

As required section I.D. 1.g. of NPDES Permit #AK-002321-3 (Juneau-Douglas Wastewater Treatment Plant), the City & Borough of Juneau's Wastewater Utility hereby notifies the public that a combination of sanitary and storm sewage has been discharged into the Gastineau Channel. This discharge began on November 18, 2005 at 11:01 a.m. and ended on November 19, 2005 at 9:31 a.m. from the permitted diversion structure called "City Hall". This discharge was due to heavy rainfall and combine system. Environmental impacts are expected to be small due to the very dilute nature of the discharge. For more information, interested parties can contact the Wastewater Utility at 907-790-2525 between 8:00 a.m. to 4:30 p.m. Monday through Friday.
