

TAKU 1934

Neither words nor pictures can tell the complete story of Alaska; they can only suggest it. One must really see it to appreciate its scenic wonders. Juneau, the capital of Alaska, is reached before the ship enters that glorious home-stretch to Skagway, the far-famed Lynn Canal. Douglas is opposite Juneau.

At Juneau is located the Governor's residence and the government buildings. The Alaska Museum, with its great collection of Eskimo and Indian curios, is worth examination. Taku glacier, a mile-wide palisade of gleaming ice, furnishes a spectacular sight for the tourists. It is not the largest in Alaska but the most accessible.

THE 1934 TAKU

THE STORY OF SCHOOL LIFE

VOLUME XV

PUBLISHED BY THE JOURNALISM CLASS OF THE
DOUGLAS HIGH SCHOOL

MAY, 1934 AT DOUGLAS, ALASKA

Dedicated To---

the Delegate, the Governor, the Legislators and Citizens of the Territory who are earnestly working for Home Rule, the International Highway, Airmail Transportation, Industrial Development and other projects which will transform Alaska from a vast undeveloped expanse into a well-populated prosperous land.

Foreword---

The 1934 Taku visions the future when Home Rule instead of Congressional Supervision will hold sway in the Territory; when a Super-Bridge will connect Juneau and Douglas; when Alaska will be a mecca for thousands of tourists; when Air Mail will bring the most distant points in Alaska within close communication; and when the International Highway will extent from Southern Mexico to Fairbanks.

Home Rule

•

G GOVERNOR JOHN W. TROY of Alaska says about Home Rule, "wherever possible Alaska should govern herself; her laws should be made by her own Legislature and executed by her own officials." Although Congress governs Alaska now, the Territory's citizens want Home Rule. It is a natural ambition strengthened by the knowledge that they are pioneers, conquering a land, encountering problems requiring prompt action. Alaskans trust in their own ability and knowledge of the Empire of the North to make a success of Home Rule.

In September, 1930, a wondering group of boys and girls, eleven in all, eagerly approached the doors of Douglas High School; in 1934 this group with a few exceptions, is looking regretfully back at the now familiar doors closing behind them. As Freshies the High School Basketball career of three members, namely, Albert Wilson, Helen Pusich and Elsa Lundell was started.

Violet Runquist left to enroll in the Juneau High School. After the Frosh were initiated by the Sophs, they felt better acquainted with high school life. They entertained the upper classmen with an enjoyable frolic at Taku Harbor. To begin their Sophomore year they were hosts to the High School in initiating the Frosh. James Doogan joined the class this year and added to the Basketball reputation of the Sophomores. Helen Pusich, Astrid Loken, Elsa Lundell and Wilma Peero won membership in the Torch Society.

James Doogan and Albert Stragier left the group in their Junior year. "Sweet-hearts Forever" and the Modernistic Promenade were successful events of this class in their third year. Now, with Albert Wilson gone from their ranks and Arvo Wahto added, the Seniors number nine strong and are waiting impatiently for their graduation, when they must say good bye to good old D. H. S.

WILMA PEERO '34

SENIOR PROPHECY

Leaving Alaska by way of the International Highway, I started the journey which I had long wished to undertake—that of making a tour of the country by automobile.

While in Seattle I decided to visit a movie and see the marvel whom I'd heard was taking the country by storm. To my consternation, there were so many women pushing each other to get into the theatre that it was almost an hour before I was inside. Then imagine my surprise when I saw this shiek of screendom was none other than Archie Edmiston. I overheard two women behind me say his next picture will be taken in Switzerland where he will play the part of a Swiss yodler. Well, I can picture Archie climbing the Alps.

Next morning I continued on my way. I had not gone far when someone ahead waved at me to stop. I never regretted this action for it turned out to be Elsa Lundell who was selling a hair-straightening lotion. "You see," she said, after we'd greeted each other, "I've tried several jobs but I find that this one is most profitable. A few years ago it was such a style to have one's hair wavy, but that's past history, so here I am." Arriving at the next town, we stopped in front of a large newspaper plant and Elsa went to put an ad in the paper while I remained in the car.

She had not been gone more than a minute when I heard her yelling, "Come here, quick!" Wondering what had happened, I dashed into the building where I met the owner of the paper, "The Daily Buzz." And who do you suppose it was—Wilma Feero. "Willie," as we used to call her, had become so attached to newspaper work in high school that she decided to have a plant of her own. While we were discussing our high school days and wondering what had become of the others, Wilma said: "I received a letter from Helen the other day. You know she used to be a butcher but one day she met a sailor whom she'd known for quite a while. They got married, and are now cruising around the world. I could hardly believe it when she told me they saw Arvo Wahto in China. He is operating a chop-suey joint there." We were surprised at this bit of news for we always thought Arvo would be a lawyer. But such is fate.

Bidding my two old friends goodbye that afternoon, I set out for Reno. I saw Jennie Savikko come into the lobby. After greeting each other, she told me she was in Reno getting a divorce. "Divorce, but I thought you were happily married?" "Yes," she replied, "but I found that marriage interfered with my career in dancing, so we thought it best to separate." Next day I wished Jennie luck, bade her and Reno adieu, and continued East.

On my way I came to a large university where I became acquainted with one of the students who showed me the campus. I was especially attracted to the art gallery where I noticed many paintings by Roy Williams. I always knew Roy had artistic talent by the way he sketched so much during school.

As we strolled about the grounds, my companion introduced me to the math prof—Lloyd Guerin. Yes, it was Lloyd, but how changed. He a math prof! Will wonders never cease! I could not refrain from asking him what prompted him to become a professor.

"My girl jilted me," he said sorrowfully, "so I decided to become a teacher. Now I am so busy that I have no time to think about anything but angles, x's, y's and z's."

As the bell rang, and Lloyd had to go to his classes, I left. A few days later I returned to Alaska where I opened a barber shop and am eagerly awaiting another time when I shall see the D. H. S. class of 1934.

Junior class studied the following subjects: Journalism, United States History and Civil Government, Typing, Home Ec, Commercial Law, Geology and Manual Training. We have four basketball lettermen who are: Mary Pearce, Albert Stragier, Glenn Edwards and Jessie Fraser. The Junior prom in April was one of the most beautiful ever staged in the "Nat."

"Sweet Irish Colleen," a three-act comedy, was presented by the Juniors, April 13 and 14 on the High School Assembly stage under the direction of Mrs. Engstrom. This was a great success and the actors were much complimented on the performances. Juniors who took part in this were: Peg, Myrtle Feero; Larry, Glenn Edwards; Sharp, Albert Stragier; Maid, Mary Pearce, and Grace, Jessie Fraser. Next year we will return to school with, we hope, more than seven members and as sophisticated Seniors.

Sophomores have had an active and productive year, starting with initiation, October 6, in the Eagles' Hall. Stunts, refreshments, dancing and singing combined to produce an evening of enjoyment. Sophomores served at the February P.-T. A. We have given two dances, one February 9; the second April 7.

Four of our members, Gordon Mills, Dick Kilburn, Mary Loken and Betty Sey turned out for basketball. Betty Sey did a tap dance and Madelene Bucholtz had a singing part in the operetta. Madelene was also in the Declamatory Contest.

FRESHMAN HISTORY

Freshmen started in D. H. S. with the largest class, seven boys and five girls. After the Sophomores initiated us we didn't feel as well as before. Of course, no one would after all that castor oil, limburger cheese, and onions.

At our first meeting we elected officers and chose Mr. Wentland for our advisor. We held a candy sale Friday, September 28, at the school house; sold hot dogs at the basketball games in the Nat. Friday, January 12; served refreshments at the December meeting of the P.-T. A.; and gave two dances in the Eagles' Hall, November 24 and January 26 to raise money.

In the athletic field our class is well represented by Gerald Cashen, Robert Peero, and Alexander Tassel on the Boys' team; while Vera Kirkham is sub on the girls' team. The boys also have a Freshman team and they have played several games with the grade school team, all of which they have won.

Air Mail

.

*I*N this day and age when the modern world demands faster and faster communication, Alaska should have air mail service with the States. Now, it requires four days for a steamer to carry mail from Juneau to Seattle. An airplane flies the same distance in a few hours. Air mail would be a boon to not only business men but all residents here whom the present slow mail service often inconveniences.

ATHLETICS

ATHLETICS

PERSONNEL OF BOYS' SQUAD

Back Row: Alex Tassel, Glenn Edwards, Gerald Cashen, Archie Edmiston, Coach Wentland, Roy Williams, Dick Kilburn.
Front Row: Lloyd Guerin, Albert Stragier, Gordon Mills, Robert Feero.

ALBERT STRAGIER, Guard

This is Albert's second year on the team. His ability to guard and recover the ball will be of value to the team next year.

GORDON MILLS, Forward

Although it is Gordon's first year his shooting and floor work are superior. Gordon has two more years to play for De Hi.

DICK KILBURN, Forward

Dick's speed on the floor is enough to get on the nerves of any opposing team. De Hi claims him for two more years.

ARCHIE EDMISTON, Guard

Archie's first and last year on the team proved he was dependable.

GLENN EDWARDS, Center

Glenn's second year for Douglas revealed his talent as center. Glenn will be with us again next year.

GERALD CASHEN, Guard

Who knocked you down? Oh! That's Gerald Cashen, and be ready for him next year!

LLOYD GUERIN, Forward

Lloyd, who has played two years as a capable forward, will be lost through graduation.

ROY WILLIAMS, Center

Guard or center makes no difference, Roy plays either.

ALEX TASSEL, Guard

Alex, though only a Freshman, has proved a good guard.

BOBBY FEERO, Forward

Bobby has the stuff in him for a speedy forward. He will be with us for the next three years.

BOYS' CHANNEL SERIES

By a score of 32 to 9 the Juneau High School Boys' Basketball Team defeated De Hi, January 5, in the opponents' gym. Although handicapped in size and lacking experienced men, De Hi played a superb game.

In a fast and interesting basketball tussle in the Douglas Natatorium January 12, Juneau was victorious over Douglas Boys' Quintet 35-14. Perfect team work with rapid passing won for Juneau.

Boy cagers of Juneau, by taking the third game, January 17, with a score of 24-8, won the title of 1934 Channel Champs.

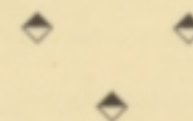

While Juneau had won the annual series, under an agreement, a fourth game was played January 27. Juneau again overcame De Hi with a final tally of 35-18, to write finis on this year's Basketball Season.

S. E. BASKETBALL TOURNAMENT

Having won the Channel Series, the Juneau High School teams travelled to Ketchikan where they competed for the Southeastern Alaska Championship. The Ketchikan boys, Southern winners, defeated Juneau's quintet 25-23; 22-21. The Juneau sextette fared better than the boys, meeting no defeat and winning their games by large margins.

PERSONNEL OF GIRLS' TEAM

Back Row: Elsa Lundell, Coach Pepoon, Mary Pearce.
Middle Row: Jennie Savikko, Betty Sey, Vera Kirkham.
Front Row: Jessie Fraser, Helen Pusich, Astrid Loken.

ASTRID LOKEN, Forward

This year has found Astrid Loken, Senior, playing several positions: guard, center and forward. Her shooting ability will be hard to equal.

ELSA LUNDELL, Forward

Elsa Lundell, a veteran, fought her last year as a guard, forward and side-center for De Hi. Her absence from the team will be felt next fall.

JENNIE SAVIKKO, Guard

As guard, Jennie Savikko, Senior, showed her speed in intercepting passes and it won't be an easy task filling her position next season.

MARY PEARCE, Guard

With another year remaining to battle for De Hi, Mary Pearce, Junior, will be able to again show her prowess as guard or forward.

HELEN PUSICH, Center

De Hi loses another athlete through graduation, Helen Pusich, jumping center, guard and best all around player on the 1934 sextette.

JESSIE FRASER, Side Center

Her ability to play guard, forward and side-center has made Jessie a valuable player. She has one more year to support De Hi.

VERA KIRKHAM, Guard

Although only a Freshman, Vera Kirkham has demonstrated her skill as a first-rate guard. De Hi can rely on her for three more years.

BETTY SEY, Forward

Her first experience as forward shows promise for Betty, Sophomore, and De Hi. With two years to go, Betty should do great things in Basketball.

SUBS

Although no opportunities have arisen for Mary Loken, Sophomore, and Jennie Johnson, Freshman, to exhibit their skill on the maple court, they will no doubt have that chance next year.

GIRLS' CHANNEL SERIES

Opening game of the Channel Series was played in Juneau, January 5. Although the De Hi sextette fought gamely, they were defeated by their rivals 27-15.

Second game was played at the Nat. January 12. Again our Hilltopper rivals came out at the long end of the score, 23-10.

January 19, at the Juneau Gym, the third game between the De Hi and Juneau squads was staged. Douglas tried desperately but could not prevent the field goals their opponents converted. Juneau won 38-27 giving them the championship for the second year.

Playing off the final contest of the series at the Douglas Gym, January 26, De Hi, determined to win, played the closest and scrappiest game of the year. However, in spite of their efforts, J. H. S. took the fourth straight game 32-24.

BASKETBALL DINNER

Coach Pepoon was hostess, March 17, to the Girls' Basketball Team at an eight o'clock dinner in Juneau at Moder's Coffee Shoppe. The day being St. Patrick's, green predominated in place cards and favors. After eating a delicious dinner, the party proceeded to the Elks' Hall where an enjoyable evening was spent in dancing.

ATHLETIC DINNER-PARTY

Mr. and Mrs. Mike Pusich entertained the Girls' Basketball Team and Coach Pepoon with a chicken dinner, in February. After enjoying a delicious meal, cootie was played for the remainder of the evening with prizes going to Jessie Fraser and Mary Pearce.

INTERCHANNEL LOVING CUP

Douglas Island Women's Club has presented a silver loving cup ten inches in height for Inter-Channel girls' basketball. Juneau won the cup for 1934. In order to hold the trophy permanently the school must win the Channel Series three consecutive years.

GRADE SCHOOL ATHLETICS

This year the Grade Boys, including Ben Shitanda, Roy DeRoux, Willie Andreanoff, Georgie Stragier, Frank Wilson, Hjalmer Savikko and Daniel Gross, organized a Basketball Team under the supervision of Arne Kronquist, '32. Local Grade Quintet encountered the stronger Juneau squad, who easily defeated Douglas and achieved the title of Champs.

SWEATER AND LETTER AWARDS

Only three Senior girls received sweaters and letters this year, for participation in the basketball games, namely: Helen Pusich, a letter and four striped sweater; Elsa Lundell and Astrid Loken, each a letter and three striped sweater. Those receiving 1934 letters were: Seniors, Archie Edmiston, Lloyd Guerin, Roy Williams and Jennie Savikko; Juniors, Jessie Fraser, Mary Pearce and Albert Stragier; Sophomores, Gordon Mills, Dickie Kilburn and Betty Sey; Freshmen, Vera Kirkham, Gerald Cashen, Robert Feero and Alex Tassel.

TENNIS

With the closing of the basketball season, students turned to tennis. Due to the coldness of the weather, practices have been held in the Nat after school hours and Saturdays. Later in the spring there was a tennis tournament with Juneau. Last year Jay Hi won all the games. De Hi was represented by Gordon Mills and Mary Pearce in the singles; Dick Kilburn, Glenn Edwards, Mary Pearce and Astrid Loken in the doubles.

Those taking tennis are Mary Loken, Mary Pearce, Elsa Lundell, Astrid Loken, Lloyd Guerin, Gordon Mills, Betty Sey, Jessie Fraser, Vera Kirkham, Helen Pusich, Jennie Johnson, Myrtle Feero, Bobby Feero, Archie Edmiston, Gerald Gashen, Glenn Edwards, Joe Riedi, Albert Stragier.

PARENT-TEACHER ASSOCIATION

OFFICERS

President.....	Mrs. J. R. Langseth
Vice-President.....	Mrs. J. R. Guerin
Secretary.....	Miss Pepoon
Treasurer.....	Mrs. Mike Pusich

Parent-Teacher Association held its first meeting in the D. H. S. assembly room, October 6. The main purpose of the meeting was to welcome the members of the school faculty. As speaker for the evening, Mrs. Lydia Fohn-Hanson talked on "Good Health." A. E. Karnes, Commissioner of Education gave an address on "The Financing of Schools in Alaska" at the November P.-T. A.

A playlet, "The Golden Goose," presented by the Third and Fourth grades, also a variety of musical numbers, helped make the program for the December meeting an enjoyable one. Miss Thoma's room won the attendance prize, a painting, The Blue Boy. Owing to the severe weather no January meeting was held. In February, Miss Caroline Todd gave an interesting talk on Lincoln. A cleverly portrayed pantomime, by the First and Second grades, was the main feature of the program for the March P.-T. A. meeting.

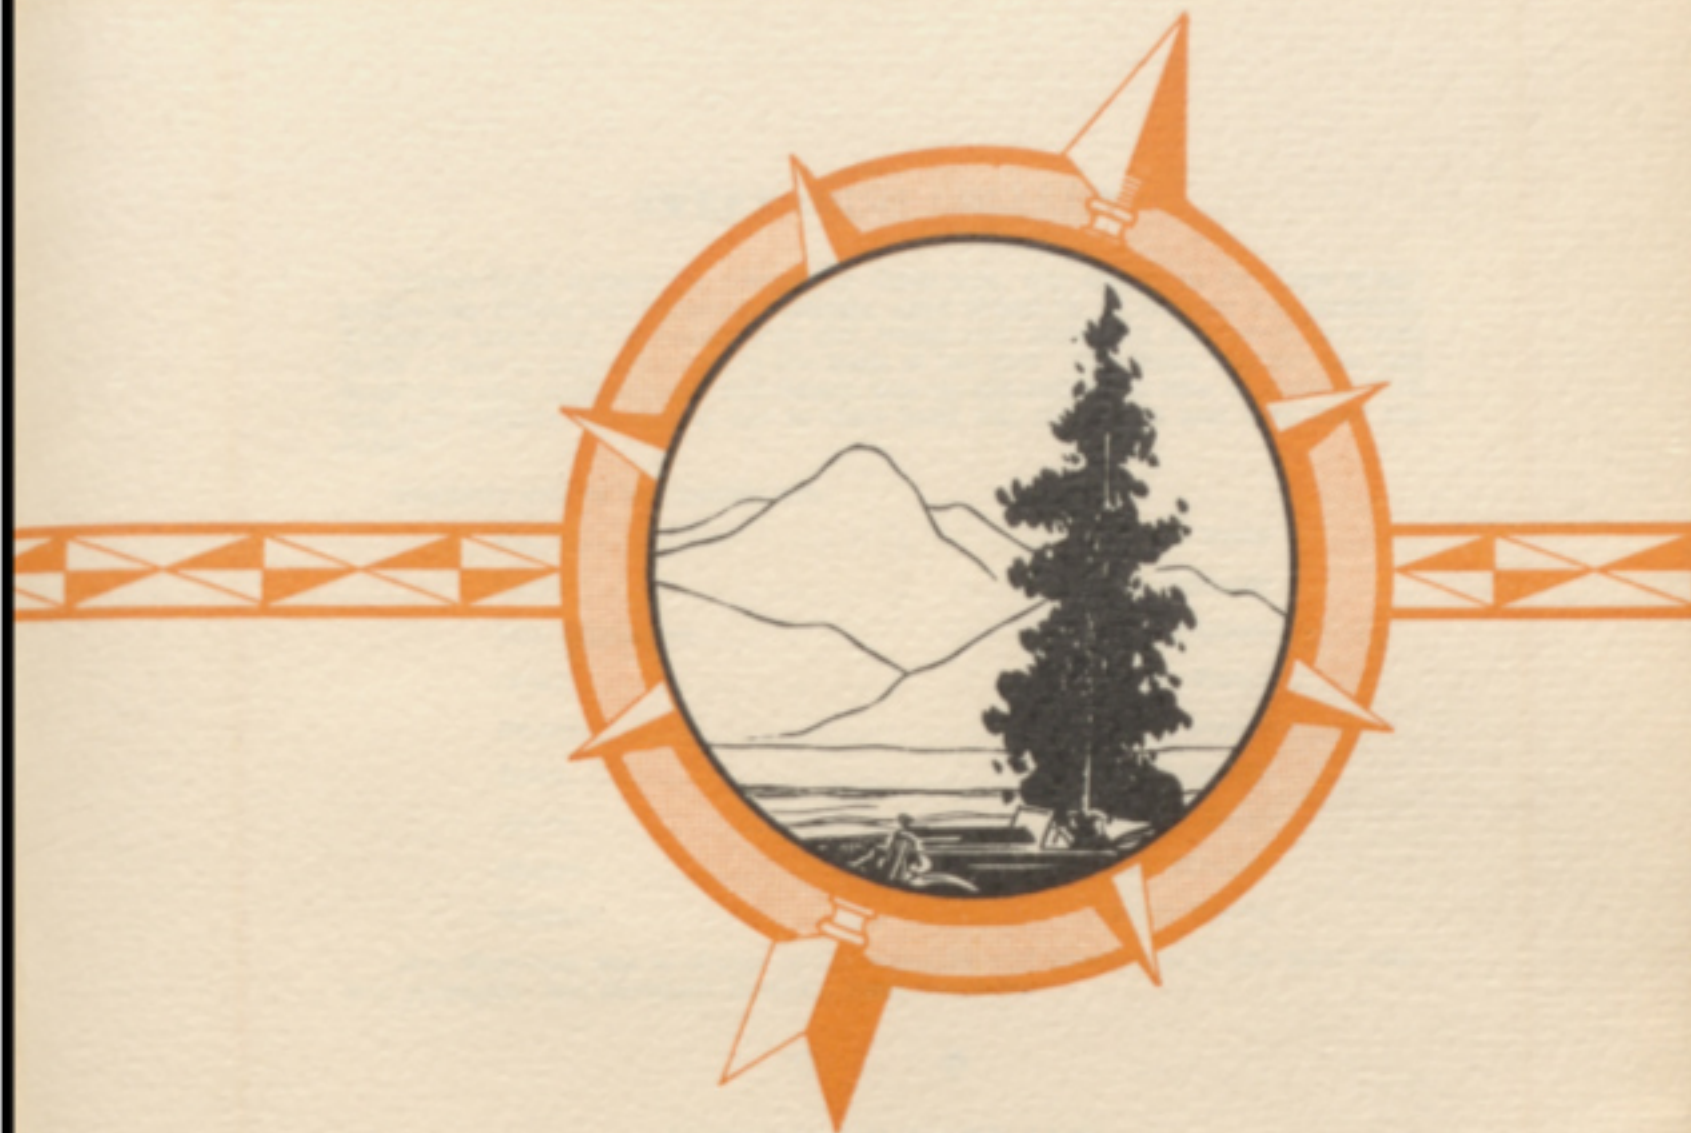

Mrs. Hazel James Ferguson gave an address at the April meeting on Pioneer women. The remainder of the program was completed with several musical selections. Next meeting will be held May 16 instead of the regular date, May 1, in order to have the school exhibit the same night.

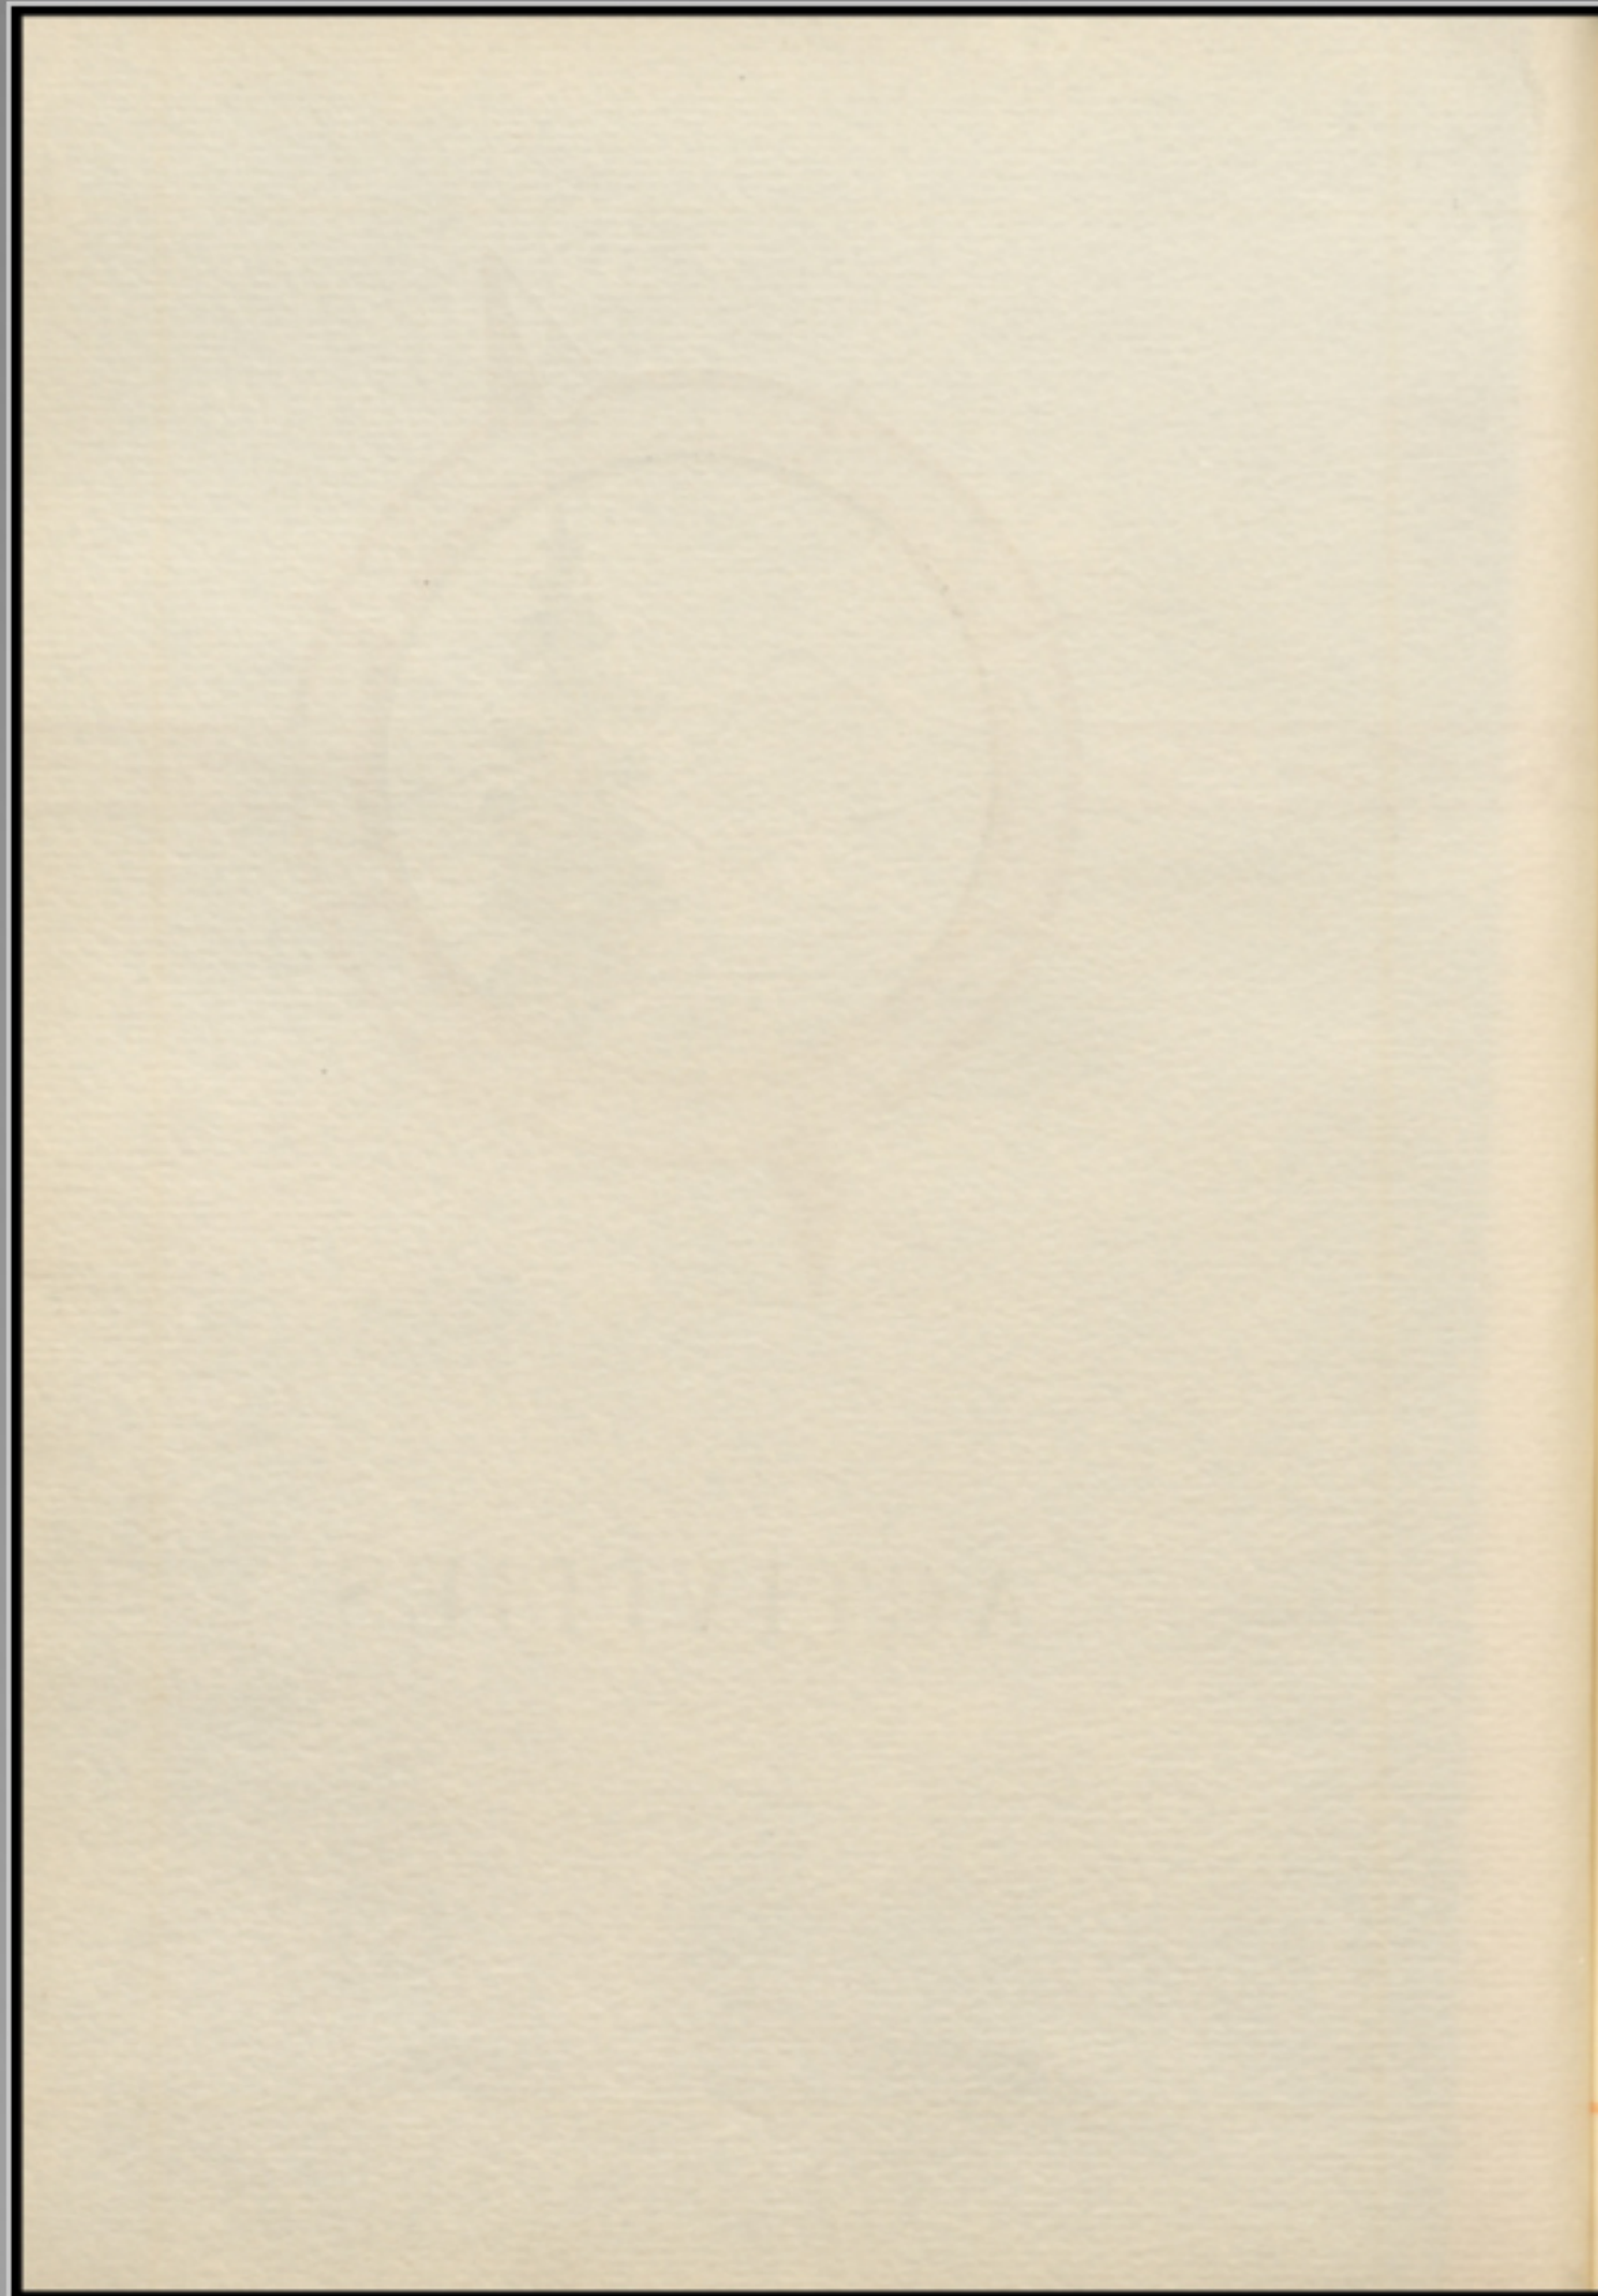

International Highway

.

ALASKA'S greatest need is the completion of the International Highway which extends as far north as Hazelton, Canada. If this highway were extended to Fairbanks it would require the building of 1,236 miles of road. With this highway completed, Alaska will be transformed from the Golden Empire of the North to a mainland frontier, accessible to all parts of the United States, and would stimulate tourists to visit the peninsula. Nobody who has not visited Alaska can say with truth that he has seen all America.

ACTIVITIES

SWEET IRISH COLLEEN

"Sweet Irish Colleen," a comedy in three acts, was staged in the high school auditorium, Friday and Saturday evenings, April 13 and 14. A matinee was presented Thursday afternoon. A young Irish girl, whose rich uncle dies and leaves her aunt \$1,000 a year to look after her, is the basis of the plot. This aunt and her son and daughter, ultra-sophisticated individuals who do not relish the idea of contact with this poor relative but endure her as their bank has just failed and they need the \$1,000.

Complete cast of the comedy was:

Peg	Myrtle Feero
Larry	Glenn Edwards
Mrs. Chichester	Astrid Loken
Grace	Jessie Fraser
Francis	Lloyd Guerin
Brent	Gerald Cashen
Jarvis	Robert Feero
Sharpe	Albert Stragier
Bennett	Mary Pearce

Mrs. Engstrom was in charge of the coaching and production of the play; Alice Sey, prompter; and Bernhart Savikko, stage manager.

JUNIOR PROMENADE

Annual Junior Promenade held Saturday evening, April 21, in honor of the graduating Senior Class, proved to be one of the best dances staged this year. The "Nat" was especially decorated in crepe paper in all the colors of the rainbow. The novel programs had a rainbow painted on the cover and the dance list inside engraved in gold. The large crowd enjoyed itself dancing to the enchanting music of the Troubadors.

SOPHOMORE INITIATION

Sophomores were hosts at an enjoyable party October 6 given in the Eagles' Hall. The main feature of the initiation was a mock wedding with: Jennie Johnson, the bride; Gerald Cashen, the bride-groom; Teddy Doogan, the minister, and Arthur Reinikka, the father, who carried a shot-gun. After the initiation delicious refreshments were served by the Sophomores. The banquet hall was decorated in peach and blue crepe paper. The Candle of Knowledge was presented to Gerald Cashen, Freshman president. After short speeches were given by teachers and students, Miss Pimperton and Glenn Edwards played the piano for dancing.

HIGH SCHOOL DANCES

Since the Freshman Initiation, the High School Classes and Organizations have frequently sponsored dances in the Eagles' Hall. The dances last from nine o'clock to twelve or one, Glenn Edwards playing the piano and Johnny Niemi, the accordion. These dances are held not only for the purpose of raising money but for entertainment and have been most enjoyable. Besides helping the class treasuries the students have learned how to dance.

New Year's Eve, George Washington's Birthday and various Fridays these dances have been held. To raise money for their annual banquet, the Torch Society gave a dance at the Eagles' Hall, November 29, after the high school operetta. Music was furnished by Miss Pimperton. Sophomores gave a dance April 7.

ALUMNI PARTY

D. H. S. Alumni Association sponsored a card party and dance in the Eagles' Hall, March 10. A large crowd attended the affair. The funds realized from this event were given to the school for further repairs.

ARMISTICE DAY PROGRAM

November 11 an Armistice program was given in the High School Auditorium. Glen Kirkham, World War Veteran, spoke on his war experiences. Four students gave short speeches on some phase of the war: Lloyd Guerin spoke on the use of submarines in the war. A brief history of the World War was related by Glenn Edwards; Elsa Lundell spoke on "Woodrow Wilson"; "Marshal Foch" was Jessie Fraser's subject. Patriotic songs by the audience completed the program.

ALASKA DAY PROGRAM

Rev. A. P. Kashevaroff gave an interesting account of Alaska's transfer in 1867 from Russia to the United States, before the students of the Douglas High School, October 17, in the assembly hall. Students sang "Alaska, My Alaska." The American flag raised at Sitka in 1867 was shown.

WASHINGTON PROGRAM

A short program in honor of George Washington was held February 21 in the assembly hall. The following students gave speeches: Jennie Savikko, Washington's Home Life; Wilma Feero, The Death of Washington; Elsa Lundell, Washington, D.C., and Helen Pusich, The Washington Monument. The Girls' Glee Club sang the "Washington Song" which was followed by an address on Washington by L. W. Kilburn. The program was concluded by a song, "America the Beautiful."

CHRISTMAS HOLIDAYS

Because of extremely cold weather and shortage of water, school was suspended beginning December 18 until after the holidays. Though no Christmas program was held, as planned, most of the students in high school exchanged gifts. Douglas school remained closed until January 8 as conditions had not improved until then. On account of time lost, school will continue until May 25, instead of May 18, as originally scheduled.

GLEE CLUB

Fifteen girls under the direction of Miss Pimperton compose the Girls' Glee Club. This year the Glee Club has taken part in the February P.-T. A. program; the Mother's Day and Washington programs. The operetta, "Radio Maid," was given in the school auditorium, November 27 and 28. Some of the songs sung this year are "Just a Cottage For Two," "Back on the Farm," "Home," "Our Little June," and "Moonlight Lou."

Miss Pimperton gave the Girls' and Boys' Glee Clubs a treat after the first performance of the operetta, "Radio Maid." The refreshments consisted of cake and cocoa, served in the Home Ec room. Boys' Glee Club has ten members. At practices the boys sing such well known songs as "Good Night, Little Girl of My Dreams," "I'll Be Faithful," "Home on the Range," and many others. The Boys' Chorus entertained at several social events during the year.

The woodwork in the high school auditorium has been painted tan. The two partitions in the auditorium have been remodeled. This work was made possible by C. W. A. workers, the City Council, Women's Club and the P.-T. A. The work was supervised by Aaron E. Johnson, Clerk of the Board. Most of the work was accomplished during the Christmas holidays and on week-ends.

SCHOOL EXHIBIT

A school exhibit in the High School assembly room was held May 16. The material for this public display was contributed by both the Grade and High School, and was made up of work accomplished in the 1933-34 school year. The final P.-T. A. meeting for this term was held on the same night.

The theme is that the florist's window becomes all sold out and the choruses of Roses, Bees, Daffodils, Columbines, Pansies and Violets take their places. The Green Bugs and Mustard flowers are chased out by the others. There are no leading parts but almost all the Grade children participate. Miss Pimperton is directing the music with the other teachers helping coach the children in their own rooms.

Bridge

.

*R*ESIDENTS of both Douglas and Juneau have worked long and hard for a bridge spanning the Channel between the two towns. The sum of \$250,000 has been appropriated for the construction of this bridge which will connect Tenth Street in Juneau with Cowee Creek in Douglas. The Douglas Chamber of Commerce has made the Bridge the major goal of their activities for the past year and deserves commendation for their share in bringing the construction to realization. By this time in 1935 we anticipate seeing vehicles and pedestrians freely traveling from one town to the other.

Front Row: Albert Savikko, Ben Shitanda, Patricia Hussey, Margaret Jackson, Amelia Severson, Roy DeRoux, George Stragier.

MISS PIMPERTON, Teacher

With the opening of school in September, Seventh and Eighth grades had an enrollment of sixteen pupils, eight in each grade. Now there are only six in the Eighth Grade as Pat Hussey and Amelia Sivertsen moved to Juneau.

Spelling contests were held; both grades won once and then each entertained the other with a party. For the exhibit, the Civics class made their own ideas of "ideal cities." Seventh graders made several maps—rather beautiful creations.

Helen Edwards and Albert Savikko were the only pupils who have been neither absent nor tardy this year. In American History, the eighth grade made a cross-word puzzle for a review project, using only historical terms.

FIFTH AND SIXTH GRADES

Back Row: Lewis Shafer, Stanley Hughes, Vern Hussey, Mrs. Cashen, Willie Andrean-off, Paul Kench, Mabel Wilson, Daniel Gross, Russel Kupoff, Peter Guerrero.

Middle Row—John Doogan, Gordon Wahto, Ethel Loken, Virginia Langseth, Grace Pusich, Betty Jean Keith, Francis Doogan, Billy Peero.

Front Row: Kenneth Loken, Daniel Krsul, Glenn Kronquist, Walter Fitzgibbons.

MRS. EDLA CASHEN, Teacher

Enrollment in September of the Fifth and Sixth Grades, combined, was twenty-one pupils. However, Betty Jean Keith and Vernon Hussey transferred to Juneau in the early part of the term. We have participated in spelling contests. The sixth graders won the first; the Fifth Graders the second.

Students doing commendable work, about a "B" average or more are Ethel Loken and Grace Pusich, Sixth Grade; and Billy Peero, Fifth. Students of both the grades were in the March P.-T. A. program. They presented a burlesque entitled "The Light Went Out." New library books brought happiness to many of the pupils.

Mary Hartl, a girl from Pittsburgh, has joined our ranks in the Sixth Grade. Friday, March 30, the Sixth grade was host to the Fifth Grade at an Easter party. Next year we all hope to be members of a higher grade.

THIRD AND FOURTH GRADES

Back Row: Bessie Andreanoff, Helena Gross, Dayton Fleek, George Guerrero, Carmen Waldahl, Miss Thoma, Arlene Rice, Suzie Mareno, Harold DeRoux, David Smoot, Borghild Havdahl.

Middle Row: Jimmy Krim, Herry Cashen, Frank Cashen, Annabelle Edwards, Dorothy Keith, Beatrice Keith, Dorothy Langseth, Glenward Kirkham, Billy Spain.

Front Row: Marian Hussey, Frank Krsul, Elmer Savikko, Kenneth Shudshift, Doris Cahill.

MISS THOMA, Teacher

Four pupils of the third grade departed from our ranks this year to attend other schools; Doris Cahill, for California; Dorothy and Beatrice Keith and Marian Hussey to Juneau. Two sand table projects have been worked out, "Santa Claus in Douglas" and a "Lumbering Camp Scene." During Christmas, several huge Christmas candles were molded by the pupils. They were fashioned after the method used in the colonial days.

Both grades received Certificates of Awards by the Juneau Exhibit Committee for their doll house and puppet show. These awards were framed by the P.-T. A. Parties were enjoyed on Hallowe'en, Thanksgiving and Valentine Day. During Christmas vacation the children were treated to candy and a free show. For the P.-T. A. number in December we presented a two act play "The Golden Goose," with a large cast and clever costuming.

FIRST AND SECOND GRADES

Back Row: Douglas Gross, Obert Havdahl, Melvin Shudshift, Solveig Havdahl, Frank Thomas, Clayton Fleek, Billy Krim.
Front Row: Robert Savikko, Evelyn Spain, Ray Seril, Doris Balog, Rudy Krsul, Florence Krsul, Mickey Pusich, Alfreda Fleek.

MISS FRASER, Teacher

Enrollment of pupils in the primary grades totaled sixteen; twelve beginners and four second graders. Those who have done outstanding scholastic work are Solveig Havdahl, Rudy Krsul, Evelyn Spain, Obert Havdahl and Melvin Shudshift.

In industrial art the girls made aprons of unbleached muslin which they sewed by hand. They wore these in the drill, "Little Cooks Are We," which they presented at the April P.-T. A. The boys also took part in this program, singing, "Oh, Where Has My Little Dog Gone?" The boys have made moccasins of burlap and doll furniture out of match boxes. At Christmas time we molded candleholders from clay and painted them in bright colors.

This year we made four sand table projects; an Eskimo scene, a Dutch scene, a Pilgrim scene, and an Easter Bunny with the Bear Family. In connection with these projects, we made booklets about the Pilgrims, Eskimo Life, and an Indian Family. We were the "Pansies and Violets" in the grade school operetta, "In a Florist's Window." Pupils with a perfect attendance record are Billy Krim, Mickey Pusich, Robert Savikko, Melvin Shudshift (all first graders).

The Last Frontier

FEATURES

FEATURES

SENIOR POEM

Nine seniors, lively and strong,
Who have studied hard and long.
Absorbing knowledge throughout the years.
To face the world they have no fears.
Here the path is at an end
With graduation around the bend.
Full of pep and crave no more—
Here's the class of '34.

Helen, who is tall,
Is known for her ability at Basketball.
There is Jennie in our class
A quiet and a smiling lass.

Elsa with her golden hair
To all our eyes is very fair;
Then there is Lloyd, our shortest one,
The girls they keep him on the run.

Wilma studies all the day
And has very little time for play;
Here is Archie with his mournful looks,
He knows more than they put in books.

Astrid is gentle, good and true,
A friend to me, a friend to you.
Next Roy with his flashy ties,
Has personality twice his size.

Here's a guy we almost missed,
So Arvo is at the bottom of the list.
A good bunch and mighty fine,
Very clever are these nine.

ARVO WAHTO '34

SUNSET

The sun is slowly sinking
And its mellow golden light
Will soon dip below the horizon
And away from our sight.

What does it do then?
After shining throughout the day,
When it's night in the mountains
And shadows are at play.

Does it go to some distant lands
Away across the deep,
Cast its light over golden sands
Awakening people from their sleep?

Or does it go behind the mountain
And shut off its light,
To rise in the morning
And frighten away the night?

Where it goes we do not care,
So that it rises in the morn
And awakens us with its radiant flare,
As a new day is born.

The car didn't chug for a whi.

STRANGE—BUT TRUE

A young subaltern (in India) got himself killed by a tiger, and his parents in England wired to the Colonel of his regiment. "Please send poor James home to us all expenses paid." After many months, after an unreasonable length of time, a gigantic coffin arrived, on opening which they were horrified to discover a dead tiger. They wired to India: "Some mistake here tiger in coffin not James." The Colonel replied: "No mistake whatever tiger in coffin James in tiger."

JOKES

SIMPLE

Betty: "How do you find yourself these cold mornings?"

Jennie S.: "I just throw back the covers and there I am."

A FAST ONE

Albert: "You look sweet enough to eat."

Madelene: "I do eat. Where shall we go?"

Judge (in traffic court): "I'll let you off with a fine this time but another day I'll send you to jail."

Driver: "Sort of weather forecast, eh, Judge?"

Judge: "What do you mean?"
Driver: "Fine today—cooler tomorrow!"

HOW FUNNY!

Salesman: "These shirts simply laugh at the laundry."

Arthur: "I know. Some of mine came back with their sides split."

IGNORANCE IS BLISS

Alice: "Do you like the four Mills brothers?"

Mary P.: "Oh, I love them. Especially the red-headed one who plays the harp."

A LONG LINE

If all students who slept in class were placed end to end they would be much more comfortable.

WISE GUY

Olavi: "Loan me a dollar, will you?"

Gordon: "Sorry, but I only have 75c."

Olavi: "Well, give me that; I'll trust you for the other quarter."

A FAST ONE

Miss Pepoon: "Give me an example of period furniture."

Esther: "The electric chair—it ends the sentence."

CAVEMEN

Arvo: "Are you in favor of clubs for women?"

Lloyd: "Sure thing, that is, if you can't handle them with your bare hands."

A TIMELY HINT

Archie (at 11 p.m.): "Did you know I could imitate any bird you named?"

Elsa: "No I didn't; can you imitate a homing pigeon?"

NOT FOOTBALL

Waiter: "Were you kicking about the flies in here?"

Roy: "Oh, no, I was knocking them about with my hand."

WOODEN

Archie: "Do you know how far apart your ears are?"

Lloyd: "No, how far?"

Archie: "A block."

DOUGLAS

The CITY OF DOUGLAS presents excellent advantages to the homeseeker:

With a population of six hundred, one hundred seventeen families own their own homes.

For one hundred ninety children under twenty years of age, excellent school facilities are maintained and an accredited High School with a creditable, annual, graduating class.

Douglas is a safe playground for children and the fact that no physician is maintained within its borders, testifies to the healthy environments of the community.

Adjacent to Juneau, the Capital of Alaska, Douglas presents the ideal location for the home builder with available building sites at nominal cost.

Fishing, hunting, trapping and mining are the chief resources in Alaska. From 1867 to 1918 the value of the products of Alaska was \$847,719,408. The fish oil alone produced in that period paid the whole purchase price. The products of one year will pay for the purchase price twelve times over.

Black and brown bear, deer, goats, moose and other animals roam plentifully in Southeastern Alaska to the sportsman's delight. Various types of fish are also caught in her waters. Treadwell, located on Douglas Island, formerly among the greatest ore producers in the world, had fabulous amounts of gold mined from there.
