Subject: Vehicle Crash, DWI

Date: 05/24/2010

From: Sgt David Campbell

Case #: 100524-025

Summary:

On 05/24/2010, at approximately 9:35 pm, the Juneau Police Department received a report of a possibly intoxicated driver heading outbound on Egan Drive. The caller then reported that the vehicle had driven off the road and caused a single vehicle roll over accident on Egan Drive next to Fred Meyer.

Juneau police officers and personnel from Capital City Fire Rescue responded to the area. The vehicle was identified as a 1991 maroon Nissan truck. The truck was extensively damaged and considered a total loss. The truck was impounded as evidence. During the investigation into the crash, Egan Drive was shut down between Fred Meyer and the McNugget intersection for approximately 38 minutes.

The driver, and sole occupant of the vehicle, was identified as a 47 year old Juneau male resident. The driver sustained multiple injuries and was transported to the Bartlett Regional Hospital and admitted.

Alcohol is considered a contributing factor to the crash. The investigation continues and Driving While Intoxicated charges are anticipated against the driver.

Any charges reported in this press release are merely accusations and the defendants are presumed innocent unless and until proven guilty.
