SENIOR DAYS

by: karen feero

shelly swanke

Although not allowed in the halls of JDHS until we were sophomores we entered grand and glorious and 340 strong. We were properly put in our place with our initiation assembly where you might say we sort of lost our shoes. We were reminded of our place as underclassmen when we were presented with our official toilet seat from the Seniors. Our President Marilyn Thibodeau was on hand to accept it. Other officers that year included Dick Gobble-Vice-President, Marlyn Twitchell-Secretary-Treasurer, Darwin Walters and Doug Peel as Representatives. The highlight of the year was hosting the S.E. Basketball Tournament at which our Basketball team placed fourth, Drill Team placed second, and the Varsity Cheerleaders placed first. All in all it was a very exciting year. Our fund raising project for the year was the slave auction.

Our Junior year was a busy one, no longer were we the low people on the totem pole but safe and secure in the middle. We managed to get Mac away from the Seniors (much to their grief and returned him to the school for the first basketball assembly). Although we didn't manage to do extremely well during Spirit Week, we did win the Spirit Banner five consecutive times, which was more times than any other class. We also were the proud hosts of S.E. Wrestling Tournament and S.E. Swim Meet. Our spirits were still high as we approached the musical, "The Music Man". It was a huge success. We ended our year with a sigh at our own magical, mystical Junior Prom, "Could it Be Magic". Our officers being as busy as the rest were, President Lori Larson, Vice-President Clyde Andrews, Secretary-Treasurer Debbie Reliwand, Representatives Mike Zagars and Mike Schmitz.

In our final year at J-D we entered with the same enthusiasm as we had as sophomores. Our class now numbers only 250 but very strong and united. Our class officers brought back many of our old traditions such as the bonfire and Snake Dance through much hard work. Our officers included President Doug Peel, Vice-President Dick Cameron, Secretary-Treasurer Valerie Westcott, plus Representatives Richard Whitehead and Mark Smith. Once again we managed to be the proud bearers of Mac before the first pep assembly. During our Senior year we were the proud hosts of the S.E. Musical Festival, the State Basketball Tournament and successful Senior Class Play. We finally come to the end of our last year. We leave both with joy and sorrow, but we leave.

BEV CROWNED TOTEM QUEEN

This year's Pub Hop took place on the night of September 17. The theme was a barn dance, and everyone attending was decked out in their best hoe-down clothes. The music was provided by Bandersnatch who kept everyone boogieing all night long.

This year the Totem Princesses were Bev Barger, Cathy Baxter, Lisa Gowdy, Mindy Merritt, and Lori Nottingham. The highlight of the evening for the crowd and the princesses was the crowning of the 1976-77 Totem Queen, Bev Barger.

All the girls are surprised as the 1976-77 Totem Queen Bev Barger is announced.

One of last year's princesses, Leslie Burns, enjoys the dance.

STUDENT AIDES

Student Aides are an important part of the educational system of Juneau-Douglas High School. They provide services and receive credit for their work. They answer phones, file, deliver messages, and pick up attendance. They help students in math and science, P.E., and swimming. All in all, Student Aides perform a variety of tasks.

VARSITY CHEERLEADERS

The Varsity Cheerleaders provided our school with plenty of pep and spirit at the games and pep assemblies. They traveled with the basketball team, and cheered at many sports events.

This year's squad consisted of two Seniors and three Juniors. Marianne Kelly and Shelly Swanke led the Class of '77. Completing the group were Susie Meketa, Mindy Merritt, and Lori Nottingham, from the Class of '78. The girls practiced and performed under the direction of Mrs. McHugh, advisor, and manager, Terri Robbins.

DRILL TEAM

The drill team performed a variety of marches this year. Among their diverse collection were a silent march, a dance with hats and canes, and a special Christmas march in the dark with pen lights. Because of limited funds the drill team sent only two girls to Santa Monica, California who observed but did not enter the National Drill Team Competition.

J-BIRD, THE ONE AND ONLY

This year the J-Bird Class was under the direction of Editor Ron Flint, Co-Editor Treacy Withers, and Advisor Ken Koelsch. Second semester Blyth Hopkins stepped in as Co-Editor with Ron. The editors kept the class in line, and the advisor tried to keep the editors in line.

The J-Bird came out on an average of every three weeks. Sometimes, it was more or a very few times, less. No matter how much time, the J-Bird was still well-received by students, teachers, and alumni.

J-Bird relaxes after meeting another deadline.

SENIOR CLASS PRESENTS

This year instead of the traditional Senior Class Play, three one-act comedies were presented. They were: HAPPINESS IS, ANTIC SPRING, and GHOST OF A SHOW. They were directed by Earline V. Cook, with assistance from Student Director Sidni Wagenius, and Technical Director, Ken Koelsch.

The play was well received and the actors did a commendable job. The play ran three nights, Nov. 18, 19, and 20. This year's innovative idea may have started a new tradition for the Senior Class Play.

Cast of ANTIC SPRING: Tami Personett-Gwendolyn, Jeff Brooks-Sam, Melanie Millette-Ginger, Larry Kent-Robert, Dan Mayer-Elbert, Linnea Mahnke-Blossom.

HOMEcoming ROYALTY

Homecoming took place midst the blaze of bonfires, and the excitement of the Snake Dance. Students regained the privilege of the Bonfire and Snake Dance, and many made the most of it. This year, the Seniors had the biggest wood pile.

Homecoming was indeed an eventful weekend. Juneau beat Wrangell both Dec. 3 and Dec. 4. The most exciting event was the crowning of the Homecoming King and Queen. The royalty consisted of the five princesses; Linne Clarke, Leslie Burns, Paula Veasey, Terri Mungle, and Liza Diebels. The five princes were; Kirk Blumenshine, Mike Zagars, Mark O'Brien, Kris Nayadu, and Doug Peel. Homecoming Queen was Paula Veasey, and Kirk Blumenshine was King.

WE'VE GOT THE SPIRIT

Pep assemblies at J.D.H.S. are a big part of Student Life. Each class tries to outyell the other classes to win the Spirit Banner. They are led by the cheerleaders from their classes. The Pep Band plays some funky tunes which adds to the excitement. C.D.A.A. often puts on a skit to help boost the ever-present spirit. The pep assemblies are held for the various sports activities such as, boys' and girls' basketball, drill team, swim team, cross-country, girls' volleyball, track, skiing and wrestling. Students as well as faculty enjoy a good pep assembly.

SENIOR BALL '76!

OVER THE RAINBOW

This year the Senior Ball was a real success. The theme "Over the Rainbow" suited the mood of this special night. Dinner was served at the Latchstring and dancing took place in the Gold Room. The band, Mellow Yellow, started playing at 9:00 p.m. and the couples danced till 2:00 a.m. Everyone attending had a great time thanks to the dedication of the people planning it.

The J-D Bears had an encouraging track record for 1976. They won two out of three invitational meets and for the tenth consecutive year took the Southeast title at the championship meet held in Sitka. The Juneau-Douglas boys' cross country team was outstanding this year. With four wins behind them, including the Southeast championship, they traveled on to state and captured the second place trophy. This is the best performance by a J-D High cross country team in a state tournament. They really showed our J-D spirit.

Due to our lack of snow and the South's abundance, our skiers should be in Florida right now!! But since that isn't possible, they're making up for lost skiing practice by running in the halls.

They are a very dedicated group and deserve all of our support and enthusiasm. Their coach, Guy Thibodeau, should also be commended for his outstanding job as coach.

Hey what's happening, what'cha going to do? Come on Chris, we're with you.

The Crimson Bears started out the season by beating Skagway in a two-game series. They later went on to play other Southeast teams and remained undefeated. On December 27, 28, and 29, they went to Ketchikan to participate in the 2nd annual Christmas Tournament. They took first place over Ketchikan, Don Nowlin making the winning basket. Other teams involved were Orting and Sehome (from Washington), West Valley, Lathrop, and Monroe (from Fairbanks), Prince Rupert and Ketchikan. Southeast Championship will be held in Ketchikan this year and the 1st and 2nd place teams will then participate in the State Tournament to be held in Juneau in March. The Crimson Bears are coached by Jim Hamey and George Houston (Assistant coach). Their manager is Rodney Whitehead.

It is a long way from home and at first I was not at all sure I would want to come to Alaska, but the beauty of the place and the people have changed my mind.

STUDENTS

Hello Friends,
I'm so happy that it finally snowed today. Juneau is even nicer when it's covered with snow. I'm already excited to go skiing. Beside there is nothing special going on. I still like the school, my host family and I understand us very good and in general the people are very friendly and open. Now it's almost naturally for me to speak English all the time and I have a hard time to live somewhere else than Juneau. Ursula Ulrich

Ursula Ulrich-Switzerland

Hello Freunde,
Ich bin so glücklich dass es heute endlich geschneit hat. Juneau ist mit Schnee bedeckt noch viel schöner als sonst. Ich freue mich jetzt schon aufs Skifahren. Ausser dem Schnee ist eigentlich nichts Besonderes geschehen. Die Schule gefällt mir immer noch, meine Gastfamilie und ich verstehen uns ausgezeichnet und allgemein finde ich die Leute sehr nett und offen. Für mich ist es nun fast selbstverständlich, dass ich fast immer englisch spreche und ebenso kann ich mir im Moment gar nicht vorstellen irgendwo anders als in Juneau zu wohnen. Gruss Ursula

There are many differences in the customs of my home country, Iceland, and the United States. I like some of the customs of the U.S. far better. Here more people attend church regularly. The schools offer a wide assortment of courses, as well as extra-curricular activities such as sports, clubs, and class projects. In my country most people eat more often during the day. The young people have more freedom. Going to college is very inexpensive since the government pays for the opportunity to go to college or technical school. Einar Gunnarson

Það er mikil ólíkt innan í mínu landi Íslandi, og Ameríku. Mér líkar sumt af þessari menni þó Ameríku mjög mikil. Her eru alltaf fólk sem fer í kirkju reglulega. Skólinn hér hefur mismunandi námsgreinar og bjóða, og einnig meina aukafélagstífa og stundfemi til dæmis íþrótt, kluppa og þleiva gælagslífa. Í mínu landi boðaðe í fest fólki fleira máltíðav yfir daginn. Ungu fólkið her er meira frjálst fana í mennbaskóla en ekki mjög djúpt af því að vísibjóðnin boðgað það, þakkað fyrir til að fana í mennbaskóla deaðnaskóla. Einar Gunnarson

EDUCATIONAL TELEVISION

E-TV is the class in the high school that manages and operates Crimson Bear Television, Broadcasting system over BC cable on channel eleven. In addition to showing educational programming during school hours for the district schools, CB-TV also provides live coverage of most if not all school and community events. The highlight of the season was the State Basketball Tournament held in Juneau March 3-4-5. ETV's other accomplishments include: a local news program, almost all other J-D high Sports, and even some junior high sports. Crimson Bear Television is an organization that to succeed must have students with all kinds of interests and ideas, it's not a fun class, but the work can be fun.

ACKNOWLEDGEMENTS

Dear Staff:

It's been a very long, long, SHORT year. Despite the missed deadlines, we got the book in two weeks early, much to our amazement! No matter how it turns out, we'll know it's great, especially after all the hours of tears and screaming, missed meals, and missed classes.

KAREN AND SHELLY - Sorry about the big disappointment; we cried too! You two were great! You guys were the only ones who met your first deadline, besides us of course.

CAROLYN AND CATHY - Now you know how it feels to be REALLY busy! We know your motive behind asking for sports; you thought you would get to travel with the team!

TERRI AND THERESE - If there was a lost negative or print, you can be sure it belonged to your section! Oh, well, that's entertainment!

DEBBIE AND SANDY - Surely if there had been a section on fashion, you would have enjoyed the class a lot more! Anyway, we had doughnuts enough to satisfy you!

LISA AND SANDY - What a year! You two hold a record for doing the most work in the least amount of time! A year's worth of Organizations in one quarter. How did you do it? (With a little help from your friends!)

MIKE AND MIKE - Here's to the two best ad men (once upon a time, there were two ad WOMEN who were the bestest!) in J-D Hi. We don't know what we'd have done without you!

TAMMY AND ROXY - You two started out slow, but finished with a bang. Thanks!

MARY AND SUE - The two who literally marched their way through deadlines! It is easy to see how you two survived, both you and Yearbook are INSANE!

PHOTOGRAPHERS - Peace!? What lucky men; now you know what it feels like to be sought after! You also know what it feels like to be bothered, harassed, and given a generally hard time. Sorry, and believe us, we couldn't have done it without you.

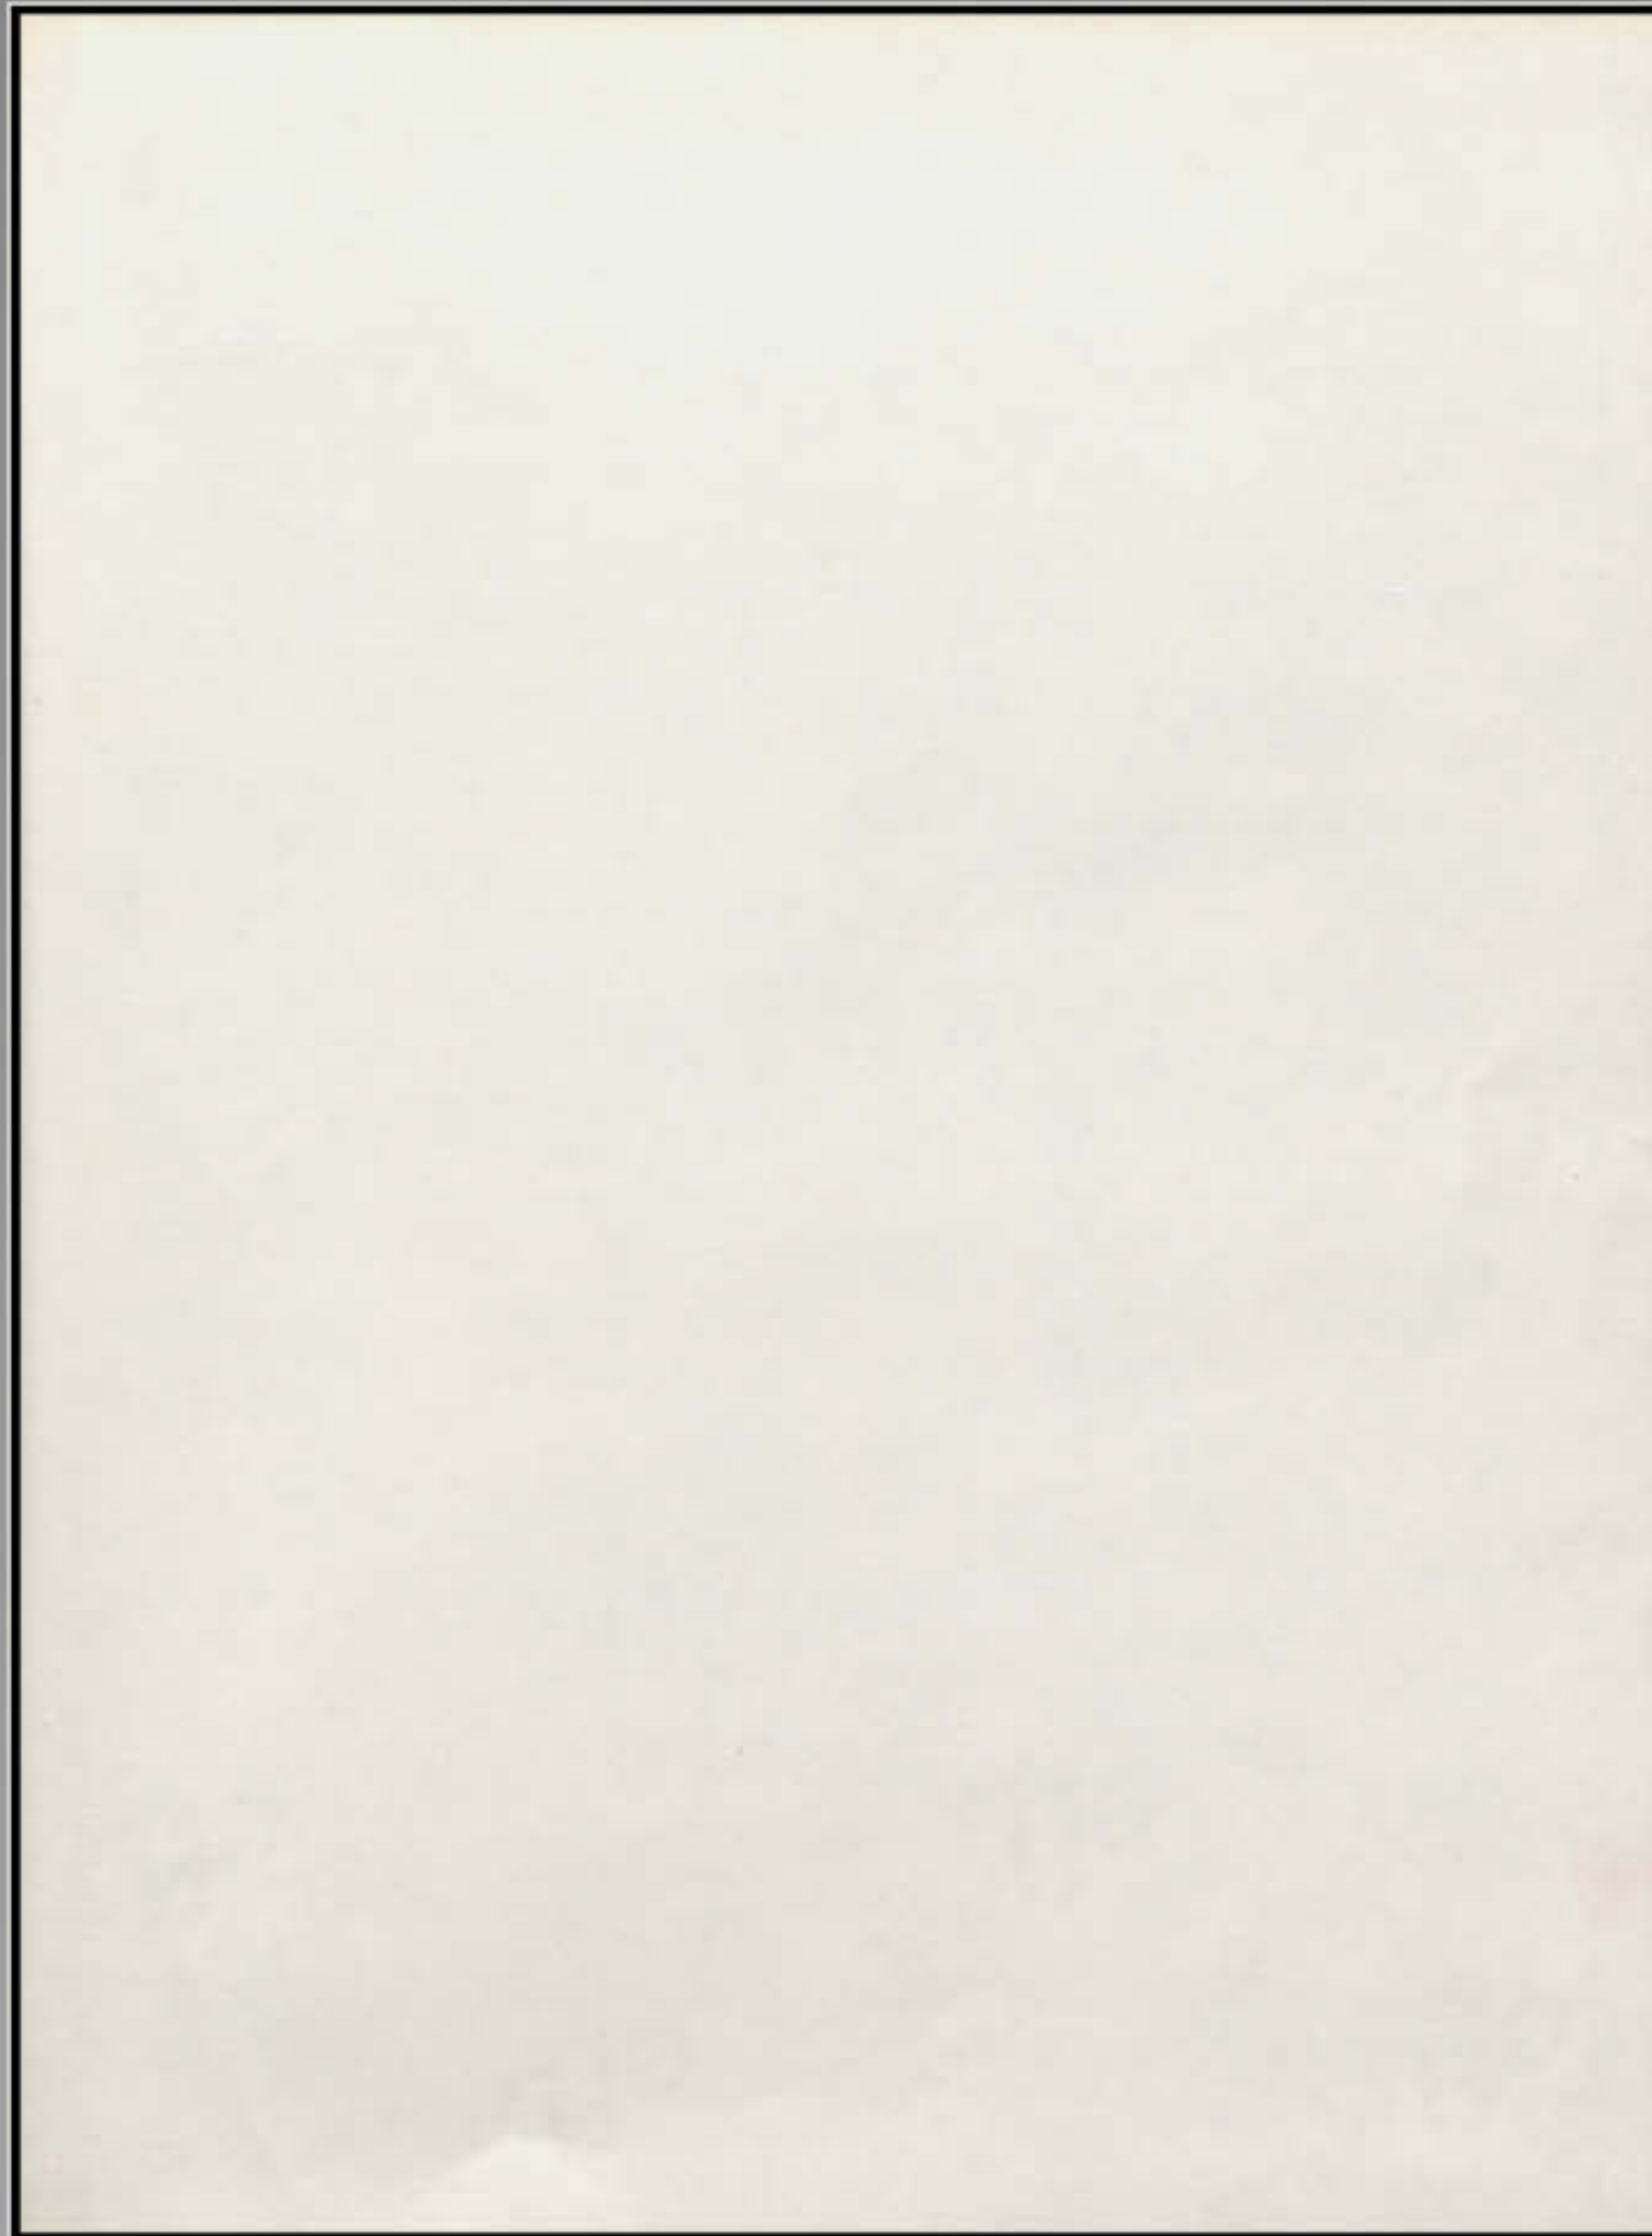

MARK BABY! - You have accomplished the impossible; you've put up with us for two years without going TOTALLY insane. (Although you do seem to be seen less and less frequently at school.)

MRS. NASH - How was it for a first year? (And how many bottles of Excedrin did you go through?) Try to get some rest this summer so you can be prepared for next year! ha! ha! We can't thank you enough; we could never have seen our way through this without you!
