INFORMATION RELEASE

Subject: MVA

Date: November 1st, 2006

From: Sgt Wrightson

Case or Incident # 2006-036772

Summary:

On November 1st, 2006 at approximately 10:54am, the Juneau Police Department received a call reporting a single vehicle accident on Veterans Memorial Hwy, just prior to the Lynn Canal Fire Station at 17.5 mile. The caller reported that one passenger was out of the vehicle and a second was trapped inside the vehicle.

On arrival, officers located a 1998 Jeep approximately 15 down an embankment, off the side of the road, and upside down.

CCFR responded and extricated a local 51 year old female who was transported to BRH. The driver, a local 52 year old male, was uninjured.

The investigation revealed the vehicle was traveling inbound, too fast for conditions, lost control on the icy roads, and went off the road.

The Jeep was totaled.

A Negligent Driving citation is pending for the driver.
