Subject: Motor Vehicle Collision

Date: 9-15-10

From: Officer Branson

Case or Incident: 101012-011

Summary:

On October 12, 2010 at about 2:25pm, the Juneau Police Department received a 911 call of a two vehicle collision on Glacier Highway near 18 mile. The caller reported that the driver of one of the vehicles had sustained injuries. Juneau Police Department Officers and Capital City Fire and Rescue responded.

Upon investigation it was determined that a 2002 Cadillac Escalade driven by 68 year old Robert Larson had been headed outbound on Glacier Highway and drove into the inbound lanes striking a 2002 Honda Civic driven by David Douglas.

One driver sustained non-life threatening injuries and was transported to Bartlett Regional Hospital by ambulance for treatment. The other driver was not injured.

Both vehicles sustained disabling damage and were towed from the scene. Investigation continues and citations are pending.

All factual allegations contained in this release are based upon preliminary investigation and are subject to change or clarification as the investigation continues. Any charges reported in this release are merely accusations and all persons named in this release are presumed innocent unless and until proven guilty.
