Dedication

LEFT TO RIGHT— John Hagmeier, Sterling Sears, Matt Gormley, Walter Fields, Mrs. Livie, Paul Palmer, Val Poor, Hunt Gruening.

It is with great pride and thankfulness that we, the Totem Staff of 1958, dedicate this annual to all the past and present school boards, who have so unselfishly given of their time and efforts to make our "Dream High School" possible. We also dedicate this annual to the community, for without their understanding and cooperation, this new high school would be "just a dream."

All the endless hours of planning, which were given to promote the new Education Program in Juneau, have resulted in this new school of which we are very proud.

For all these countless efforts, we the students of J-Hi wish to express our sincere thanks to all of you.

Foreword

To the faculty and students of J-Hi who will look through this book of memories, unforgettable characters and moments, we the staff of the '58 Totem present this year's annual with the last echo of old J-Hi.

For the '58 Seniors, it is the remembrance of being the last Senior class in the OLD school, and the first in the NEW one.

Yes, we are always on the move. So it was for all of J-Hi second semester when we left the good OLD J-Hi halls and moved to our NEW spacious quarters on Glacier Avenue.

We hope that in your future years of moving and in transitions from OLD to NEW, that you will look back on your high school years with the help of this '58 annual.

JUNEAU-DOUGLAS INDEPENDENT SCHOOL DISTRICT

Office of the Superintendent

1250 Glacier Avenue

Juneau, Alaska

TO THE STUDENTS of JUNEAU HIGH SCHOOL

You, the students of Juneau High School, have this year moved from an old building to one which is new and modern. You have moved from one where your numbers alone made for congestion, noise and confusion to one with more than adequate room for all, where disturbance and distractions are reduced to a minimum. In this new building with its substantial increase of desirable learning equipment and release from studying under many difficult conditions and trying situations, you undoubtedly have already felt an awareness of a new academic atmosphere in which you may more easily grasp and retain new ideas.

Ideas are the substance of our lives and the meat from which progress is created. Scientific advance germinates with ideas. A great painting is appreciated best by one who has developed ideas of Art. Ideas do not come without work and effort. The great composer does not set to work because he is inspired, but becomes inspired because he is working. The "Greats" didn't waste time waiting for inspiration. They settled down day after day to the job in hand.

Your new building is equipped with many push buttons which when pushed will do certain mechanical jobs for you. There are none to push which will do your "learning" for you, and while it may be true that what you don't know may not hurt you, it may also make you act "pretty stupid." Knowledge and ideas do not come because of a new building, but only through your own work and effort.

Sincerely,
Sterling S. Sears

Sr. Class History

The illustrious class of '58 has not been together for all four of their high school years. Consolidation of the Juneau and Douglas schools did not occur until 1955, so until then there were two high schools, one in Douglas and one in Juneau. The initiation of the twelve Douglas Freshmen into their high school days was a memorable one! It lasted only a half day, but that was long enough. That night to prove their sportsmanship, they gave a Freshmen Frolic party. These twelve elected Della Cuthbert, President; Dave Gray, Vice President; Nince Milot, Secretary. Their advisor was DeWiley Holeman. All the Freshman boys were on the basketball team. Joe Poor was on the first five. The student body elected Della Cuthbert and Jeri Novak as cheerleaders.

Meanwhile, the Freshman Class of J-Hi was also being introduced to the beginning of their exciting high school years. Their initiation lasted all day, and the Sophomores held a dance for them that night. Four very capable officers were elected by the Freshmen: Stu Whitehead, President; Janet Greeley, Vice President; Janie Hollenbach, Secretary; Ann Ghiglione, Treasurer. Mr. Eide was advisor.

In 1956 the two Sophomore classes joined forces. They elected David Gray, President; Chris Hudert, Vice President; Dottie Hixson, Secretary; Jeri Novak, Treasurer. Their advisor, Mr. Moore, guided them through another fun packed year. To swell the treasury, pom poms were sold. Joe Poor and Stu Whitehead were on the Varsity basketball team. Chris Hudert was cheerleader.

The Junior year was really tops. David Gray, Andy Pekovich, and Don Nowacki were added to the varsity team. Janie Hollenbach, Chris Hudert, and Judy Pym cheered the Crimson Bears to victory as they became Southeast Alaska Champs. Juniors on the ski team, which traveled to Anchorage, were: Nicky Card, Judy Pym, Mary Shields, and Dave Lindstrom. Ass. Totem Editor was Dottie Hixson; Ass't. J-Bird Editor, Anne Grisham; Ass't. Business Manager, Mary Shields. These girls headed Publications in their Senior year. David Gray was ASB Vice President. Track Manager was George Sundborg. One of the distinctions of being upperclassmen was fulfilled in a hectic but successful Hot Dog Sale. Also, shiny class rings were distributed to some very proud wearers! The Junior Prom, one of the super events of the year, was very nicely carried out with the theme of Dreamland. Scott Wingfield led the Juniors as President; Don Nowacki, Vice President; Yogie Bost, Secretary; Martha Cole, Treasurer. Mr. Darnell was class advisor.

To begin an active last year, Frank Baxter was chosen Senior Class President; Andy Pekovich, Vice-President; Mary Tanaka, Secretary; Dixie Johnson, Treasurer. David Gray was elected ASB President and Martha Cole Secretary-Treasurer. Much to the pleasure of the Seniors, Mr. Darnell was again advisor. New members of the A squad were: Frank Palmer and Tom Grant. Stu Whitehead was captain of the team and Sandy Sturrock was the manager. Song queens were Jeri Novak and Karen Lynch. Leaders of the various organizations were: Pep Club, Marsha Erwin; Rifle Club, Jim Boddy; Girls' Club, Janie Hollenbach; Ski Club, Judy Pym; GAA, Yogie Bost; Majorettes, Karen Lynch. Climaxing four years filled with memories, the Class of '58 held their Senior Sneak, and then . . . GRADUATION!!

"Just heavenly" is a perfect description of the Class of '58's Senior Ball held on the evening of December 20.

J-Hiers and alumni danced in a celestial paradise created by the Seniors to carry out their theme of "The Littlest Angel."

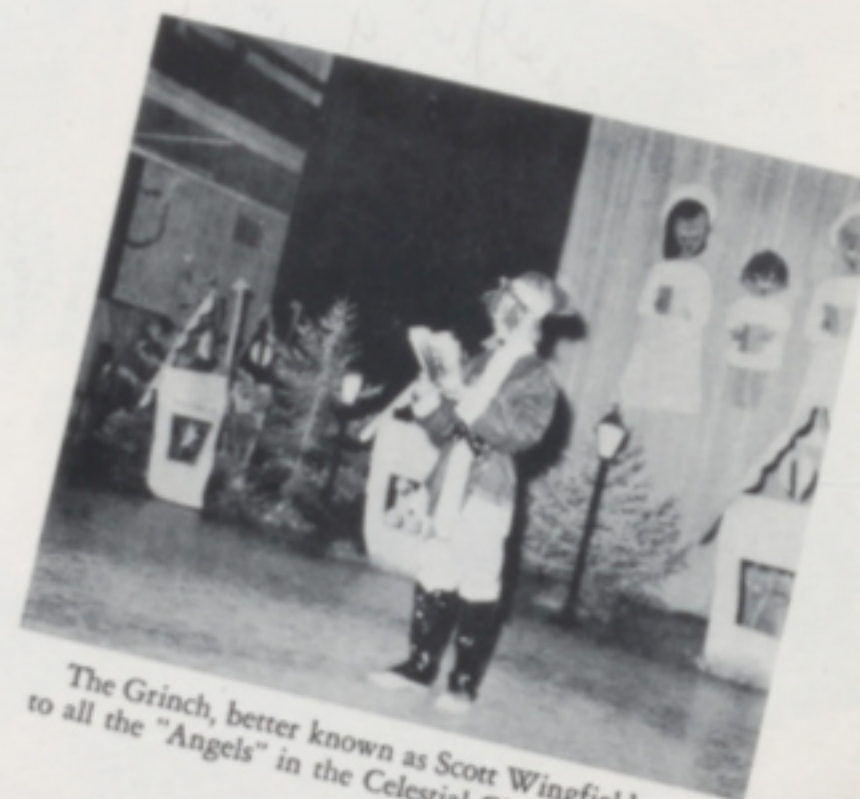

The gym was transformed into "a little bit of Heaven," with ethereal clouds, a village equipped with street lamps and a Halo Maker's shop, and pastel Christmas trees. Table's'chairmen Anne Grisham and Janie Hollenbach wrapped their tables as giant Christmas packages.

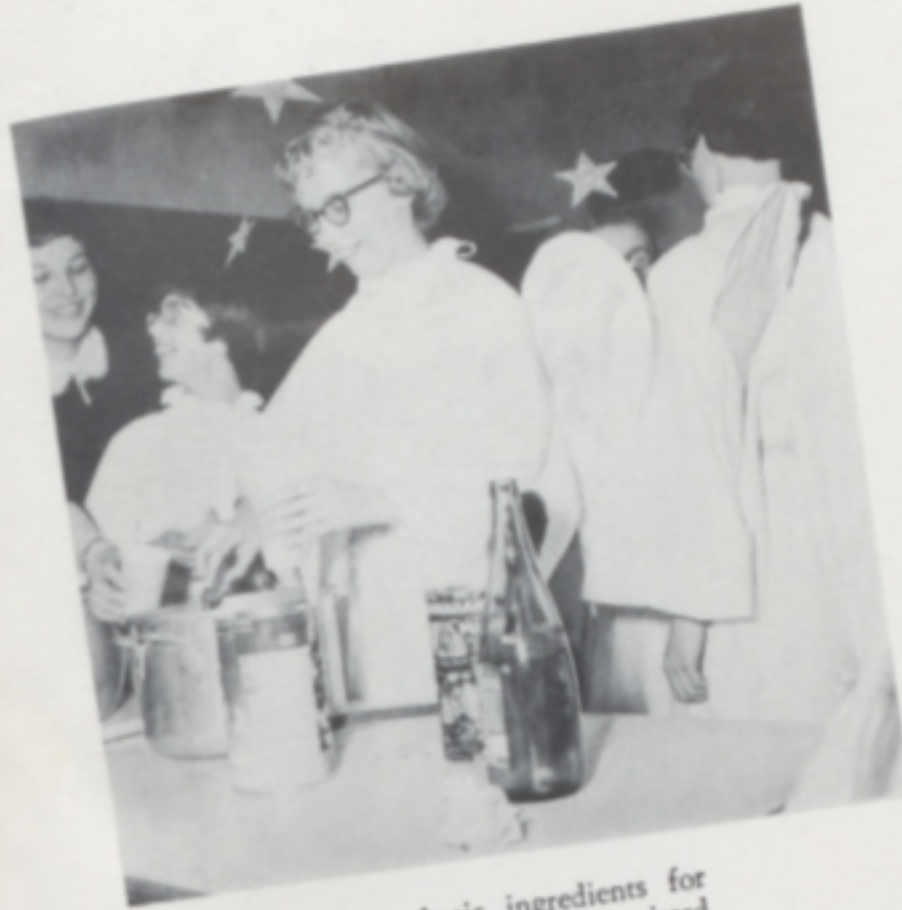

Dynamic Senior Class advisor, Mr. Darnell, accepts a small token of appreciation from class president, Frank Baxter.

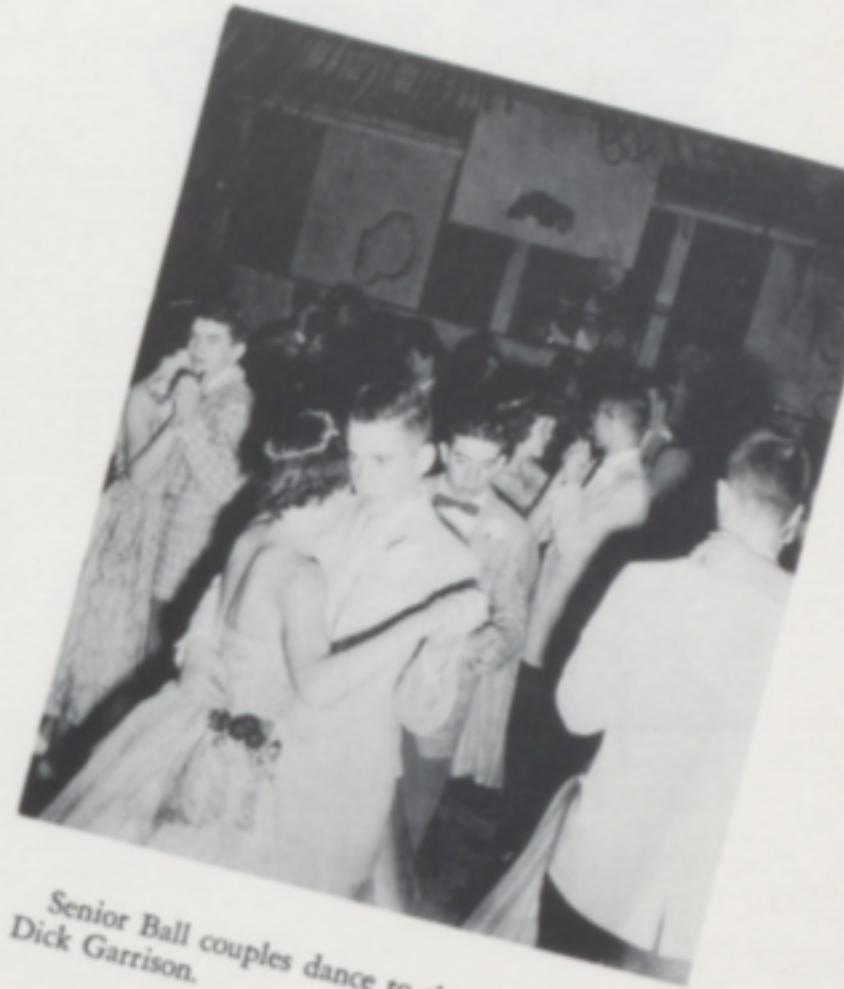

"How Do You Speak To An Angel," sings Anne Grisham.

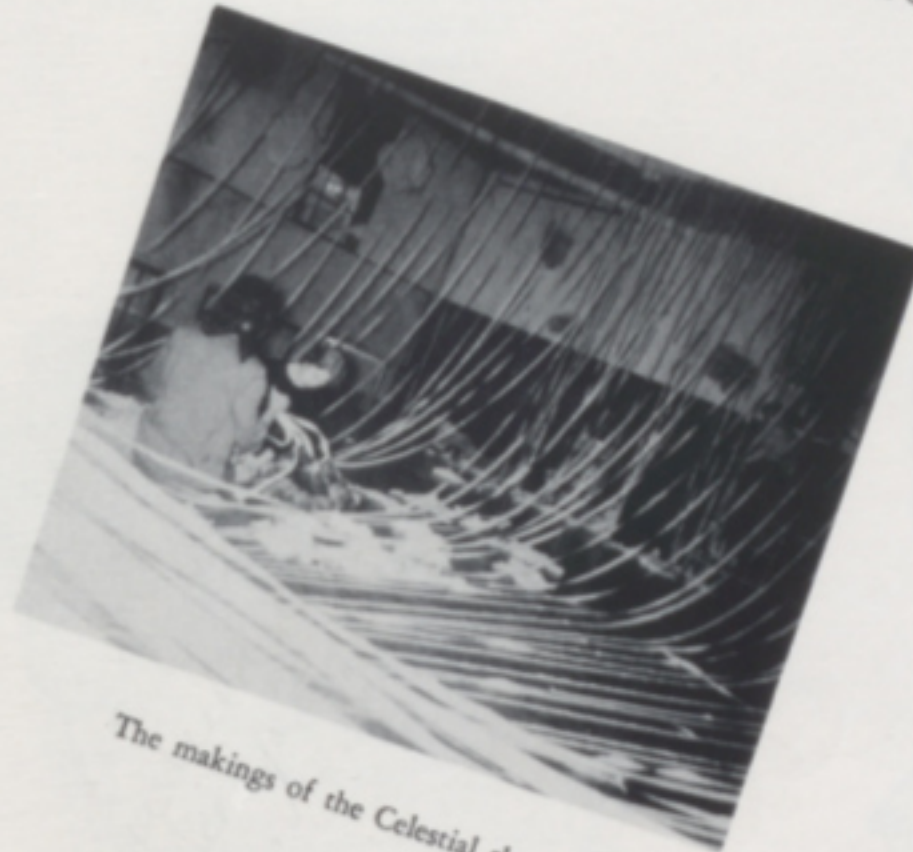

The Grinch, better known as Scott Wingfield, reads to all the "Angels" in the Celestial City!

This year the Student Council was confronted with many new problems and decisions because of the transition into the new high school. A successful Cleanup Day on the old grounds was sponsored before the move.

For the first time, the Council had official letterhead stationery to be used by the secretary for interscholastic correspondence.

After spending many hours in learning debate procedure and having trial debates, the team prepared for their trip to Ketchikan. This year, instead of having only a Debate Tournament, a speech festival was added. It included monologues and dramatic skits. All of this was accomplished under the supervision of Mrs. Zumwalt, advisor; Jane DeArmond, President; Rosemary Sundborg, Vice-president; and LeAna Osterman, Secretary-treasurer.

Vim, vigor, and vitality well describe the Girls' Club Officers. Left to right: M. Tanaka, Treasurer; M. Cashen, V. President; J. Hollenbach, President; J. Burrus, Secretary.

The Girls' Club was off to a good start this year with the Freshmen girls being treated to a delicious turkey dinner at the annual Big and Little Sister Banquet held on November 7. The theme, "Getting to Know You", was carried out through the evening, and was very appropriate for the occasion.

Christmas just wouldn't be Christmas around J-Hi without the girl's Christmas tree on the second floor. As beautiful as ever, it stood for the last time in the old J-Hi halls.

The piggy-bank of the Girls' Club was reimbursed by candy and pop sales during the year.

J-Hi's Girls' Club held their annual girl-ask-boy dance with the theme of the "Roaring Twenties" making costumes a must! Flapper outfits, rolled down nylons for the gals, suspenders and straw hats for the guys—this year's Tolo gave J-Hi's fun-loving fanatics a chance to "let themselves go"—back about 35 years, that is!

Versions of the "Black Bottom," "Flea Hop," "Charleston," and the modern jitterbug made for a most colorful and interesting evening.

Just like the "Twenties, well, almost! !

J-High's busy Business staff bustled through another eventful year, with Business Manager, Mary Shields, her assistant, Judy Dafoe, and Mr. Jeffrey, Advisor, devoting a lot of time and effort to the \$\$\$ side of the TOTEM and J-BIRD.

FIRST ROW: C. Pearson, J. Hollenbach, F. Baxter, Mr. Jeffrey, J. Burrus, M. Cashen, K. Kennedy. SECOND ROW: L. Willis, Y. Bost, S. McPhetres, J. Dafoe, M. Shields, L. Matthews, M. Cole, J. Gloege.

Climaxing the 1957-58 year of TOTEM sales, M. Erwin, last year's queen, crowned BETTY COLE as queen of this year's annual. Other TOTEM princesses were: K. Kennedy, J. Gloege, J. Burrus, and M. Cashen. As you can see, it was hard to choose which one to buy from. The Juniors really selected a swell group of girls!

Totem Queen Pub Hop

Draw podner!

"Bang! !I got ya!" "I can't find my dolly!" "That's my sucker!" were a few of the childish conversations overheard at the Pub Hop, which all the kiddies of J-Hi attended on October 11. In knee pants, jeans, and dainty little dresses, the kiddies enjoyed sliding down a red and green slide (compliments of Governor Stepovich). It was conveniently placed by the gym door. Drawing on the paper covered walls brought out the artistic ability of J-Hi. While eating cookies and drinking milk, which were served from wagons and doll buggies, everyone enjoyed the story about the "Mean Old Bunny Rabbit," told by Yogie Bost and Janie Hollenbach. Jackie Honeywell did a good job in bringing out the laughter in the crowd with a dramatization of "The Peach." All the kiddies will agree that the 1957 Pub Hop was the greatest yet.

The sound of the band no longer echoes through the halls of old J-Hi. However, it can be found in the new multicolored, soundproof bandroom. Under the direction of Mr. Gunison, the band performed in the annual Christmas concert and in April had as their guest, Raphael Mendez. The pep band, German band, and a dance band added variety to numerous programs.

Majorettes and teddy bears? Yup, something quite different was added to their second routine. Led by Karen Lynch, the girls carried the teddy bears, representing the Crimson Bears, when they formed a V for victory! Tricky steps, complicated routines, and some "jazzy" music on the part of sponsor, Mr. Gunison and his band, climaxed another majorette season.

Wearing the S. E. Championship crown, Coach Ordway's Crimson Bears, with six returning lettermen, set out to defend the title against all comers.

With an average height of 6 ft., and a fast, hard-running team and playing most of their games on home ground, they made up a hard-to-beat combination when tournament time rolled around at Edgecombe in the spring. The "Bears" not only had the ability, they had the will and the drive to win. This team, certainly one of the best in J-Hi's history, had a fine season.

BOARD OF DIRECTORS

Deep snow and slush made this year's ski season rather intermittent, but, under the able leadership of Judy Pym, club president, and Peter Bibb, advisor, the J-Hi skiers had lots of skiing and racing practice.

An intramural program was set up by the Board of Directors, making instruction and racing possible for everyone. Another new item was the addition of the Junior Ski Patrol. Mr. Darnell and his group of skiers kept the tow running, guarded the hill, and helped with emergencies.

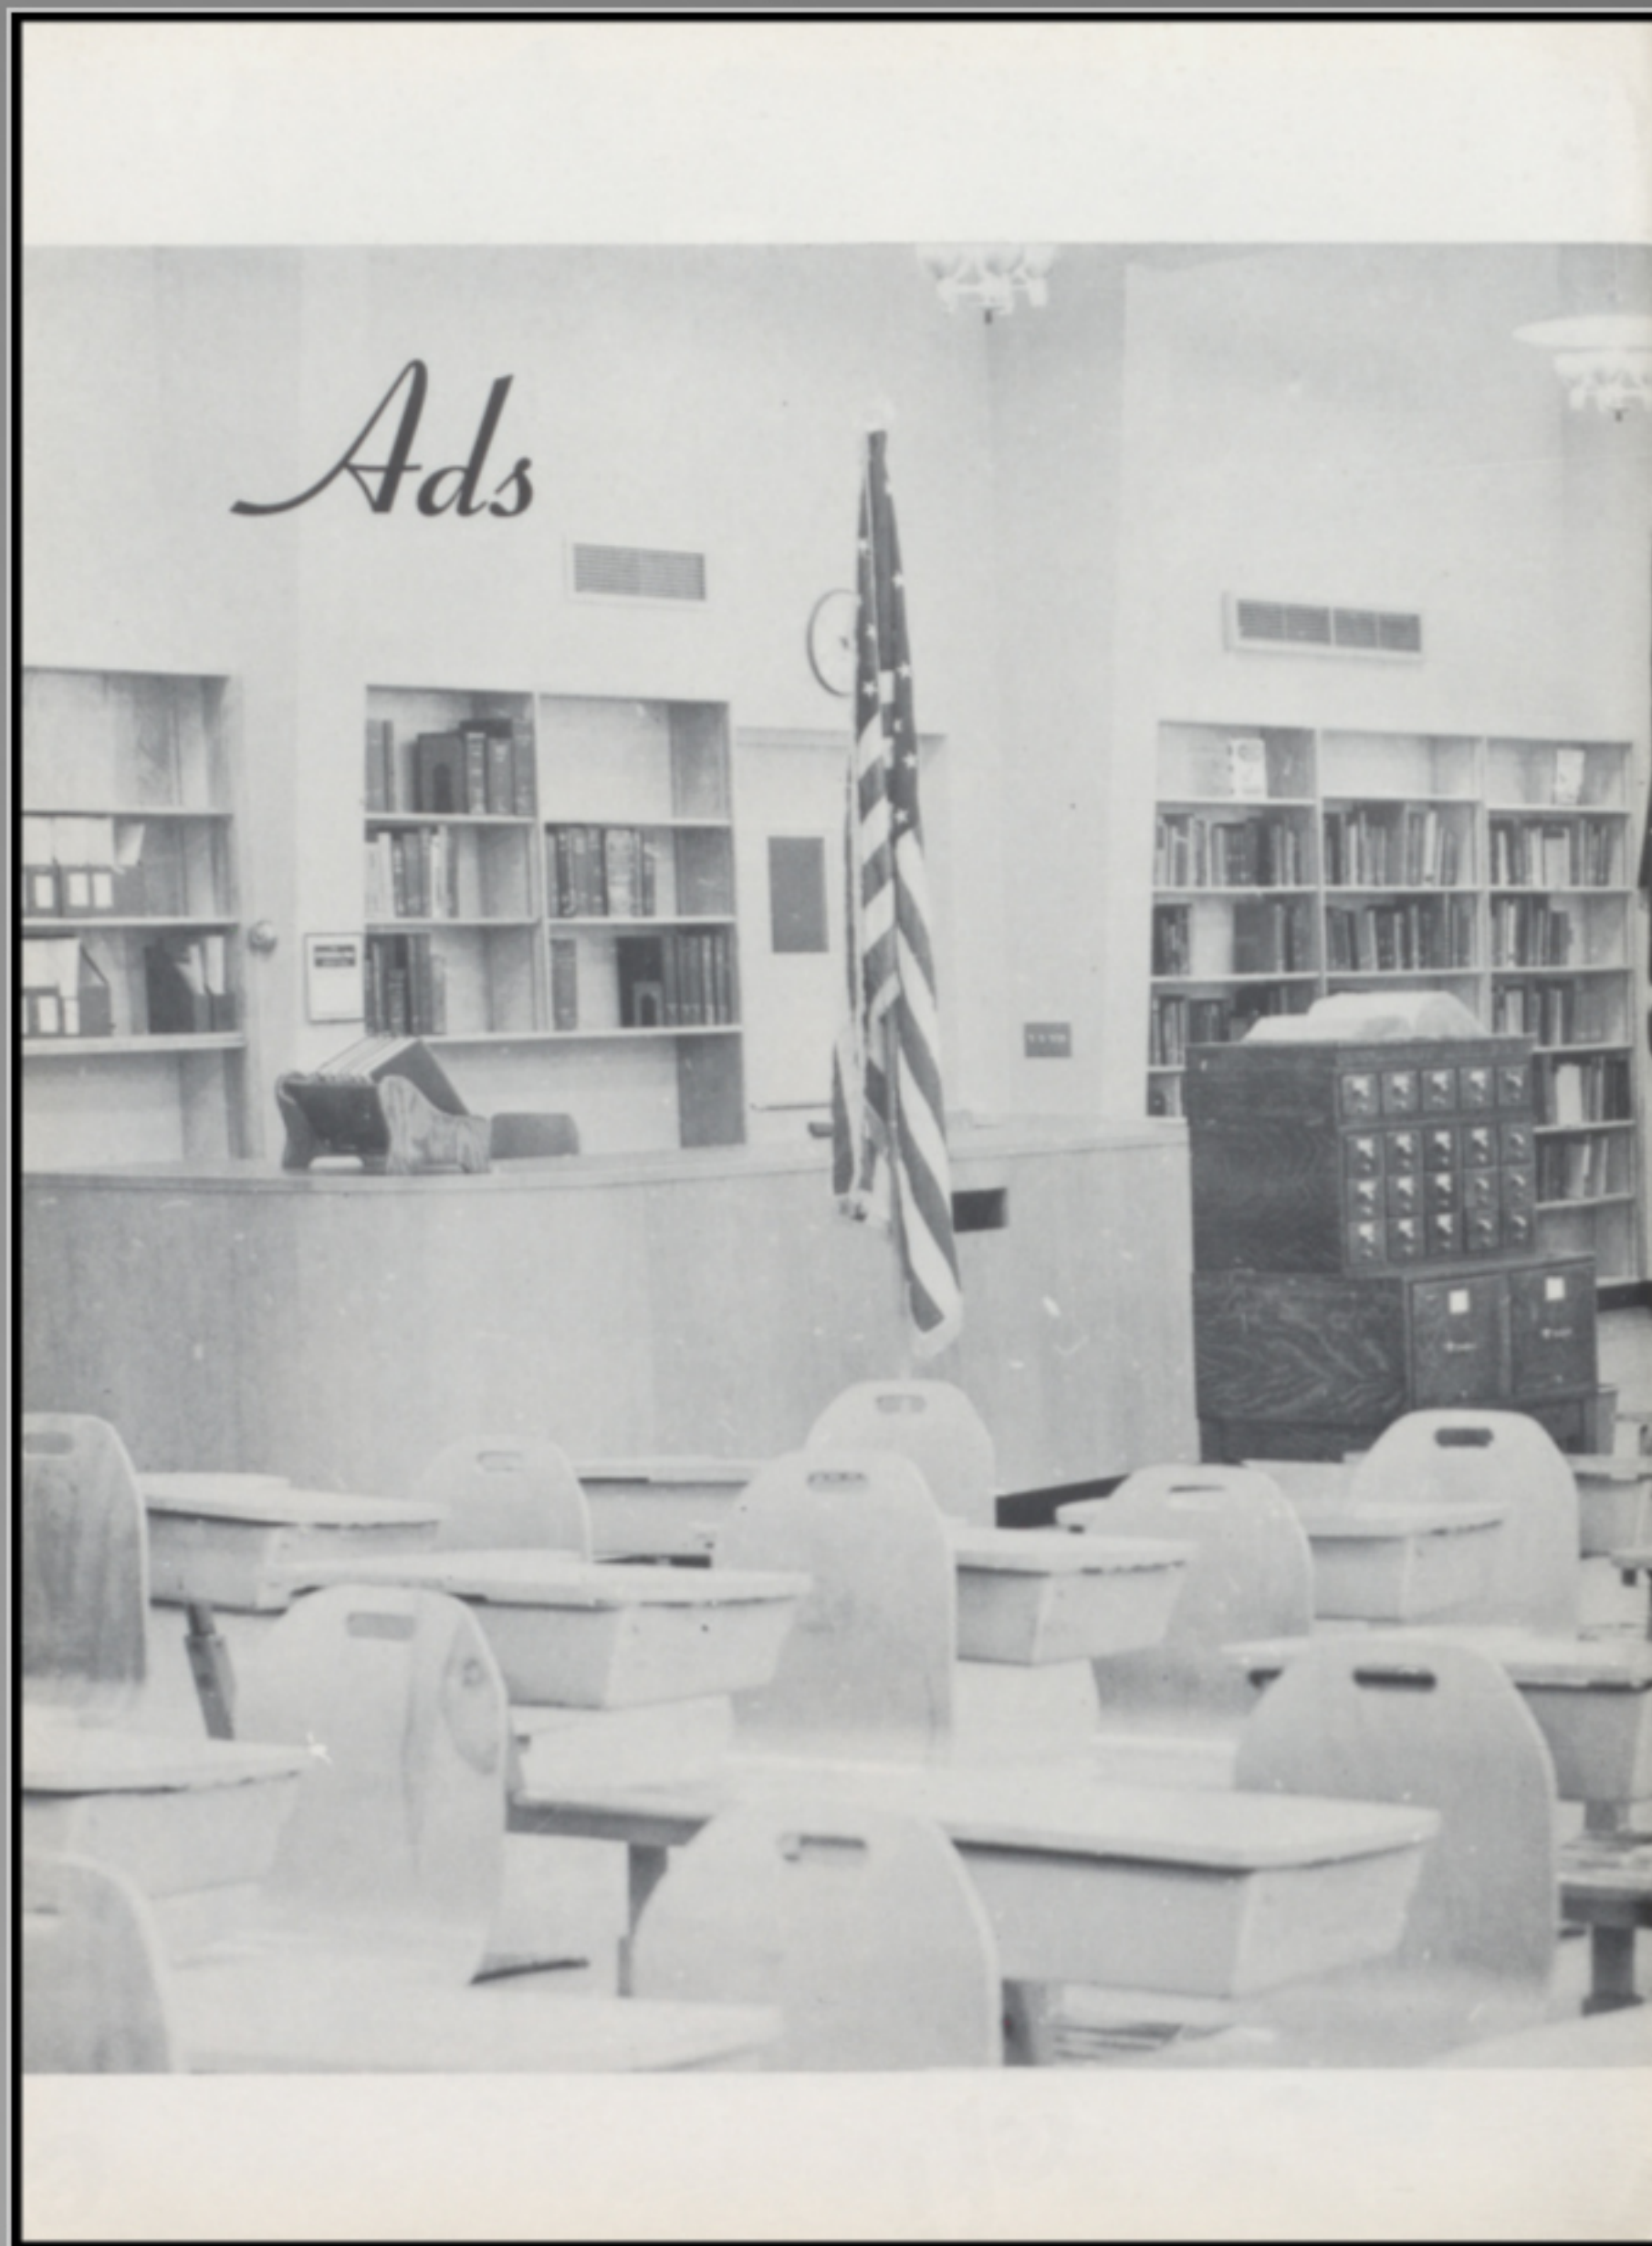

The warming hut, nearing completion, proved the big undertaking of the year. It provided extra warmth and a good view of the slopes for weary skiers.

All in all, the Ridge Runners are still enthusiastic skiers and their happy greeting is "Ski Heil."

Dear Nancy
I hope you will mine if I write a long, long, long letter of my life history of the past and the future. Past, I am a gal from Honolulu, that's if you remember. I was born & raised there. I sure miss it very much. I don't know what I will go back some day. But not to stay because when I was back here before I always got into trouble with the kids. And don't like it to happen again. That's one reason why I'm up here for good. After I was here I thought that I'd like it but I didn't. I enjoyed it because I got out of trouble from everyone. In Honolulu I could never stay at home at all. Everytime I was out. And when I was out I never know when to come home. That's what got me into bad trouble. My mother & father sure were a bad gal. My mother & father did not. This summer I'm going state side & boy am ready going to have fun. No matter what my sister or brother say. Well I guess that's all I have to say for now. Best of luck in the future & summer. Unless? The gal you know.
Don't be a bad gal like me.
