**Date: October 1<sup>st</sup>, 2007**

**From: Sgt Steve Christensen**

**Case or Incident # 2007-034708**

### Summary:

On October 1, 2007, at about 11:50 pm, the Juneau Police Department received a report of an unknown problem involving a vehicle near the University on Back Loop Road. Officers responded and located a vehicle that had driven over downed power lines. That vehicle sustained minor damage. While investigating the cause of the downed power lines, the officer discovered a one car roll over accident. Further investigation revealed a 1995 Ford pickup was traveling north on the Back Loop Road. Near the 12000 block, the pickup drove off the roadway, striking a light pole and coming to rest on its side.

Capital City Fire and Rescue responded and transported the driver and only occupant to Bartlett Regional Hospital for a medical evaluation. AEL&P responded and power to the area was briefly interrupted. After the medical evaluation was complete, 28 year old Matthew NAEGELE was placed under arrest for Driving Under the Influence, a Class C Felony, and subsequently lodged at Lemon Creek Correctional Center.

The 1995 Ford Pickup sustained approximately \$15,000 damage and was towed from the scene.

**Any charges reported in this press release are merely accusations and the defendants are presumed innocent unless and until proven guilty.**
