- During group discussion raise your hand to speak

Transportation & Infrastructure

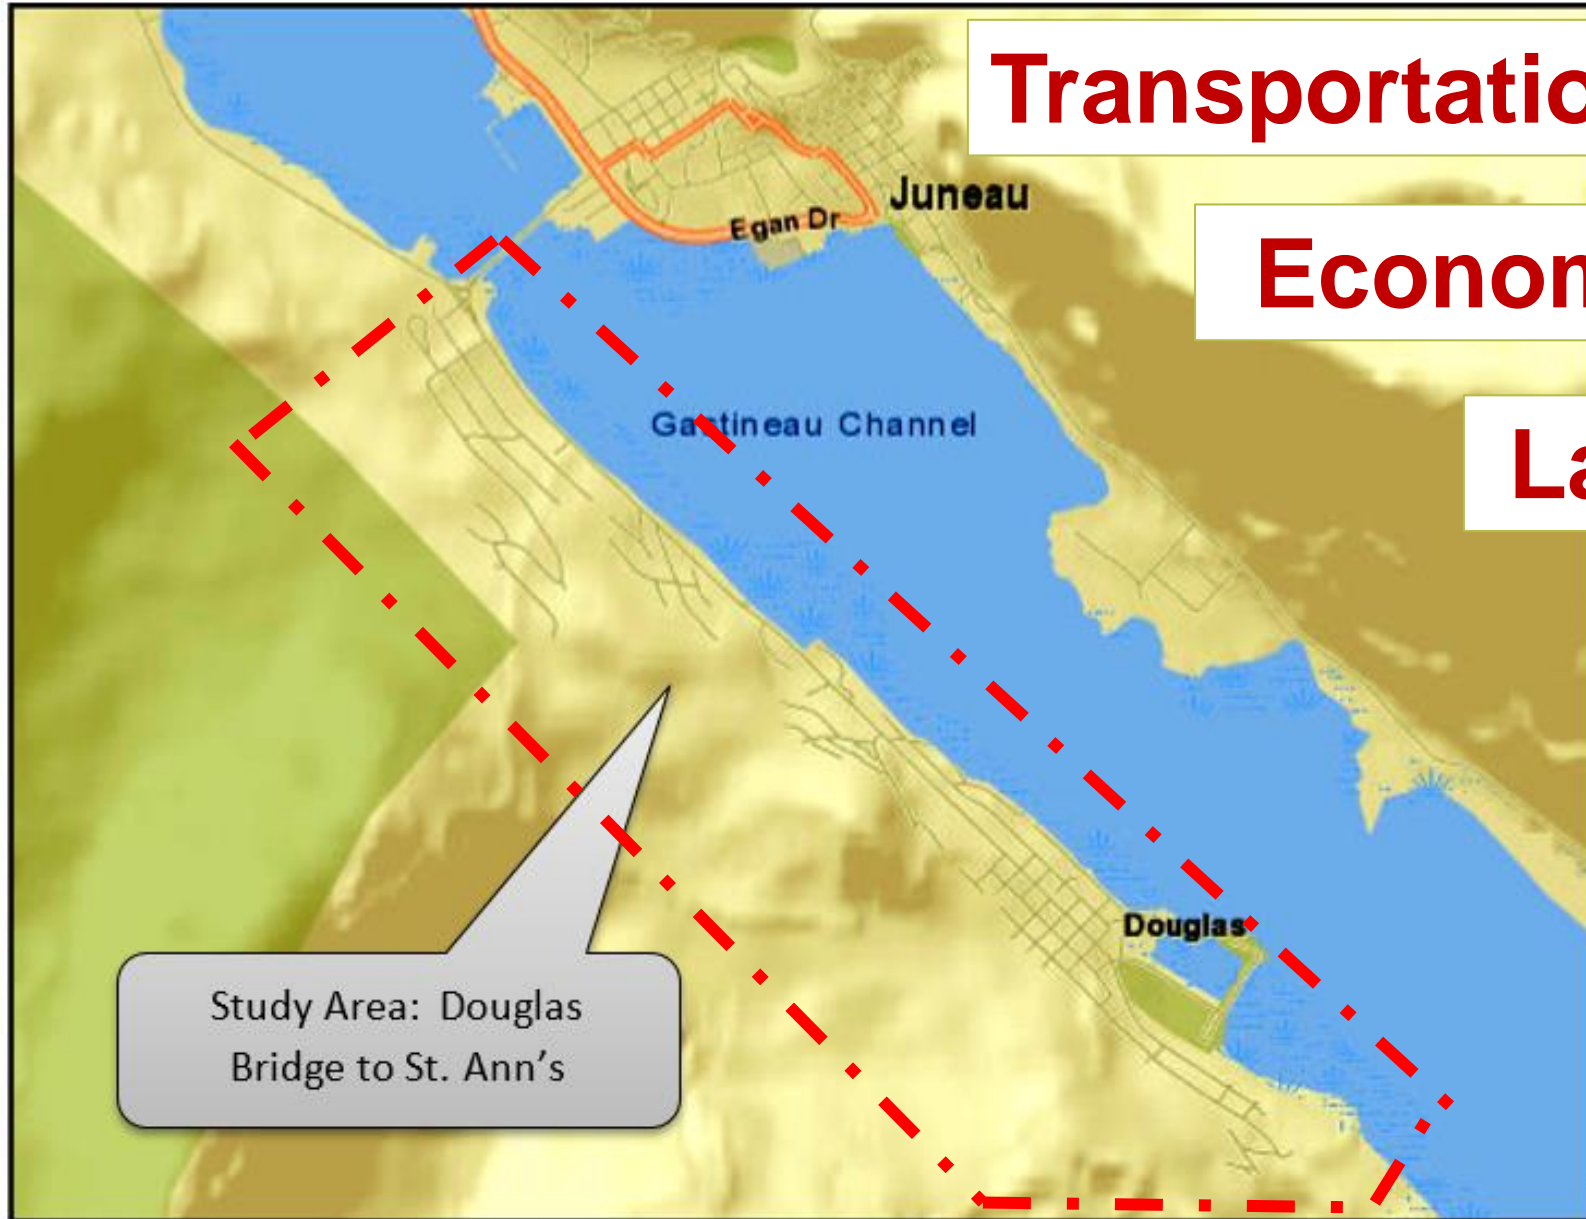

Economic Opportunities

Land Use & Zoning

Arts & Culture

Recreation

Housing

Study Area: Douglas
Bridge to St. Ann's

Examples of broad policies:

CBJ Comprehensive Plan – Chapter 8

To promote a balanced, well-integrated local multi-modal transportation system that provides safe, convenient and energy-efficient access and transport for people and commodities. (pg.109)

CBJ Comprehensive Plan – Chapter 8

To plan for the timely and efficient provision of an appropriate level of public facilities and services in all developed and undeveloped areas within the urban service area. (pg. 198)

How can these policies be applied in South Douglas / W. Juneau?

CBJ Capital Improvement Projects

 = Infrastructure: Utilities

 = Infrastructure: Buildings & Sites

 = Transportation

Visioning for the Future

BREAKOUT ROOMS – For small group visioning exercises

Three Exercises:

1. Why, Why, Why?
2. No Matter What....
3. Great Idea

Visioning for the Future

Questions and Ideas?

Visioning for the Future

When you think of Douglas' ideal transportation and infrastructure future what comes to mind?

With this ideal in mind, what do you think the transportation and infrastructure priorities should be?

Visioning for the Future

What actions or projects are necessary to make this ideal a reality?

What new ideas and opportunities can you think of?

Next Steps

December 10th – Land Use and Zoning meeting
