INFORMATION RELEASE

Subject: School Bus Tires

Date: 11/30/06

From: Officer Quinto

Case or Incident # 2006-024879

Summary:

On 11/30/06, at approximately 0540 hours, ABG bus lines called to report multiple flat tires on more than 20 buses.

An officer responded and 27 buses had valve stems torn out and the tires were deflated. Estimate of damage is unknown at this time.

Investigation continues.....

Lieutenant Kris Sell.....Update 12-8-06

The damage estimate is in excess of \$500 to repair damage to the tires and over \$500 in labor cost to change and handle the tires. This case is being investigated as a C felony because the total cost is over \$500.

The Juneau Police Department is seeking information about the crime. If you have information about who damaged tires on ABG buses on or about 11/30/06, please call the Juneau Police Department at 586-0600.
