## Other Coverage Features

### Accelerated Death Benefit – Terminal Illness

If you are diagnosed by two unaffiliated physicians as terminally ill with a life expectancy of 12 months or less, the benefit for terminal illness provides for up to 75% of the Term Life Insurance coverage amount in-force or \$5,000, whichever is less, to be paid to the insured. This benefit is payable only once in the insured's lifetime, and will reduce the life insurance death benefit.

**Continuation for Disability for Employees Age 60 or over** - If your active service ends due to disability, at age 60 or over, your coverage will continue while you are disabled. Benefits will remain in force until the earliest of: the date you are no longer disabled, the date the policy terminates, the date you are Disabled for 12 consecutive months, or the day after the last period for which premiums are paid. You are considered disabled if, because of injury or sickness, you are unable to perform all the material duties of your Regular Occupation, or you are receiving disability benefits under your Employer's plan.

**Extended Death Benefit** - The extended death benefit ensures that if you become disabled prior to age 60, and die before it is determined if you qualify for Waiver of Premium, we will pay the life insurance benefit if you remain disabled during that period.

**Waiver of Premium** - If you are totally disabled prior to age 60 and can't work for at least 9 months, you won't need to pay premiums for your coverage while you are disabled, provided the insurance company approves you for this benefit. You are considered totally disabled when you are completely unable to engage in any occupation for wage or profit because of injury or sickness. This benefit will remain in force until age 70, subject to proof of continuing disability each year.

**Conversion** - If group life coverage ends (except due to nonpayment of premium), your employment is terminated, membership in an eligible class is terminated, or insurance coverage is reduced based on attained age, you can convert to an individual non-term policy. To convert, you must apply for the conversion policy and pay the first premium payment within 31 days after your group coverage ends. Premiums may change at this time, and terms of coverage will be subject to change.
