PROJECT MANUAL:

Item No. 1 SECTION 00 0300, NOTICE INVITING BIDS, Description of Work
Delete and Replace the Description of Work **with** the following:

"This project will replace the existing fire alarm panel within the JNU Terminal Building with a new addressable fire alarm panel that includes a mass notification-voice evacuation system. Work will include the installation of new speakers for the mass evacuation system and the integration of the existing public address system into the fire alarm head-end so all announcements are broadcast through the new speakers. The primary trade for this work is electrical."
