*To everything there is a season,
and for every activity under the
heaven, its time:*

*a time to weep, and a time to laugh;
a time to mourn, and a time to dance;*

*a time to break down,
and a time to build up;
a time to keep silence,
and a time to speak;*

Graduation has finally arrived. The past three years have been enough time to collect memories which will stay with us forever. We will remember in the school a time of spirit, of enthusiasm, of boredom, and maybe of troubles.

When we entered J-D High as sophomores we were wild and crazy. Even though many traditions were lost this year we worked to keep our class spirit high. And we did! We participated in all the assemblies and even won a good share. Our biggest accomplishment was the sophomore talent show which earned more money than any other class had earned in past years. The sophomore class officers-Tani Church as president, Cathy Engstrom as vice-president, Keslyn Canavan as secretary/treasurer, Kari Kiefer and Heidi Hamilton as representatives worked very hard. The highlight of the year was hosting the Southeast Music Festival.

Our second year at J-D High was a lot more comfortable. Junior class officers were Matt Van Patten as president, Keslyn Canavan as vice-president, Bonnie Bowers as secretary/treasurer, and Brenda Bowers and Janet Beedle as representatives. During Homecoming week, our great junior hall came in second. Totem queen and J-bird king were Janet Beedle and Paul Pusich with their court Shana Baker, Val Cummins, Marcy Duran, Laura Duvernay, Ray Espera, Curt Isaak, Robyn Marriott, and Erika Moser. The junior prom will be remembered "always and forever", the prom theme. Don't ever forget the junior class musical "West Side Story" one of the best musicals put on in Juneau. We were hosts of the boy's Southeast basketball tournament, the State swim meet, and the State girl's basketball tournament.

We got through our final year with a lot of help from Ervan Schultz as president, Margaret Peterson as vice-president, Bonnie Bowers as secretary/treasurer, Laura Duvernay and Gail Riederer as representatives. The last week in December was full of excitement. It was Homecoming week and again seniors took first in most things including the Senior hall. Saturday night of Homecoming saw Nancy Miller and Dick Knapp crowned queen and king. Their court consisted of Janet Beedle, Val Cummins, Laura Duvernay, Ray Espera, Brent Fagerstrom, Lori Lowell, Kris Mercer, Sydney Mitchell, Erika Moser, and Paul Pusich. The outstanding senior play "The Skin of Our Teeth" was in the spring instead of November which was a switch. At pep assemblies we were a senior sensation and often won pep assemblies and intramural games. The senior ball held in May will be remembered fondly. This year we hosted a successful Southeast wrestling tournament.

We feel our years at J-D High will be remembered for the good times and not the bad. It is time to move on so we the great class of '82 say thanks to all who made these three years some of the best of times.

The Juneau-Douglas High School Girls Volleyball Team, after compiling a fantastic season record of 25 wins, 1 loss, lost the Southeast Conference Title to the Sitka Wolves in Wrangell, October 29-31.

Juneau then went on to the state tournament in Ketchikan November 14-16 placing 5th, two places higher than last year.

Gymnastics Team Places First at S.E. and Tenth at State

For the first time in six years the Juneau-Douglas High School Gymnastic team received funds from the school district. The team traveled to the Southeast Tournament in Ketchikan, where they placed first in the team competition. Individually none of the members placed higher than second, but thru a strong team effort they managed to place first. They then traveled to Anchorage to compete in the State Tournament at Bartlett High School, where they placed tenth. The team was coached by John Egbert and Cindy Daniels.

Boys Varsity Basketball 30-1 S.E. Champions State Champions

The Juneau-Douglas Crimson Bears boys' basketball team had a truly great year. With an overall season record of 30-1, the only loss being to Bothol High School of Bothol, Wash., and a 20-0 conference record, the Bears captured the S.E. and State tournaments.

For the first time since 1973, the Bears took the State tournament. During the opening round game the team came out with an easy 37 point victory over Eilson.

The second game matched Juneau with East, a team the Bears hadn't beat in 3 previous meetings; however, Juneau managed to advance with a 6 point overtime victory.

In the championship game, the Bears knocked off West for the State crown concluding a great season.

Coach Jim Hamey has stressed teamwork over the years and this season it paid off.

With only four close games this season against East, Ketchikan, Metlakatla, and Sitka, the Bears had little trouble with any of their opponents. Juneau-Douglas was definitely the top squad in Alaska throughout the 81-82 year.

Boys J.V. Basketball

The Boys Junior Varsity Basketball Team, led by coach George Houston, only lost one conference game this season, a squeaker to Sitka here in Juneau February 12.

With the junior varsity's blowing out of all their opponent with the exception of the game to Sitka, the Bears have a promising field of talent for the up and coming 82-83 season.

Girls Basketball 23-8 2nd S.E. 7th State

The Crimson Bears girls' basketball team proved to be a powerful squad in S.E. during the 81-82 season. With a 20-5 conference record, the Bears entered the S.E. tournament; the Bears were upset by the Petersburg Vikings in the final game.

When the Bears headed for the State tournament, they found themselves matched up with the number one team in the state, Monroe Catholic. The team lost the first two games of the tournament; however, they came out victorious over Petersburg and ended up placing seventh.

Led by coach Peg Gwyther, the Crimson Bears girls basketball team had an outstanding season!

Varsity Wrestling 1st in Southeast 3rd in State

The Crimson Bears wrestling team finished with an undefeated record in Southeast for the 1982 season.

When asked how he thought the team would do at Southeast, Coach Mike Herold replied, "I think we look strong for the Southeast Tournament." That turned out to be an understatement. Juneau captured first place, scoring nearly 100 points more than region rival Sitka. Juneau had six firsts, four seconds, and three thirds. Juneau qualified 13 wrestlers for the state tournament in Fairbanks. In Fairbanks, Juneau took a rewarding third place state trophy, with one first, four seconds, one fourth, and two fifths.

Herold was voted coach of the year for the outstanding job he did with the Crimson Bears this season.

The Big-Little Sister Banquet, which took place in the cafeteria on October 29, is a time for the Seniors girls to get to know the Sophomore girls. The Juniors girls are in charge of the food while the Senior guys are in charge of entertainment. This year the guys put on a skit entitled "The Lavatory" which revealed the habits of the Senior girls during a dance.

"Finians Rainbow" Chosen for Junior Class Musical

This year's Junior Musical was "Finian's Rainbow," a classical Broadway comedy. The performance dates were December 3, 4, and 5, which is earlier than in previous years. This year's Production Director was Tony Reiger, Vocal and Instrumental Director, Bernie Hendricks, and Choreographer, Janice Holst. One of the most distinctive characteristics of this play was its outstanding set. The design came from George Pettit, but was constructed by Bryan Grove and Julie VanDriel.

The Junior Prom was held on January 30 in the Baranof's Latchstring. Dinner was catered by the Baranof. Dancing began at 8:30 p.m. with Si Bon, a California based band, and lasted until 1:00 a.m. The theme "Feels so right" was very appropriate as all the 68 couples seemed to enjoy themselves.

Spirit Week

Spirit week was held on a week before the first home basketball game, Juneau-Douglas High School was the scene of decorated halls, wildly dressed students, and contests between the classes from Dec. 14-18. Students came to school on Monday to decorate halls. Each class decorated one floor and they were judged by a group of teachers. Seniors came out victorious. Each day students dressed to a certain theme ranging from red and black to punk. An assembly was held each day by either a class, the faculty, or the cheerleaders. The annual parade was cancelled due to bad weather, but the floats were displayed upstairs in the gym by the new mural with the Juniors winning. The Homecoming games against Wrangell were held on Friday and Saturday with Juneau the victor of both. The over-all Spirit Key was awarded to the Seniors at the Saturday game.

"The Skin of Our Teeth"

Thornton Wilder's "Skin of Our Teeth" was chosen for the all school play.

This year the "Senior Class Play" was changed to the "All-School Play" because of the involvement of all the classes and faculty too.

"The Skin of Our Teeth" was a fantasy about the trials of mankind. Complete with joy, anger, accomplishment, murder, seduction, and love, humans try to cope with the enigma of life. Thornton Wilder holds out hope for humanity if they will only have faith in something and profit from knowledge. "The Skin of Our Teeth" really isn't a comedy, although it can be funny; it really isn't a tragedy, although it can be tragic; it is in fact all about life—whatever that is.

Journalism *J-Bird & Totem*

Ancient rivals, Totem and J-Bird combined for the first time to form a two-hour journalism class in which they produced the first full-year annual and seventeen newspaper issues which came out bi-monthly for Juneau-Douglas High School.

After much controversy, the Totem staff, led by Heidi Hamilton, editor-in-chief and Carolyn MacKinnon, co-editor, decided to produce a full-year annual. This gave them later deadlines which enabled them to produce a higher quality yearbook. Also, they had twenty-four more pages to record track, the all-school play, the Senior ball, baccalaureate, and graduation.

For the first time in ten years, the J-Bird was published in cooperation with the Juneau Empire. Forrest Messerschmidt, editor-in-chief and Kris Mercer, co-editor, headed the J-Bird staff. After it was written and laid down by the J-Bird staff, the paper was printed on the Empire press.

J-Bird and Totem also sponsored the Pub-Hop. The dance with the theme being a beach party, was very successful earning over \$900. Royalty Tiffany Farr and Bryan Quinn were crowned Totem Queen and J-Bird King.

Student Council

This year Student Council succeeded in reaching many of the goals they had striven for. Their main objective was to establish a better student-teacher relationship. By honoring their birthdays, preparing a special in-service breakfast, and showing all-around respect for them, they accomplished their feat.

Other goals they completed with great success were: serving a Legislative breakfast to students from all around Alaska, legislators and other guests; composing a B-book containing all of the students' names, addresses and phone numbers; school cheers, different school events and other information; painting a mural drawn by Karl Schultz in the gym; purchasing a school stereo; sponsoring the first all day leadership conference in Juneau; selling popcorn; providing pop and candy machines; hosting orientation sessions for ninth graders and sponsoring various concerts throughout the year.

Student Council also sent two members to both the fall and spring state-wide leadership conferences. Throughout the year, Student Council stuck to their motto to the end: "Coming together is beginning, keeping together is progress, working together is success."

Cheerleaders

The Juneau-Douglas Basketball Cheerleaders consisted of 4 seniors, 1 junior, and 1 sophomore. The Cheerleaders supported the teams by cheering at all of the boy's and girl's home basketball games. During Homecoming week they sponsored crazy dress-up days like Punk, Preppy, and Sweats day and sold the traditional pep-cakes. School spirit was upheld by organizing pep assemblies and leading the classes in cheers. This year the girls raised money to pay for S.E. Tournament expenses and part of the expenses for traveling to the Boy's State Basketball Tournament in Kenai. Their advisor was Cynthia Morris, and the manager was Susan Kollin, and assistant manager Margaret Peterson.

Wrestling Girls

Advised by Carl Nickels the Wrestling Girls were a very dedicated group. During the meets they ran the clocks and supplied the wrestlers with oranges after each match. Throughout the entire season the girls provided support for the wrestlers by making posters and cheering at the meets. The Wrestling Girls raised money for traveling expenses by having a dance and by doing other activities. The group traveled to Sitka since this years Southeast meet was held in Juneau.

Pep Club

At the beginning of this year it looked as though there would not be a Pep Club but with the help of Margaret Peterson one was soon organized. Their advisor was John Peterson and their officers were Bernie Cunningham Pres., Honda Peep V. Pres. and the secretary was Lynette Warner. Pep Club furnished the hoops for all of the boys and girl's home games and made posters. They attended the Boy's Southeast Tournament and helped the cheerleaders cheer the Bears on to victory. The Pep Club did a great job this year despite the fact that it wasn't as large as those of the previous years.

Drill Team

Starting with an all new team composed mostly of sophomores, the J-D Drill Team made a fine showing. They promoted school spirit by marching at all the boys' home basketball games, two of the girls' games, and at two assemblies. They performed several different routines, including a punk-rock routine to "Whippit." The girls raised money for uniforms and travel by selling candy grams at Christmas and by sponsoring a spaghetti feed. They traveled to Sitka for S.E. Tournament and came home with third place in the Drill Team competition. The squad-leaders for the team this year were captain Suzy Stengl and co-captain Mari Owen, and the advisors were D. Blaine and Jill Thompson.

This class was a pre-requisite for concert choir. There were twenty-two members this year. The chorus was directed by Bernie Hendricks.

Youth News

Youth News was produced by a group of four students and advised by Tony Reiger. News is taken from all Juneau schools and put together in a television segment which was aired on KTOO Friday nights at 6p.m. and again at 10p.m. This new group was open to anyone who was interested in reporting or camera work.

Debate Club

The Debate Club was open to anyone who was interested and was willing to commit themselves in debate. There were six members this year. The club met on Friday nights to discuss the topics which were chosen by a National Committee. Once a topic was chosen the students received prepared information from different businesses to use in a debate. The debates lasted one hour and included such presentations as instructive, rebuttal, and cross examination speeches. Three two-man teams traveled to Ketchikan this year where they won five rounds out of six in a debate and sent one team to Anchorage for the state meet.

Drama Club

The drama club was very busy this year. With Sharon Lobaugh as the advisor, the club was able to sponsor a professional mime, John Goldring, to develop performance-level pantomimes with students of the theatre arts class, from which the club stemmed. The club also helped with costumes and make-up for the fall musical, "Finian's Rainbow."

Under the new advisor, John Goldring who replaced Lobaugh at the semester break when she quit, the club aided in the production process of "The Skin of Our Teeth," the all-school play. At the end of April, the drama club sponsored students of the theatre arts class to go to Anchorage for state competition in drama.

French Club

The 1981-82 French club, advised by Ethel Nayudu, led a very active year. They held dances and bake sales to earn money for the March 11-12 Foreign Language festival which took place in Ketchikan. The club also sold advent calendars at Christmas to raise more funds.

The French club spent most of their time planning a trip to Europe. Twelve students, Michelle Austerman, Gwen Brunton, Joe Buell, Cindy d'Armand, Susan Kollin, Deanne Lampe, Ian Northrip, Barbara Potter, Durstin Selfridge, Roger Thibodeau, Stephanie Weber, and Anne Williamson, left to France May 30 with Ethel Nayudu. The thirty-day trip included a two week home stay with families in Lyon, France and two days with Swiss families in a small town near Geneva. The students visited Nice (on the Riviera), Paris, Luxembourg, and Iceland. Throughout this trip, students put to use practical phrases and vocabulary needed for traveling and in communication with others.

Office Education Association

The Office Education Association started out its second year at Juneau-Douglas High School with much to do and ended it with much accomplished. The organization was formed two years ago by Karen Fox-George to promote an understanding of business and office procedures in J.D.H.S. OEA sponsored several fund raising projects, such as their annual type-a-thon and the Handsome Harry contest. The money raised by these activities helped pay the way for three club members to attend the OEA State Conference in Anchorage. At the conference, Joel Ferrer, Nancy Kollin, and Inta Plume competed and placed in four areas. This qualified them to travel to the National Conference in Nashville Tennessee. Besides the special fund raising projects they did, OEA also had its regular projects. OEA has helped many a late student by typing their papers up for a small fee. OEA also helped the college in the Career Day program where students are given exposure to the working world.

Handsome Harry

The second Annual Handsome Harry contest, sponsored by OEA, selected three students, one from each class, and allowed the student body to vote on the most handsome. Votes were cast by placing pennies in the jar set aside for each candidate. After a week of voting, the money was counted and the winner was announced at the Juneau-Sitka Basketball game on Valentines weekend. The three candidates were; Matt Newhouse-Sophomore, Marc Spaziani-Junior, Brent Fagerstrom-Senior. Fagerstrom was elected the 1982 Handsome Harry.

DECA

Entering into its fourteenth year at J-D H.S., the Juneau chapter of the Distributive Education Clubs of America (DECA) had its busiest year yet. The club was co-advised by Mike and Mary Herold.

DECA this year took part in the Jerry Lewis Labor Day telethon, the cancer telethon, and the Lions Club International Food Fair. They also donated money to the Big Brothers, Big Sisters of Juneau.

In the high school DECA raised money for itself by operating the student store, Mac's Cache. Money from the store helped fund several members' way to regional and state conferences. Winners from this year's state conference traveled to Chicago in late June to attend the national conference.

Future Homemakers of America

One of the oldest vocational clubs for high school students, the Future Homemakers of America (FHA), was present once again at J-D H.S. Advised by Marge Schmieg, FHA brings an understanding of homemaking skills and related concern to students.

This year FHA has conducted several in class activities and also sold burritos at lunch. Money from the burrito sales was used to finance the trip for the members and advisor to the FHA State Conference at Anchorage.

Foreign Exchange Students

Peter Buscicchio

Peter is 17 years old and comes from Potenza, Italy. Peter says J-D High is very relaxing and he enjoys all the activities. Although it is a little cold sometimes, he thinks Juneau is great. Peter is a senior this year.

Philip is a senior from Napier, New Zealand. He says Juneau is a lot different because they never have snow where he comes from. Philip says school is a lot easier here, in Napier if you do something wrong you get whipped with a cane whip.

Philip Gordon

Lucille Kanzawa

Lucy is a senior and lives in Mirandopolis, Sao Paulo, Brazil. She was very glad to be placed in Juneau because of all the different subjects and activities offered.

Torsten comes from West Germany. He is 18 years old and is a senior. Torsten says he enjoys football, but when asked what he liked best about J-D High he exclaimed, "GIRLS!"
