INFORMATION RELEASE

Subject: MVA Injury

Date: 03-11-2010

From: Officer Gifford

Case or Incident: 100310-013

Summary:

On 03-10-2010 at 2:37 PM, the Juneau Police Department responded to a single vehicle accident on Glacier Highway near Central Avenue. Investigation revealed the driver of a 2002 Subaru Forester crossed into the oncoming lane, over the sidewalk, and into a power pole. The driver, an 18 year old female local resident, was transported to BRH for possible non life-threatening injuries. The driver experienced a medical problem, which caused the accident. The vehicle was totaled, and Alaska Electric Light and Power responded to repair the power pole.

Traffic on Glacier Highway was closed between Alaway Avenue and Belardi Avenue for about one half hour while the power pole was repaired.

Any charges reported in this press release are merely accusations and the defendants are presumed innocent unless and until proven guilty.
