 RE: **Situational Update –Level 1 Minimal-** Operational Period 30 (2/25/2021 – 3/25/21)

Overall Community Risk	Disease Situation	Hospital Capacity	Public Health Capacity
<b>Level 1 - Minimal</b>	Overall cases have dropped. Some community spread is present.	The hospital case load is stable.	Contact tracing is stable.

The Complete CBJ COVID-19 Dashboard can be found [here](#) or by going to [Juneau.org/ COVID-19](http://Juneau.org/COVID-19)

**Situation Assessment:** Our 14 day and 7 day case rate indicators are at the moderate alert level - primarily due to secondary transmission. The community continues to see COVID transmit via community spread, secondary infection, and travel. The more aggressive variants of COVID-19 have been identified in Alaska. We caution the public to strictly adhere to all travel related rules and to continue strict adherence to masking and social distancing when outside your immediate home.

**Issues of Note:**

31.1% of the Juneau population age 16 and above have been vaccinated with 23.2% of the population having received their 2<sup>nd</sup> dose. The State is reporting that 78.9% of the population in Juneau age 65+ have received at least the first dose of vaccine.

POD 4a was announced today, made possible through a cooperative effort with SEARHC. SEARHC is providing two trays of Pfizer vaccine which will allow an additional 2100 community members to be vaccinated. The Clinic begins on Monday, March 15<sup>th</sup> and runs through Saturday, March 20<sup>th</sup>. Weekday hours will be 3:00 pm 0 6:00 pm. Saturday will be 9:00 – 12:00. The clinic will be held at Centennial Hall. The second dose clinic will be scheduled for April 5 – 11 and operate at the same times of day.

In addition, the Veteran's Administration is offering a clinic for all veterans in Juneau on Saturday, March 13<sup>th</sup>. The clinic will use the J&J vaccine.

POD 2b concluded today. This was a second dose clinic for the clinic which occurred on February 11<sup>th</sup> and 12<sup>th</sup>.

POD 3a (March 12&13) is fully registered and the waiting list is full. POD 3b (second dose clinic) is scheduled for April 2 and 3.

SEARHC also partnered with Beacon to provide vaccine allocations for individuals working in the Capital complex. This includes legislators, staff, press, and the Governor's office. Vaccinations began today.

**Daily Numbers Report:**

We are reporting 7 new cases today.

COVID-19 In Juneau				
	Active	Recovered	Deceased	Cumulative
Resident	22	1,137	5	1,164
Nonresident	1	142	0	143
<b>Total</b>	<b>23</b>	<b>1,279</b>	<b>5</b>	<b>1,307</b>

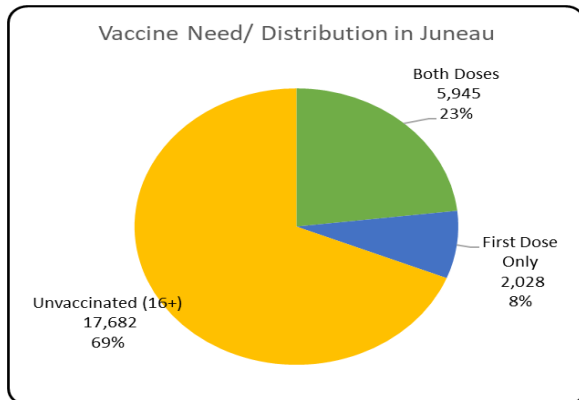

Note: CBJ EOC data may differ from the data reported on the State of Alaska dashboard.

Disease Transmission/Contact Tracing:

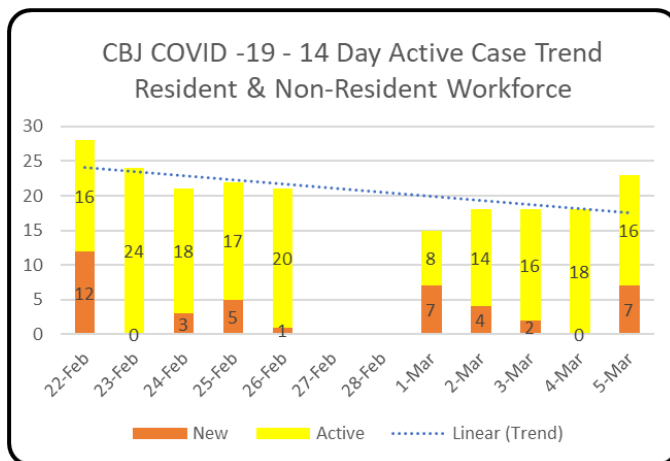

We are reporting 6 new resident cases and 1 new nonresident case today. 1 case is secondary transmission and is associated with the small business cluster which is at 11 total positives with 5 recovered. The rest of the resident cases are under investigation. The nonresident case is associated with the mining industry.

The State is reporting 149 new cases today bringing the statewide cumulative total to 59,332 cases.

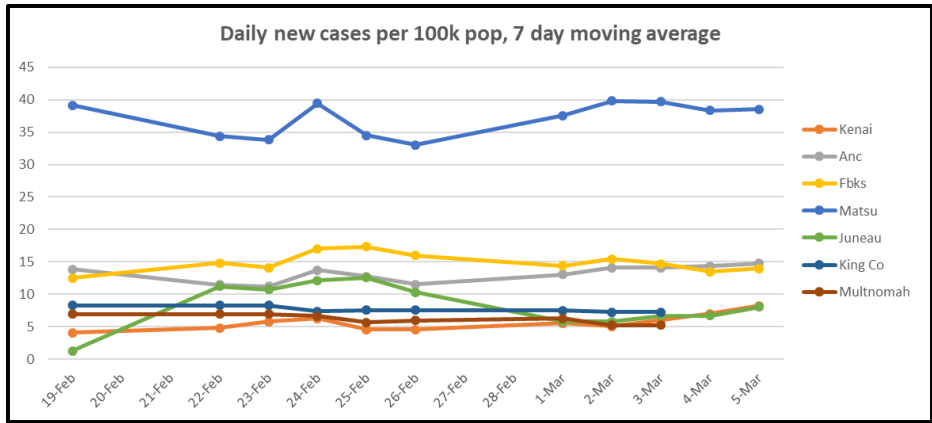

Testing: 3/04/21: No test results were received from Fulgent. There are 23 tests pending arrival and processing.

31.1% of the Juneau population age 16 and above have been vaccinated with 23.2% of the population having received their 2<sup>nd</sup> dose. The State is reporting that 78.9% of the population in Juneau age 65+ have received at least the first dose of vaccine.

 Assembly EOC Update  
 CBJ COVID-19 Response

This chart tracks the number of new cases in the past 7 days, controlled for population. King County (Seattle) and Multnomah County (Portland) are included for context and due to travel frequency. The source data for Alaska is from the SOA dashboard. Out of state data is from the Harvard Global Health Institute (<https://globalepidemics.org/key-metrics-for-covid-suppression/>) and generally lags a day behind most of our other reporting. Policy recommendations at varying levels (<1, <10, <25, 25+) can be found on their website
