To be in compliance with the Federal Regulations 49 CFR Part 23, the Juneau International Airport and the City and Borough of Juneau, Alaska (CBJ) are in the process of developing its ACDBE program goal for FFY 2023-FFY 2025. You are invited to attend a stakeholder consultation meeting. The purpose of the meeting is for the Juneau International Airport and CBJ to present the ACDBE program plan and goal methodology to the public and to receive input regarding the ACDBE goal development process. You are invited to hear a presentation on the goal methodology and to participate in a discussion of the proposed goal, the availability of potential ACDBEs, the effects of discrimination on opportunities for ACDBEs, as well as the Airport's effort to increase ACDBE participation.

We sincerely hope that you, or a representative of your company/agency, will attend this meeting to assist the Juneau International Airport and the City and Burrough of Juneau in our ongoing efforts to implement an effective ACDBE program.
