#### **Graduation**

Plans are coming together for recognizing and celebrating the Class of 2020 in Juneau. A Grad Task Team of representatives from JDHS, TMHS and YDHS finalized the schedule on Friday. Each school is working out the details and communicating the plan to students and families.

The main activities are:

Seniors will go to their school at an appointed time to allow for minimal contact and preserve social distancing. They will walk across the graduation stage set up for each individual school in their caps and gowns to receive their diploma cover and have a professional graduation photo taken. Each graduate will receive a gift bag with many items including a program listing classmates, school momentos, and gifts from the school and community (including the Parents for a Safe Graduation Committee). By the end of May a graduation video with each student's professional cap and gown photo and name, along with traditional graduation speeches, music and video of the school will be provided online for each school's ceremony.

Details of the process for TMHS are posted on the school's website. All three schools will be substantially similar.

The high schools are working on a Scholarship and Senior award recognition program to share with graduates so those achievements can be celebrated as well. Senior awards will be presented to students via video from school department heads this year.

Graduation banners are going up around town. There are two very large Senior 2020 banners near JDHS/YDHS and TMHS that contain photos of every senior produced by the Parents for a Safe Graduation Committee. Capital Transit will be displaying these posters on buses as well. Senior families are displaying yard signs in front of homes to recognize grads.
