INFORMATION RELEASE

Subject: Assault

Date: 10-06-2006

From: Officer Tom Bates

Case or Incident # 2006-034044

Summary:

On Friday evening 10-06-2006 at 11:39 p.m., the Juneau Police Department received a report of a disturbance on the bike path next to Kodzoff #1 on Mendenhall Loop Road. While en-route to the call officers were further advised that there had possibly been shots fired.

Officers contacted two victims at the scene, a male age 26 and a female age 33, both Juneau residents. They told investigating officers that they were walking on the bike path and were arguing with one another. A man and a woman appeared and the man told them they were "Disturbing our peace." Words were exchanged and a fight ensued.

It was then that the woman produced some type of gun and shot both victims. The male victim was struck in the middle of his forehead, the female about ½ inch above the left eye. Both suffered swelling and a cut where the projectile struck them. The suspects fled into the Kodzoff trailer park and were not located.

Both victims were transported by CCF/R to Bartlett Regional Hospital where they were examined, treated, and released.
