FOREWORD

Some of my regular readers will notice that it took me three years to publish this volume. I was involved with another book the last two years and my research took a back burner during this busy time. Then a terrible computer mistake (caused by none other than me !) wiped out my completed index and I had to retype this which added several more weeks onto the project. I didn't think I was ever going to get this volume done and out to those of you awaiting its arrival. Thank you for being so patient—hope it was worth your wait.

Once again the names are typed exactly the way they appeared in print in the newspaper so be sure to check all versions of the spelling of the surname you are searching. Copies of these articles are available by contacting the Alaska State Library at asl@alaska.gov or call 907-465-2920. Going to your local library and requesting an inter-library loan is another way to secure the information you require.

ACKNOWLEDGMENTS

As always the Alaska State Library would allow me to take a film out for reading and I am so thankful for this privilege. We are so lucky they have preserved so much information on film for our use. The Family History Center at the LDS Church has allowed me to use their microfilm reader for the last 10 years or more now and I'm grateful for that.

I have to thank my youngest son, Daryl Miller, for helping his Mother with her computer tragedy when I goofed and lost three months worth of work. He is a self-taught computer expert and he tried to “teach” me. Lost cause! But he did get me on track after taking time out of his busy work schedule. Daryl, you don't know how close I was to giving up until you came over that day and showed me what to do in the future so this accident wouldn't happen again. Thank you for your patience.

My husband, as always, is there for me whenever I need his encouragement, criticism or support. He's already encouraging me to begin the next volume and this I will do when I return in the spring. As long as my eyesight holds up, I will begin with the year I've waited to arrive at, 1936, my birth year.
