Size in Inches</u>		<u>Charges per Month</u>
	3/4	\$ 7.97
1		15.94
1	1/2	37.50
2		65.63
3		145.31
4		262.50

(b) Monthly charges where there is metered water service and usage is in excess of 4,000 gallons:

<u>Gallons</u>	<u>Charge per Month</u>
Over 4,000 gallons	\$0.75 per M gallons

(c) Monthly charges where there is not metered water service:

<u>Water Connection Size in Inches</u>		<u>Charge per Month</u>
	3/4	\$ 11.25 + \$4.69 ea. addnl. unit
1		23.44 + \$4.69 ea. addnl. unit
1	1/2	51.56 + \$4.69 ea. addnl. unit
2		93.75 + \$4.69 ea. addnl. unit
3		210.94 + \$4.69 ea. addnl. unit
4		375.00 + \$4.69 ea. addnl. unit

c. Section 6. Special Industrial Classification: An industrial user of water may apply to the city-borough for a special industrial rate if such applicant makes a reasonable showing, in the opinion of the city and borough, that his water consumption from the date of application will exceed 18,000 gallons per year.

An industrial user, having applied for and having been granted the special industrial rate, shall be charged on his annual consumption as follows:

(a) For the first 25,000,000 gallons per year, \$0.175 per thousand gallons.

(b) For usage over 25,000,000 gallons and up to 60,000,000 gallons inclusive per year, \$0.05 per thousand gallons.

(c) For usage over 60,000 gallons per year, \$0.175 per thousand gallons.

Resolution 329

An industrial user shall be billed by the city-borough and shall pay \$350 each month; after the expiration of a year from the time such user is granted the special industrial classification, the city-borough shall make adjustments upwards or downwards to reflect the actual gallonage used and the rates as set out herein. If the industrial user is found to owe more than the amount paid to the city-borough at the rate of \$350 per month, the additional amount shall be due and owing upon presentation by the city-borough of such additional charges. Refunds of any excess amount paid by the industrial user to the city-borough shall likewise be paid at the expiration of each year of usage.

d. Section 7. Monthly Fire Protection Rates: The following monthly rates shall apply for the specified fire protection systems:

(a) The city-borough reserves the right to install a meter and charge meter rates if the customer uses water from the fire system for domestic service.

(b) The rates for combined fire and domestic systems shall be those charged for domestic use, and such combined systems shall be metered. No charges shall be made for sprinkler heads or hose bibs.

(c) For each city-borough fire hydrant: \$8.75. Persons authorized to use water from hydrants shall be charged according to the domestic meter rates.

4. The effective date of this resolution is October 1, 1975.

Adopted this 4th day of September, 1975.
