Summary:

On Sunday, March 14, 2010 at about 8:30 a.m. JPD received a report that an outbuilding at Savikko Park had been vandalized. When officers arrived they found words and pictures sprayed in black paint on each of the walls with some of the writing being offensive in nature. City Parks & Recreation officials were notified and the graffiti was quickly covered.

Also on Sunday at about 11:00 a.m. JPD received a report that the Pipeline Skate Park had been vandalized. The vandalism included spray painting words and pictures on the bathroom outbuilding with similar damage on the inside and outside walls of the skate park building. The damage is estimated at about \$200. The skate park building currently has security cameras which were installed as part of the re-opening. JPD officers are reviewing video footage to determine the identity of the vandals.

These cases remain under investigation. Anyone with information is encouraged to call JPD at 586-0600 or the Juneau Crime Line at 586-4243. The Juneau Crime Line also provides an anonymous tip line on their website at <http://juneaucrimeline.com> and a cash reward is offered.
