**Date: February 9, 2010**

**From: Cindee Brown-Mills**

**Case or Incident: 100209-001**

### **Summary:**

This morning at about 2:00am JPD officers responded to a report of a 40yo Juneau man who was missing the tip of his nose. Due to the nature of the wound, officers are investigating the possibility the nose was bitten off. CCF/R responded and took the man to the hospital where he was treated for his injury. The man was uncooperative and would not tell officers what had happened however he did say he was assaulted by one or more people.

Officers located the missing piece of nose in the downtown Marine Park area and rushed it to BRH for hospital staff to evaluate whether or not it could be re-attached.

Due to the level of injury to this man and the information given to officers this incident is being investigated as a possible felony assault.
