Case or Incident # N/A

Summary:

The Juneau Police Department is pleased announce that we are now offering online reporting. Just log onto our website at www.juneaupolice.com and click on the ONLINE REPORTING link on the right hand side of the page. This new program allows Juneau residents to report minor crimes and incidents right over the internet. Examples of incidents that can be reported using this new system are thefts of less than \$25,000, vandalism, harassing phone calls, lost property, and accidents on private property. The system can also be used to pass on information and tips to police officers.

When a report is submitted it is screened by police staff, and once approved is assigned an official JPD Report Number. After approval an e-mail is sent indicating that the report was approved and a copy of the police report is attached. Online reporting can be accessed 24/7 free of charge on the Juneau Police Department website.

For more information regarding the criteria for using this program, please visit www.juneaupolice.com.

Any charges reported in this press release are merely accusations and the defendants are presumed innocent unless and until proven guilty.
