Parcel ID #	
Name of Applicant	

APRIL 30 DEADLINE - This Application & last year's Tax Documentation must be submitted by April 30.
 If you do not file with the IRS, a completed *PFD Supplementary form* must be submitted in addition to this application

This exemption is income based; if found eligible any property tax liability exceeding 2% of your gross household income will be exempt.

Example: Original tax bill after SC/DV exemption = \$2,000.
 Gross household income = \$50,000
 2% of Gross household income: $\$50,000 \times .02 = \$1,000$
 New tax bill after Hardship Exemption = \$1,000. Since 2% of your gross household income (\$1,000) is less than the original tax bill (\$2,000), you would be responsible for paying only \$1,000.

Gross household income means total annual compensation earned & unearned, taxable and non-taxable from all sources of all members of the household for the calendar year prior to the year of this application. Losses are not considered income for purposes of this exemption.
