*Please complete this form and attach all supporting documents.
Give complete, accurate, detailed explanation of your request. Please be specific.*

Sentry, a bio-electrode sensor, monitors microbial performance in wastewater systems in real time. Integrated with MTP SCADA, it swiftly detects changes, enabling proactive violation resolution by CBJ to uphold water quality standards. Serving as an investigative tool, Sentry identifies excessive organic wastes, streamlining control efforts with triggered sampling events in manholes. Sentry, the manufacturer, does not sub-distribute.

- Sole Source:** The purchase of a commodity or service from the only known single source. *Attach verification.*
Code Provision: [53.50.090 \(c\)](#)

- Class 2 Emergency:** A circumstance that poses a threat to the health, welfare or safety of the public.
Code Provision: [53.50.090 \(L\)](#)

- Rider to Another Contract:** A vendor may extend another government agency’s bid or contract pricing to CBJ. The proposed purchase must meet CBJ purchasing requirements and must have been competitively bid.
Code Provision: [53.50.090 \(f\)](#) Agency: _____ Contract #: _____

- No Substitute:** A request for a specific brand name and model number of a particular item to be purchased. The item must be available from more than one supplier.

- Other:** Clear explanation is required. Code Provision: (if applicable) _____

Re: Sole manufacturer of Sentry bio-electrode monitoring of wastewater product

Dear Breckan,

This letter is to confirm that the SENTRY™ product is manufactured by Sentry: Water Monitoring and Control Inc. (Sentry). Sentry is the sole company globally manufacturing this product.

Sentry has 1 patent issued (Bio-electrochemical sensor and method for optimizing performance of a wastewater treatment system) and filed 2 patent applications related to the use of the sensor platform in wastewater with the US Patent and Trademark Office.

Should you require additional information, please do not hesitate to contact me.

Best regards,

A handwritten signature in blue ink, appearing to be "J Grant", is positioned to the left of the Sentry logo.
