FINANCE DEPARTMENT CONTACTS

Even though the budget is submitted to the Mayor and Assembly by the Manager in April, the preparation begins months prior, with projections of City funding sources, reserves, revenues and expenditures. It will continue through numerous phases and until adopted.

We recognize and appreciate that budgeting is an ongoing process of planning, monitoring, problem solving, and customer service throughout the fiscal year involving staff dedication from every department throughout the City and Borough of Juneau. Each year, every effort is made to improve both the budget process and the usefulness of the budget documents.

OVERVIEW OF GOVERNMENTAL FUNCTIONS

This chart highlights the basic functions of the City and Borough of Juneau as well as the overall hierarchical

OVERVIEW OF GOVERNMENTAL FUNCTIONS

structure of the administration.

COMMUNITY HISTORY

In 1881, the Committee on Town Laws voted for a new name for the town of Juneau. “Juneau City” won the vote overruling “Harrisburg,” and “Rockwell.” In 1882, the change was officially made by the U. S. Post Office Department who dropped the word “City” making the official name “Juneau.”

The “City of Juneau” was incorporated and became Alaska’s state capital in 1900.

In 1881, the town of “Douglas” was established as a mining community. Prior to that time, Douglas had also been referred to as “Edwardsville,” presumably after an early resident and miner H. H. Edwards.

The “City of Douglas” was incorporated in 1902.

In the transition from territory to statehood and in accordance with provisions of the 1959 Session Laws of the State of Alaska:

- The City of Juneau was established as a home-rule city in October 1960.
 - ① A Manager-Council form of government was established. The Council had seven members with the Mayor as presiding officer.
 - ② The boundaries of the new City of Juneau remained as previously drawn.
- The greater Juneau Borough was incorporated as a first class borough on September 30, 1963.
 - ① The form of government established included a nine-member Assembly with a President as presiding officer and an Assembly-elected administrator. Representation on the Assembly was composed of three members from the City of Juneau, one member from the City of Douglas, and five members from outside the cities of Juneau and Douglas.
 - ② The boundaries of the Greater Juneau Borough included Holkham Bay in Stephens Passage; the Alaska-Canadian Boundary Line encompassing Peak Nos. 79 and 98 of the Ice Field; Eldred Rock Light; Lincoln Island; Point Young; Point Arden Light; Midway Island Light; and Point Coke.
- The City of Douglas was established as a home-rule city in October 1966.
 - ① The City of Douglas Council consisted of six Councilmen and the Mayor.
 - ② Boundaries of the City of Douglas remained as previously established.
- The City and Borough of Juneau was incorporated as a unified City and Borough on July 1, 1970.
 - ① The City and Borough of Juneau Assembly has nine members with the Mayor as presiding officer. It is a strong Manager form of government.
 - ② The newly created boundaries of the City and Borough of Juneau consolidated the City of Douglas, the City of Juneau, and the Greater Juneau Borough.
 - ③ The City and Borough of Juneau is a home-rule municipality, exercising the powers granted to it by the Constitution of the State of Alaska. As part of its preamble to the Charter, the City and Borough of Juneau’s mission is to “provide for local government responsive to the will of the people and to the continuing needs of the community.”

USER'S GUIDE

The Budget document has been divided into eight major sections for reader convenience. An explanation of the contents of each section is presented below.

Overview

This section, which has two (2) subsections, including an analysis of the overall budget issues, deliberations and budgetary decisions.

- City Manager's Budget Message – outlines the major budgetary issues, financial condition, trends and budget outlook.
- Executive Summary – provides a comparison of funding sources and expenditures for the entire City and Borough of Juneau (CBJ).

Financial Summaries

This section contains the following comparative schedules for FY17 Actuals, FY18 Amended Budget, FY18 Projected Actuals, FY19 Proposed Budget and FY20 Proposed Budget: Summary of Operating Revenues by Source (graph and schedule), Summary of Expenditures by Fund (graphs and schedule), Summary of Staffing, Interdepartmental Charges, Support to Other Funds, Support from Other Funds, Changes in Fund Balances –FY19 and FY20.

Property Assessment and Taxation

This section contains a more detailed description than found in the Overview section regarding changes in assessed values (narrative, graph and tables), the impact on taxpayers, and changes in mill rates (narrative, graph and table).

Major Revenue Analysis

This section contains a review of all major revenue sources of the City and Borough of Juneau; includes narrative and graphs.

Capital Projects

This section contains the criteria for evaluating capital improvement projects, a listing of new projects and their funding sources for FY19.

General Governmental Funds

This section contains comparative schedules of expenditures and funding sources for the General Governmental Funds (General Fund, Road Service Area, and Fire Service Area). The departments within these are funded primarily with property and general sales taxes.

Mayor and Assembly through Debt Service Fund

These sections contain comparative schedules for expenditures and funding sources, budget highlights, and core services for each department within the CBJ. For those funds that are non-departmental (certain Special Revenue Funds, Special Assessments, and Debt Service) only comparative schedules are provided with Debt Service being the exception. The Debt Service section includes information about the CBJ's authority to issue debt, payment of debt, budget and accounting for debt service and changes in the outstanding debt balances.

Definition of Funds

This section contains the definition of all funds used by the CBJ.

Glossary

This section contains the definition of terms that may be unfamiliar to the reader.

CITY MANAGER'S BUDGET MESSAGE

June 4, 2018

The Honorable Mayor and Assembly
City and Borough of Juneau
Juneau, Alaska

CITY MANAGER'S BUDGET MESSAGE

It is my pleasure to forward to the Assembly and community the balanced FY19 and FY20 Biennial Operating and Capital Budgets. In the first year of each two-year budget, the Assembly adopts the first year's budget (FY19) and approves, in concept, the second year's budget (FY20). The conceptually approved FY20 budget will be brought back before the Assembly next spring for review and consideration of any adjustments before final adoption. The Manager's FY19 Proposed budget was introduced April 4 and the Assembly Finance Committee held 6 meetings to review and make adjustments.

The overall citywide combined budget of \$335 million is down \$1.0 million from FY18. The major components of the budget are:

- School District \$85.7 million down \$1.8 million (2.1%), but the local government contribution increased by \$1.1 million (4%).
- Enterprise Funds (hospital, airport, water utilities & docks & Harbors) budgets total \$132.9 million were adopted as submitted by the boards and City Manager, after including the negotiated wage increases.
- Final Proposed budgets for general government (GG) operations include expenditure increases recommended by the Manager and Finance Committee. Expenditure authorization totals for GG departments is \$71.1 million, an increase of \$1.8 million (2.6%). The total is \$1.3 million above projected revenues and requires the use of savings. There are adequate savings and I consider this budget a pressure relief transition after 2 years of hold the line on expenditures. The major revenues have come in above projections allowed us to grow our Available Fund Balance (savings) to \$14 million, before the FY19 and 20 budgeted draws.
 - It is expected that subsequent to adoption the budget will be increased once emergency services operational review and contract negotiations are completed.
- Initial capital improvement projects budget is \$25.7 million. Additional appropriations will be made through the year as funding gets committed. CBJ annually spends around \$60 million on projects.
- Bond debt service budget is \$18 million, down \$3.4 million due to school bonds being fully paid off in FY18.

Looking forward to FY20, which is not being formally adopted, GG expenditures increase another \$1.3 million, drawing \$2.6 million from savings. If this level of draw from savings is needed as we move towards FY21 it would be unsustainable and require significant budget changes (reduced program expenditures or raising property tax revenue). We have time to monitor the situation and discuss options.

CITY MANAGER'S BUDGET MESSAGE

The biggest uncertainty in the near term is the level of potential direct budget reductions coming from the State of Alaska and the negative economic impact. The CBJ budget components most directly affected by state funding are education, capital improvement projects (CIP), school debt reimbursement and revenue sharing. Overall state CIP funding is significantly lower than in prior years and we are planning how to allocate more local funds to meet critical CIP needs in the near term. The bigger risk, on local property and sales tax revenues, from state reductions is the impact from job losses and reduced CIP spending on the overall economy.

Status of the Economy

From the perspective of local population and jobs and wages the outlook is concerning. Over the past 2 years we have lost 800 residents (2.4%), 500 jobs (-2%) and overall gross wages were flat in 2016 and 2017. The job losses have been partially offset by workers retiring and a significant number remaining in the community and adding retirement income to the economy. From the perspective of property and sales tax revenues the outlook is stable. Starting 2 years ago, based on the outlook then, the Finance Department forecasted a 1 – 2% decline in sales tax revenues and flat property taxes. Sales taxes have actually risen slightly and property taxes are up 1 – 2%. Thus local revenues have continued to support the local government budget and added some to our savings. There is a significant positive economic impact from the growing tourism visitors which helps offset declines in other areas. There continues to be risk of more economic contraction in the next 2 years from the lack of a sustainable state budget plan (which includes accelerating deferred maintenance of infrastructure and inadequate investment for new business development).

OPERATIONAL AND DEBT SERVICE MILL LEVIES

The FY19 operating budget portion of the property tax mill rate is 9.36 mills. The rate is unchanged from FY18. At this rate we are projected to collect \$44.5 million in operating revenues \$0.5 million (0.8%) increase to help fund education and general government programs.

The debt service mill rate is 1.3 mills unchanged from FY18. This rate raises \$6.5 to pay debt service an increase of \$0.1 million. The total FY19 debt service expenditure authorization is \$21 million with \$18 million for general obligation debt payments.

SUMMARY

I appreciate the hard work put in by the CBJ staff to prepare this year's budget for introduction. After several years of budget reductions and holding down expenditures we are proposing modest increases that are needed and appropriate. This is consistent with the Assembly direction provided at the December retreat to prepare a budget that does not reduce municipal services.

At the end of FY19 we project approximately \$13 million in general government available fund balance. In addition to the available fund balance, we project \$16 million in the restricted budget reserve fund balance (including a \$0.4 million deposit in FY19).

Currently Juneau's economy is stable, though our population has declined. State government and construction industry jobs are still declining, and the tourism industry is projecting strong growth while mining, fishing and local government employment appears to be stable. Looking to the future, the Assembly adopted Juneau Economic Development Plan and Housing Action Plan that contain ideas that may be worthy of municipal investment. CBJ has a sufficient level of fund balance that may provide resources to support

CITY MANAGER'S BUDGET MESSAGE

initiatives in these assembly adopted plans and that investment could help attract new investment in the community.

As City Manager, I appreciate the work CBJ employees have undertaken over the past years to reduce expenditures and be wise consumers. I appreciate the Assembly's support in providing the City with the necessary resources to be responsive to their direction and the community's needs.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Duncan Rorie Watt". The signature is written in a cursive, somewhat stylized font. To the left of the signature is a vertical line.

Duncan Rorie Watt
City and Borough Manager

EXECUTIVE SUMMARY

BUDGET COMPARISONS

The schedule shown below is a summary comparison of the changes between 1: the FY18 Amended (original Approved budget plus supplementals) and FY19 Adopted Budgets and 2: FY19 Adopted and FY20 Approved Budgets. You will find additional budgetary change details included in each of the departmental budget sections under the title “Budget Highlight”.

	FY18	FY19		FY20	
	Amended	Adopted	% Change	Approved	% Change
Revenue:					
State Support <i>(Note 1)</i>	69,482,900	65,234,900	(6.11)	63,477,800	(2.69)

Total Expenditures	336,401,300	335,378,600	(0.30)	331,049,000	(1.29)
Fund Balance Increase (Decrease)	(12,648,600)	3,612,200		9,779,400	170.73

See below and on the following page for differences to note when comparing the FY18 Amended to the FY19 Adopted and FY20 Approved Budgets.

Funding Source Notes

1. State Support –The FY19 Adopted Budget is down \$4.25 million (6.11%) from the FY18 Amended budget. There are two significant changes that drive this reduction: a decrease in State grant funding for City bus purchases of \$2.90 million, and a decrease in School Debt Reimbursement of \$2.66 million. From FY19 Adopted budget to the FY20 Approved budget, State Support decreased \$1.7 million (2.69%). This decrease was caused by a further decrease in School Debt Reimbursement of \$1.40 million.

EXECUTIVE SUMMARY

2. Federal Support – The FY19 Adopted Budget increased \$0.70 million (7.56%) due to the reauthorization of Secure Rural Schools funding, coupled with a small decrease in Federal funding for Education. The FY20 Approved budget is nearly flat to the FY19 Adopted budget.
3. Tax – Tax revenue increased \$3.65 million (3.69%) over the FY18 Amended Budget reflecting an increase in sales taxes of \$3.08 million and an increase in property tax of \$.52 million. The FY20 Approved budget is nearly flat to the FY19 Adopted budget.
4. Charges for Services – The FY19 Adopted Budget increased \$14.33 million (11.71%). While general government programs show a decrease of \$0.22 million, enterprise funds have an increase of \$14.70 million, driven by increases to Hospital charges of \$11.70 million and Water and Sewer charges of \$1.50 million. The FY20 Approved Budget is an increase of \$3.0 million (2.19%). This is related to a \$2.74 million increase in Enterprise charges for Hospital (\$2.5 million) and Waste Management (\$.15 million).
5. Licenses, Permits and Fees – The FY19 Adopted Budget revenue increased \$0.60 million, the majority of which is from Marine Passenger Fees (\$0.5 million). The FY20 Approved Budget shows an increase of \$0.44 million, \$0.25 million from Marine Passenger Fees and \$0.18 million from Port Development Fees.

Expenditure Notes

6. City General Government – The FY19 Adopted Budget increased \$1.80 million (2.60%) from the FY18 Amended Budget. This was driven by increases recommended by the Manager and Assembly Finance Committee. The FY20 Approved Budget is a decrease of \$0.03 million (0.05%), or nearly flat to the FY19 Adopted Budget.
7. School District – The FY19 Adopted Budget decreased \$1.84 million; \$2.22 million decrease in general school operations and a \$0.39 million increase in special revenue programs and services. The FY20 Approved Budget is flat to the FY19 Adopted budget.
8. Board Controlled –The FY19 Adopted Budget increased \$10.97 million (10.38%). This increase was due to an increase in Hospital expenditures of \$10.33 million. The FY20 Approved budget is an increase of \$2.07 million (1.97%) over FY19. This again is due to an increase in Hospital expenditures of \$1.95 million.
9. Internal Service Funds – The \$4.39 million decrease in the FY19 Adopted Budget is primarily due to planned purchases of buses with grant funds and other fleet replacements totaling \$3.68 million occurring in FY18 that will not occur again in FY19. Also, Risk Management decreased \$0.36 million. The FY20 Approved budget is a decrease of \$1.47 million (89.02%), which is caused by a decrease in fleet replacements scheduled.
10. Debt Service – The \$3.35 million (15.68%) decrease in the FY19 Adopted Budget is due to the reduction in outstanding school construction debt. The \$36 million school bond issue originally sold in 2008 was fully paid during FY18. The FY20 Approved budget is a decrease of \$1.37 million (7.61%). The \$9 million school bond issue originally sold in 2003 will be fully paid during FY19.
11. Capital Projects – Capital projects vary from year to year; details are included in the FY19 CIP Resolution. The initial budget each year contains only the CIP projects where the funding has been fully committed. Subsequent to adoption, significant supplemental appropriations are needed to address additional funding secured (e.g. FAA, State grants, and enterprise fund allocations). The FY19 Adopted CIP budget is \$3.75 million less than the FY18 Amended Budget. The most significant change being that the State Marine Passenger Fees (\$4.6 million) were not initially appropriated in FY19. The FY20 Approved budget is a further decrease of \$3.71 million. This is related to a decrease in funding from Waste Water to capital projects of \$3.10 million between FY19 and FY20.

EXECUTIVE SUMMARY

STAFFING CHANGES

The FY19 Adopted Budget includes funding for 1,754.99 Full Time Equivalent (FTE) positions. The FY19 Adopted Budget staffing is 13.42 FTEs less than the FY18 Amended staffing level. The decrease consists of:

- an increase of 0.19 FTEs in the Governmental Funds
- a decrease of 0.15 FTEs in the Special Revenue Funds, excluding the School District
- a decrease of 13.96 FTEs in the School District
- an increase of 0.29 FTEs in the Enterprise Funds, excluding Bartlett Regional Hospital
- an increase of 0.21 FTEs at Bartlett Regional Hospital

Total FTE staffing changes and a reconciliation between FY18 Adopted Staffing, FY18 Amended and FY19 Adopted Staffing are shown below. (A complete staffing summary by department is contained in the "Summary of Staffing" schedule.)

	<u>FTE</u>
FY18 Adopted Staffing , referenced in full time equivalent positions (FTEs)	1,772.11
FY18 General Government and Enterprise staffing changes (<i>Note 1 below</i>)	2.25
FY18 Hospital increases/(decreases)	(5.20)
FY18 Waste Management increase/(decreases)	<u>(0.75)</u>
FY18 Amended Staffing , referenced in full time equivalent positions (FTEs)	1,768.41
FY19 Adopted General Government and Enterprise increases (<i>Note 2 below</i>)	3.08
FY19 Adopted General Government and Enterprise decreases (<i>Note 3 below</i>)	(2.75)
FY19 Adopted Bartlett Regional Hospital increases/(decreases)	0.21
FY19 Adopted School District increases/(decreases)	<u>(13.96)</u>
FY19 Adopted Staffing , referenced in full time equivalent positions (FTEs)	<u>1,754.99</u>

EXECUTIVE SUMMARY

(1) FY18 Amended General Government and Enterprise Staffing Changes

Managers Office: Additional FTE for Housing Office	1.00
Law: Additional Attorney	1.00
Parks and Recreation: Additional FTE for Eagle Valley Center	0.25
	<u>2.25</u>

(2) FY19 Adopted Increases

Finance: Increased FTE by 0.50 for FY19 only	0.50
Police: Added 2 new Civilian Investigator positions	2.00
Airport: Added FTE	0.40
Water: Increased FTE by 0.18	0.18
	<u>3.08</u>

(3) FY19 Adopted Decreases

Engineering: Decreased FTEs by 0.81	(0.81)
Lands: Reorganization of program resulting in a reduction of 0.15 FTEs	(0.15)
Police: Clerical adjustment	(1.50)
Waste Management: Reduction of 0.25 FTEs	(0.25)
Waste Water: Reduction of 0.04 FTEs	(0.04)
	<u>(2.75)</u>

CHANGES IN FUND BALANCES

Summary

The City and Borough's budget practice is to carry over the minimum amounts of fund balance necessary to help meet future operating needs, to buffer unanticipated operating revenue changes or to avoid significant year-to-year variations in the operating mill levies.

The Assembly adopted an updated policy in October 2012 to maintain a general governmental budget reserve of not less than two months (16.7%) general operating revenue. General governmental operating revenue is comprised of the General Fund and the Roaded Service Area, Fire Service Area and Sales Tax Special Revenue Funds. The budget reserve is intended to ensure adequate resources in the event of an emergency or significant unanticipated reduction in revenues. The CBJ budget reserve will be adjusted annually based on the most recently-audited annual financial statements. Appropriations from the budget reserve requires Assembly action and will be limited to providing temporary funding for unforeseen needs on an emergency or nonrecurring basis; or to permit orderly budget reductions and/or tax adjustments, for a period not to exceed two fiscal years, when funding sources are lost or substantially reduced. If the budget reserve falls below the target (two months general governmental operating revenue or 16.7%) a plan for replenishment will be developed by the City Manager and presented to the Assembly for action. Reserve replenishment takes priority over tax reductions and/or mill rate reductions. The adopted balance in the Budget Reserve is \$16.47 million for FY19 and for FY20. For FY19, \$400,000 in Sales Tax proceeds will be deposited into the Budget Reserve with no further deposits in FY20.

Individual Funds

The following is a summary and explanation of the FY19 adopted and FY20 approved ending fund balances. The fund balance review is targeted specifically at the General, Major Special Revenue, and Fleet Funds. The majority of the special revenue funds' fund balances are use restricted and not considered available for general governmental functions.

General Fund – The two-year budget as presented projects \$2.11 million carry forward of available fund balance for years after FY20, excluding the \$16.47 million set aside as the general governmental budget reserves. In order to balance the FY19 and FY20 operating budgets we are projecting to use \$2.00 million of fund balance to support our operating needs in FY19 and \$3.77 million to support our operating needs for FY20.

Marine Passenger Fee – In October 1999, voters approved a \$5.00 per person cruise ship passenger fee. The CBJ began collecting revenues in April 2000. Marine passenger fees can be used to provide infrastructure and services to cruise ships and their passengers. The projected ending fund balance is \$321,700 for FY19 and \$3,052,800 for FY20.

Eaglecrest – CBJ's policy is to keep fund balance at a sufficient level to offset one bad season every three years. The ski area has looked for ways to increase revenues in both the ski and non-ski season. They are working with the Assembly on a year-round plan to better utilize the facilities. The projected ending fund balance is \$122,300 for FY19 and \$263,700 for FY20. However, these amounts are entirely restricted for inventory and compensated absences.

Education Operating and Special Revenue/Other – These fund balances are managed by the Juneau School District Board of Education. The FY19 adopted fund balance carryforward is \$2.15 million and the FY20 approved fund balance carryforward is \$2.54 million. The District tries to carry an additional \$1.00 million forward in their Operating Fund in case of revenue shortfalls the subsequent year. The Special Revenue/Other fund balances of \$1.40 million for FY19 and \$1.57 million for FY20 are revenue specific and may only be used for very specific program activities according to federal, state, or donor designations.

Lands and Resource Management – The projected carryover for FY19 is \$1.34 million and for FY20 is \$1.20 million. These funds are restricted and not considered available for other general governmental functions.

CHANGES IN FUND BALANCES

Downtown Parking – The total projected carryover is \$293,600 for FY19 and \$319,400 for FY20. This balance is restricted and not considered available for other general governmental functions.

Sales Tax – Sales tax funds are used for a variety of functions including general operations, capital projects and general governmental Budget Reserve. The total adopted carryover for FY19 is \$6.13 million and for FY20 is \$7.10 million.

The FY20 ending balance is as follow –

• 1% 5-year temp. levy for various capital improvements, ending September 30, 2023	\$ 356,500
• 1% 5-year temp. levy for various capital improvements, ending September 30, 2018	\$ 305,600
• 1% 5-year temp. levy for areawide roads, ending June 30, 2017	1,366,800
• 2% (1% permanent & 1% temp.) general govt. operations levy	3,546,200
• 1% 5-year temp. levy, the Sales Tax Budget Reserve	1,451,000
• 3% permanent liquor sales tax levy	<u>69,700</u>
Total Projected Fund Balance	<u>\$ 7,095,800</u>

Port Development– The Port Development Fund includes revenues from the \$3 per passenger CBJ Port Development Fee and the \$5 per passenger State Marine Passenger Fee. FY12 is the first year that the CBJ received State Marine Passenger fees. The adopted carryover for the Port Development Fund is \$9.33 million for FY19 and \$15.98 million for FY20. By Federal law these funds (both the CBJ and State funds) are use restricted to the safety and efficiency of the cruise ships and their passengers. The State Marine Passenger Fee funds for FY19 and FY20 are being used to support the Docks and Harbors needs for infrastructure to support the growing cruise ship activity. The Port Development fee is being used for debt service on the revenue bonds issued for the Seawalk and cruise ship berth enhancement capital projects.

Visitor Services, Affordable Housing, Hotel Tax, Tobacco Excise Tax, and Library Minor Contributions – The projected carryover for these funds is obligated for specific uses and not considered available for general governmental functions.

Enterprise Funds (for all funds) – The total adopted carryover of \$102.14 million for FY19 and \$105.64 million for FY20 represents expendable resources for each fund and is not available for general governmental functions.

The Water and Wastewater Utility Enterprise Funds are projecting significant changes in their fund balances for the next fiscal years. These changes are the result of a rate study recently completed, which indicated both utilities needed to substantially increase revenues and expenditures in order to maintain and expand their infrastructure.

Fleet Services – Fleet services include both Equipment Acquisition and Fleet Maintenance. The adopted carryover is \$3.61 million for FY19 and \$4.31 million for FY20. Approximately \$282,000 of this fund balance is attributable to Fleet Maintenance with the remainder belonging to the Equipment Acquisition Fund. The Equipment Acquisition fund is be used to acquire various equipment needed for City operations (Police, Fire, Streets, etc.) and the fund balance is supported by a multi-year replacement/funding plan. The Equipment Acquisition replacement plan identifies the specific equipment, the estimated cost for each, and the year of planned replacement.

Risk Management – The total adopted carryover for FY19 is \$7.11 million and in FY20 is \$6.43 million. The current individual components of this balance are made up of \$5.71 million for Health & Wellness, \$(131,000) Safety & Workers Compensation, \$2.04 million General/Auto Liability, \$(203,200) Employee Practice/Property, \$(182,500) Special Coverage, and \$304,600 for Unemployment Compensation. These reserve funds support all CBJ functions including hospital and the School District. No specific balances are required beyond the actuarial determination amounts. However, the State of Alaska does have the authority to regulate CBJ’s third party coverage if they feel our self-insurance reserves are too low.

CHANGES IN FUND BALANCES

LID's – The fund balance carryover of \$1.61 million for FY19 and \$1.50 for FY20 is comprised of the water and wastewater extension and consolidated LID fund balances. The water and wastewater extension fund balances represent amounts available for future expansion of the water and wastewater lines and comprise \$1.31 million for FY19 and \$1.31 million for FY20. Consolidated LID's carryover deficit balance is projected to be \$298,200 for FY19 and \$190,300 for FY20. The principal balances in these funds have been levied for specific purposes, it is inappropriate to use these principal balances for anything other than the identified projects.

Debt Service – The total projected carryover is \$6.90 million for FY19, of which \$2.1 million is reserved and \$6.01 million for FY20, of which \$2.1 million is reserved. The reservation of fund balance is for the sales tax sinking fund that was established to repay the debt on the \$12.1 million and \$7.72 million School bond issues and the \$24.95M voters authorized in 2012 for the Centennial Hall renovation, airport terminal renovation, Aurora Harbor reconstruction, Eaglecrest learning center, Capital Transit maintenance shop, and various parks and recreation bathrooms, concessions and paving projects (\$10 million of these projects will be repaid with sales tax). The unreserved fund balance is targeted as a reasonable minimum to be maintained. However, there are no specific rules for maintaining a set balance since all bonds now carry fixed interest rates.

Jensen-Olson Arboretum – The projected carryover for FY19 is \$2.74 million, of which \$2.1 million is reserved and 2.8 million for FY20, of which \$2.1 million is reserved. This fund was established in FY07 to account for the Jensen-Olson property donated to the city. The donated property and other assets were to provide initial and ongoing support for an arboretum. We have reserved the principal amount, which the CBJ is precluded from spending as terms of the trust agreement. The term “arboretum” means a collection of living plants; including trees, shrubs, herbaceous and specimens permanently maintained for the purpose of recreation, research and education.

The remaining items contained in these schedules have been included for number comparisons only. The amounts shown do not represent available resources.

PROPERTY ASSESSMENT AND TAXATION

AUTHORITY

The City and Borough of Juneau’s authorization to levy a property tax is provided under Alaska State Statute Section 29.45. Under this section, the State *requires* the Assessor to assess property at full and true value as of January 1 each year. The full and true value is the estimated price that the property would bring in an open market in a sale between a willing seller and a willing buyer (AS 29.45.110)). The area wide projected “taxable” assessed value (full and true less exempted properties) for the 2019 fiscal year, (2018 calendar year) is \$4.92 billion, up from \$4.85 billion (a 1.4% increase) in 2018.

The rate of levy is to be fixed by Assembly resolution, determined annually before June 15, per AS 29.45.240. The State of Alaska requires a number of property exemptions that municipalities must exempt when taxing property (AS 29.45.030).

The taxable assessed value is net of a projected \$346 million of property exemptions The Senior Citizen and Disabled Veteran exemption is about 76% of the total. In FY19, these exemptions are projected to reduce property tax revenue by \$3.8 million.

ASSESSED VALUE CHANGES

The Assessor is projecting areawide taxable assessed values, net of estimated property appeals, for FY19 (calendar 2018) at \$4.92 billion. This amount includes both real and business personal property assessments. This represents an increase of \$65.5 million increase (1.4%) over the previous year. The City Assessor attributes the assessed value growth to increased residential home prices and new construction.

The table presented below shows the assessed values by service area for both real and business personal property.

PROJECTED TAXABLE ASSESSED VALUES BY SERVICE AREA (in millions)

<u>Service Area</u>	<u>2017</u>	<u>2018 Projected Values</u>		<u>Total</u>
	<u>Certified Roll</u>	<u>Real Property</u>	<u>Personal Property</u>	
Capital City Fire	\$4,361.4	\$4,217.76	\$208.5	\$4,426.3
Roaded Service Area	\$4,386.1	\$4,243.73	\$209.0	\$4,452.8
Areawide	\$4,854.9	\$4,555.80	\$364.6	\$4,920.4

PROPERTY ASSESSMENT AND TAXATION

MILLAGE RATES AND RESTRICTIONS

A one-mill levy is equal to one tenth of one percent (0.1%). A CBJ resident charged the “total mill rate” of 10.66 mills is paying property taxes equal to 1.06% of their assessed value. A one-mill levy assessed borough-wide will generate \$4.9 million in property tax revenues. The CBJ has three overlapping taxing areas (Areawide, Roaded and Fire) plus a separate debt service mill levy. Property can be subject to taxation in one, two or all three of these levies plus the debt service mill levy. Approximately 89.6% of taxable property is subject to the combined mill levy for the three taxing areas.

<u>Mill Levy</u>	<u>FY17</u>	<u>FY18</u>	<u>Adopted FY19</u>	<u>Approved FY20</u>
Operational				
Areawide	6.60	6.70	6.70	6.70
Roaded Service Area	2.30	2.30	2.30	2.30
Capital City Fire/Rescue	0.36	0.36	0.36	0.36
Total Operational	9.26	9.36	9.36	9.36
Debt Service	1.40	1.30	1.30	1.30
Total Mill Levy	10.66	10.66	10.66	10.66
Mill Change	-	-	-	-
% Change	-	%	-	%

The 2018 property assessments do not include an estimated \$290 million in required State exemptions for 1,838 (estimated) senior citizens and disabled veterans. Under State law, the responsibility for paying this property tax falls to the State of Alaska. However, the State has not appropriated funds for this mandated property tax exemption program for a number of years. The amount of FY19 property tax revenues that the CBJ will not collect from the State under the senior citizens and disabled veterans assessment exemption program is estimated at \$2.9 million.

In 1995, the CBJ voters approved a 12-mill operational property tax levy restriction on taxable property. This restriction **does not apply** to tax levies for voter approved general obligation debt. The debt service mill levy is in addition to the operational mill levy. The operating mill levy for FY19 is 9.36 mills, from the same as FY18. The debt mill levy is 1.30 for FY19, unchanged from FY18. This brings the total FY19 mill levy to 10.66, which is unchanged from FY18.

PROPERTY ASSESSMENT AND TAXATION

MILL LEVY HISTORY

Fiscal Year	Operational Mill Levies				Debt Service Mill Levy	Operational and Debt Mill Levies
	Areawide Operating	Roaded SA Operating	Fire SA Operating	Total (All 3 areas)		
1998	3.95	5.71	0.98	10.64	1.25	11.89
1999	4.23	5.48	0.93	10.64	1.38	12.02
2000	4.60	5.18	0.92	10.70	1.52	12.22
2001	4.88	5.19	0.74	10.81	1.22	12.03
2002	4.73	4.72	0.75	10.20	1.27	11.47
2003	4.97	4.72	0.75	10.44	1.03	11.47
2004	5.52	4.24	0.68	10.44	1.20	11.64
2005	5.55	4.69	0.70	10.94	1.06	12.00
2006	6.32	3.30	0.36	9.98	1.19	11.17
2007	6.71	2.26	0.29	9.26	0.91	10.17
2008	6.97	2.07	0.22	9.26	1.11	10.37
2009	6.22	2.60	0.34	9.16	1.21	10.37
2010	7.11	1.95	0.20	9.26	1.34	10.60
2011	6.98	1.93	0.35	9.26	1.25	10.51
2012	6.56	2.24	0.46	9.26	1.29	10.55
2013	6.66	2.17	0.43	9.26	1.29	10.55

2018	6.70	2.30	0.36	9.36	1.30	10.66
2019	6.70	2.30	0.36	9.36	1.30	10.66

This chart above shows the individual as well as combined (overlapping) mill rates for the three taxing areas and debt service.

PROPERTY ASSESSMENT AND TAXATION

COMMUNITY HISTORY AND SERVICE AREA STRUCTURE

The City and Borough of Juneau is a home rule unified City-Borough government. Juneau’s unified City concept was adopted by the voters in 1970. The unification combined the Cities of Juneau and Douglas and the Greater Juneau Borough into a single governmental unit.

In 1988, the Assembly formed Routed Service Area Number 9. Under this revised concept, services previously funded as areawide were transferred to the new Routed Service Area (see below). This shift provided tax relief to properties outside of the Routed Service Area for services not considered reasonably available to these properties.

In March 1994, the Assembly made a second modification to Juneau’s service areas by consolidating all of the fire service areas, seven, into a single service area. Consolidation of the fire service areas provides residents with improved fire response services. This consolidation also resulted in a single property tax mill levy for the fire service area.

General governmental services are divided into the following three taxing areas –

Areawide:

- | | | |
|----------------------------------|---------------------------------|---------------------------------|
| Education | Libraries | Building Maintenance |
| Legislative (Mayor and Assembly) | Finance | Parks and Landscape Maintenance |
| Manager’s Office | Human Resources | Social Services Grants |
| Law | Community Development | General Engineering |
| Clerk’s Office | Capital City Rescue (Ambulance) | Capital Projects |
| Management Information Systems | | |

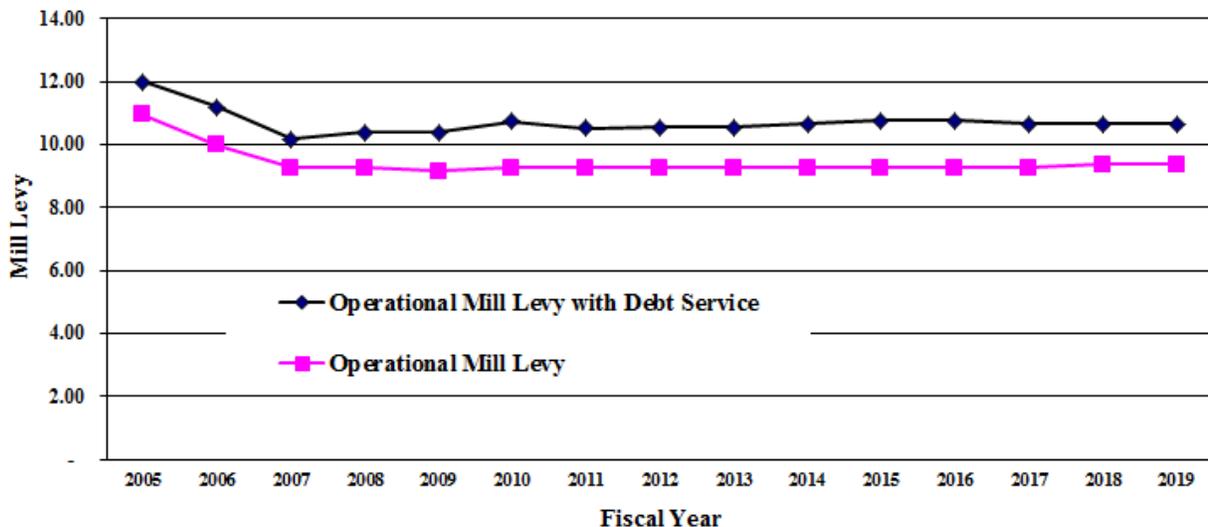

Routed Service Area Number 9:

- | | |
|---------|--------------------|
| Police | Parks & Recreation |
| Streets | Capital Transit |

Fire Service Area Number 10:

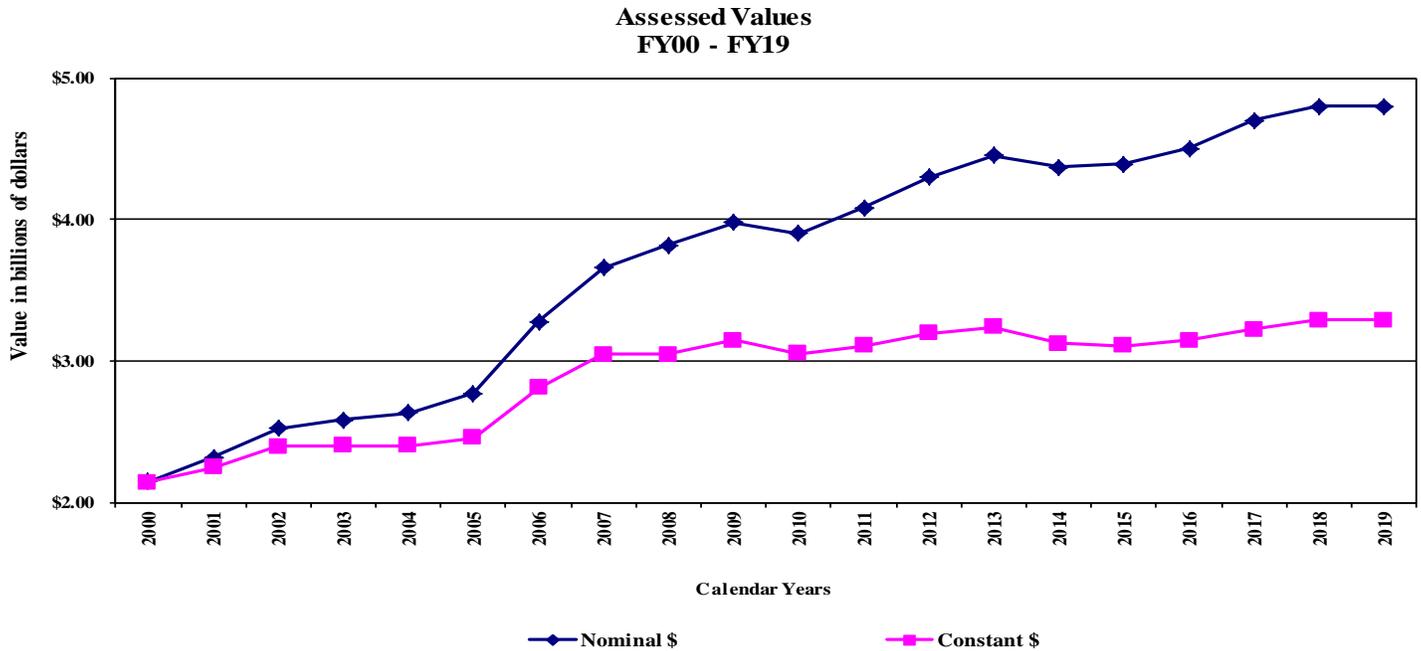

- Capital City Rescue (Fire)

The graph below shows the historical and proposed general operating and the total mill levy (including debt service) for the 15 years. The City’s practice has been to reduce the operating mill levy when financially practical.

PROPERTY ASSESSMENT AND TAXATION

The graph below shows the trend in borough-wide certified assessed values since 2000. Values are displayed for both inflation adjusted, “constant”, and non-adjusted, “nominal” dollars. The “constant” dollar line has been included to show how much of the increase in value over time is due to just new taxable properties versus the total nominal increase in value (combines new property values plus inflation). The CPI purchasing value adjustment, deflator, used was the average of Anchorage’s and Seattle’s CPI-U. Senior citizen and veteran property assessed values are excluded for comparison purposes.

NOTES

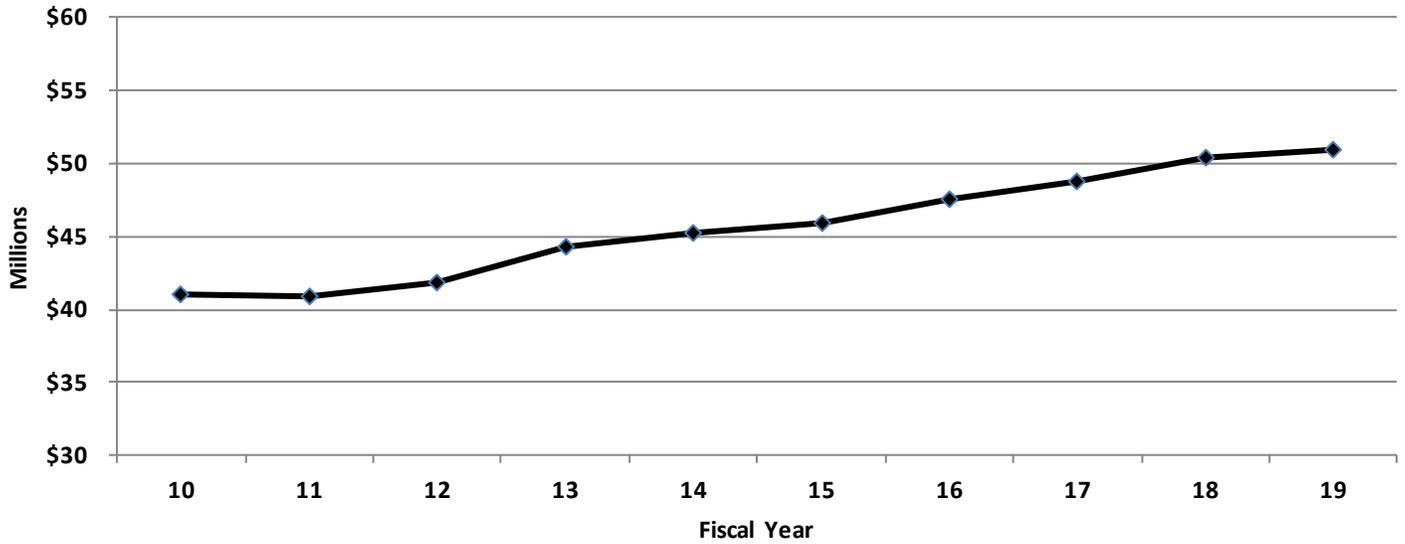

This page has been left for notes.

MAJOR REVENUES

REVENUE FROM LOCAL SOURCES

PROPERTY TAX REVENUES

The FY18 projection for property tax revenue is \$50.35M, up \$1.5M or 3.2% from FY17. The projection for FY19 is \$50.9M, an increase of 0.5M or 1.04%. The mill rates for FY18 and FY19 are 10.66 and 10.66 respectively.

FY10-17 are based on actual collections
FY18-19 are based on budget projections

For more information regarding property tax revenues, please see section entitled “Property Assessment and Taxation”.

MAJOR REVENUES

SALES TAX REVENUES

General Sales Tax Revenues for FY17 were \$46.6M, an increase of \$0.55M or 1.2%. The FY18 Projected and FY19 Proposed sales taxes are \$46.3M and \$46.6M. There is a net decrease in revenue of \$310,000 (0.3%) in FY18 and further an increase of \$300,000 (0.3%) in FY19. Flat revenues are being projected due to competing positive and negative activity in the local economy. State government budget contraction the past several years has led to a loss of state government and construction jobs. While growth in tourism is driving an increase in local retail spending. Other major workforce categories (mining, fishing and local government) are stable. Information on each type of sales tax is listed below.

GENERAL SALES TAX

CBJ voters have imposed a general sales tax as allowed by Alaska Statute 29.53.415. The general sales tax is to be collected on all retail sales, rentals (except long-term residential) and services performed within CBJ boundaries, with certain exceptions as listed in CBJ Code Section 69.05.040.

PERMANENT SALES TAX

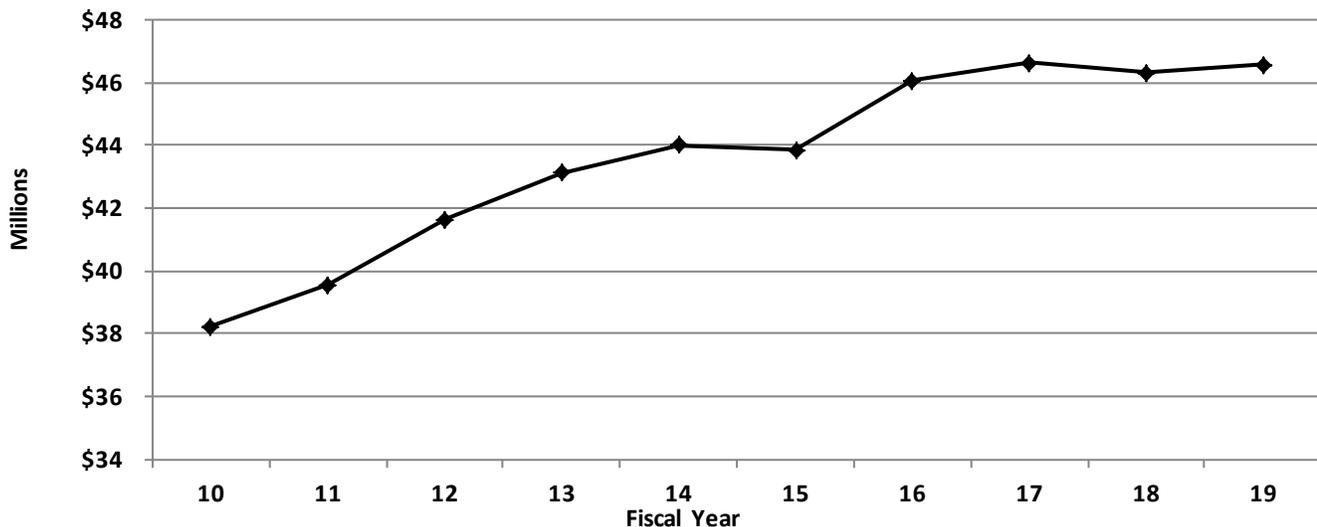

- The permanent area wide sales tax rate is 1%. This funding source is used to support general government operations.

TEMPORARY 1% SALES TAX

- October 1, 2018 – September 30, 2023. This 1% tax was voter approved to fund the cost of renovations, construction and capital improvements to the facilities of the CBJ, including the airport, Aurora Harbor, Water and Wastewater infrastructure, maintenance and improvements; Augustus Brown Pool, Centennial Hall, and other parks, and recreation facilities.

TEMPORARY 3% SALES TAX

- Effective July 1, 2017, voters approved a continuation of the 3% temporary tax for an additional five years, ending June 30, 2022. The additional tax levy is allocated as follows: 1% to general government operations; 1% to capital improvements; and 1% to the following areas: capital improvements, and general government services (including Better Capital City and youth activities.)

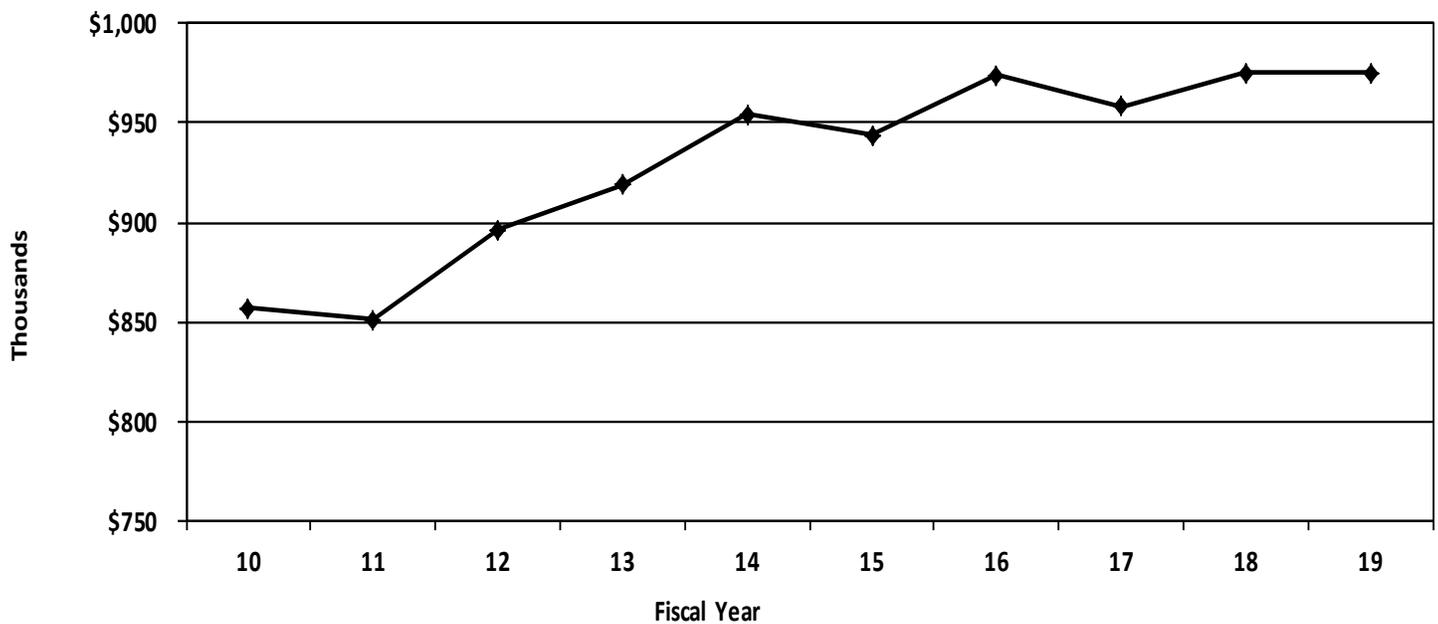

FY10-17 are based on actual revenue collected
FY18-19 are based on estimated collections

MAJOR REVENUES

LIQUOR SALES TAX

On January 1, 1985, CBJ voters imposed a 3% tax on the retail sales of alcoholic beverages within CBJ boundaries (CBJ Code 69.05.020). The liquor sales tax is an additional tax on top of the general sales tax, created to generate revenue to provide support to local social service programs.

Liquor Tax Revenues for FY17 were \$958K, down \$16K or 1.7%. FY18 projections for liquor tax revenues are \$975K, up \$17K or 1.8%, forecast to remain flat in FY19.

FY10-17 are based on actual revenue collected
FY18-19 are based on estimated collections

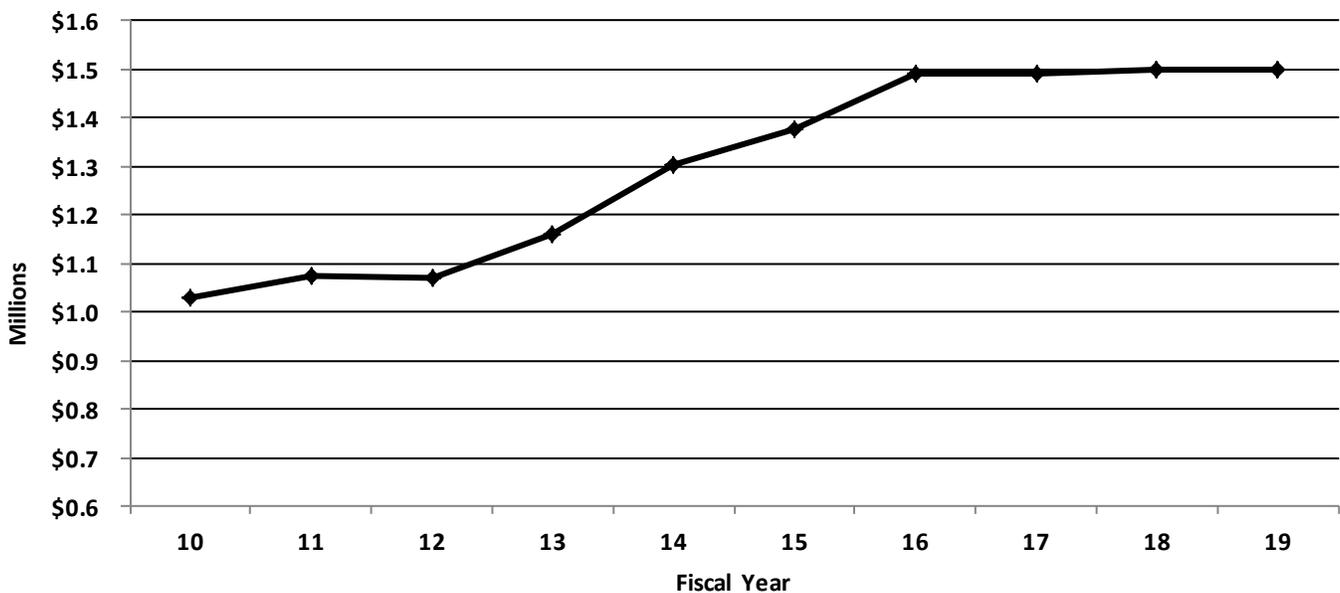

MAJOR REVENUES

HOTEL-MOTEL ROOM TAX

On January 1, 1981, CBJ voters imposed a tax on transient room rental under CBJ Code 69.07.010 through 69.07.140. The original tax imposed was 3% of gross receipts on room rents to persons occupying rooms for less than 30 days.

Effective January 1, 1985, and 1989, voters approved additional permanent 2% increases in the hotel-motel room tax. This brought the total hotel-motel room tax to 7% of gross room receipts

Hotel-Motel room tax revenues for FY17 were \$1.49M. FY18 projections for Hotel-Motel room tax revenues are anticipated to increase slightly \$11K over FY17 by 0.7%. FY19 proposed budget for Hotel-Motel room tax revenues is unchanged from the FY18 projection of \$1.50M. The plateau appears to be the result of decreased business and state government travel to Juneau.

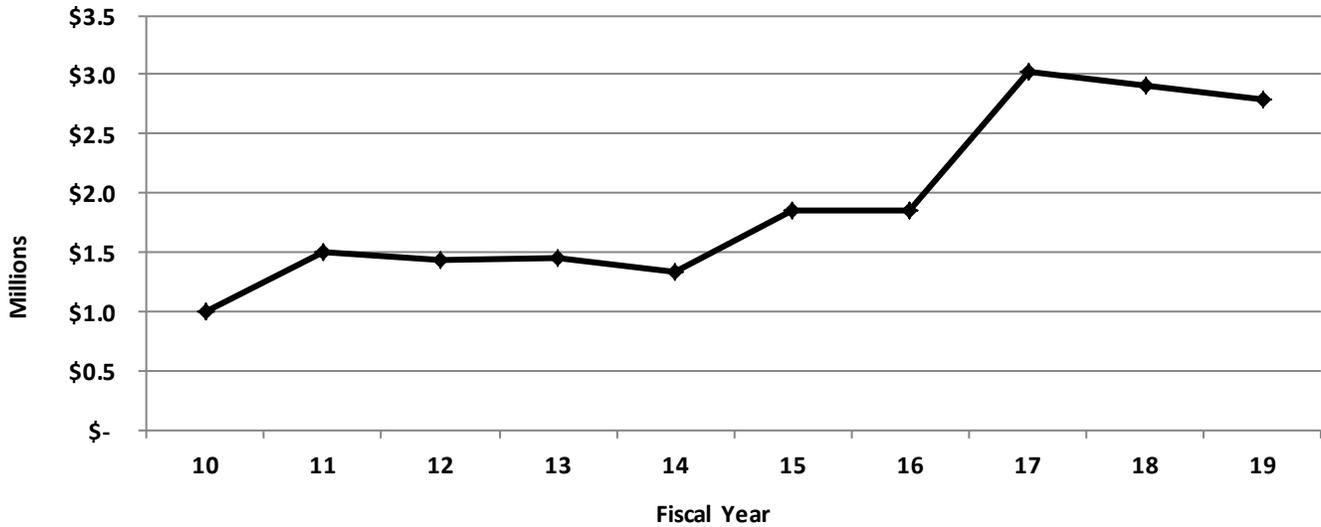

FY10-17 are based on actual revenue collected.
FY18-19 are based on estimated collections.

MAJOR REVENUES

TOBACCO EXCISE

Legislation to increase the tobacco excise tax on cigarettes from \$1 to \$3 per pack was adopted on February 2, 2015, effective April 1, 2015 (Ordinance 2015-01(b)). The excise tax on “other tobacco products” remains at 45% of the wholesale price, but the definition was expanded to cover e-cigarettes effective April 1, 2015.

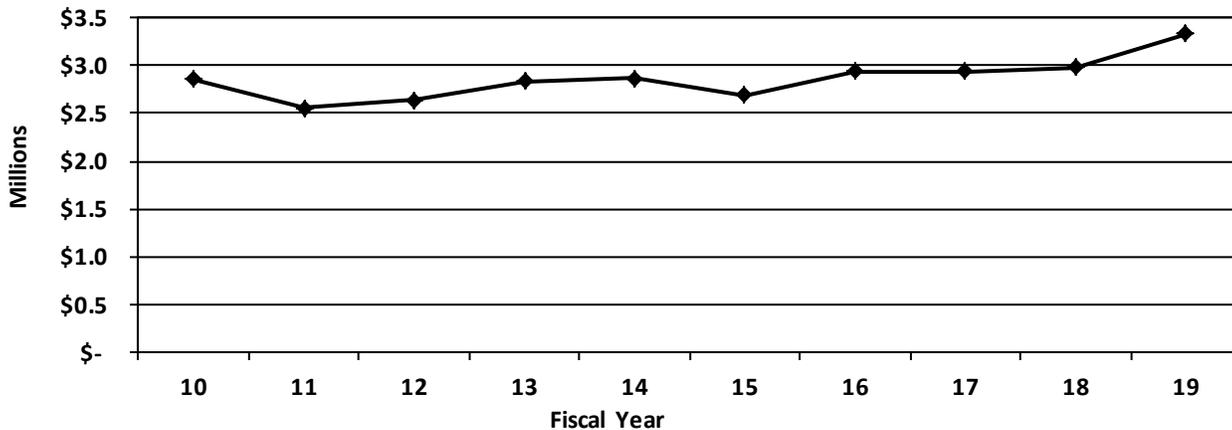

FY17 tax revenues were \$3.03M. FY18 projections are projected to decrease to \$2.90M a decrease of \$129K or (4.3%) over FY17. FY19 revenues are projected to dip to \$2.78M.

FY10-17 are based on actual collections
 FY18-19 are based on budget projections

PORT DEVELOPMENT FEE

Port Development Fee revenue for FY16 was \$2.94M. The FY17 projection for Port Development Fees is \$2.98M an increase of \$40K or 1.4% over FY16 actuals. The FY18 Port Development Fees projection is \$3.04M, an increase of \$60K or 2.0% over FY17.

The proceeds from this fee are to be used to fund Capital Improvements to the downtown waterfront.

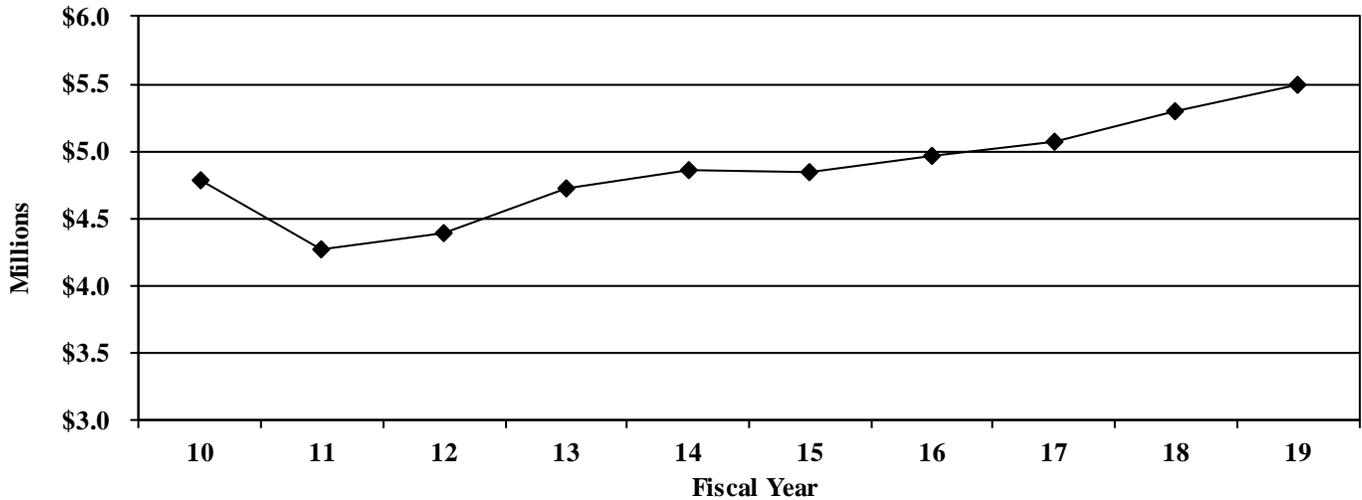

FY10-17 are based on actual collections
 FY18-19 are based on budget projections

MAJOR REVENUES

CBJ MARINE PASSENGER FEE

On October 5, 1999, the CBJ voters in a general election adopted an initiative establishing a \$5 per passenger marine passenger fee. This fee was to become effective February 23, 2000 with no expiration date set.

Marine Passenger Fees in FY17 were \$5.07M. FY18 projections are \$5.30M, an increase of \$230K or 4.6% over FY17 actuals. Projections for FY19 are \$5.50M, an increase of \$200K or 3.8% over FY18 projections.

FY10-17 are based on actual collections

FY18-19 are based on budget projections

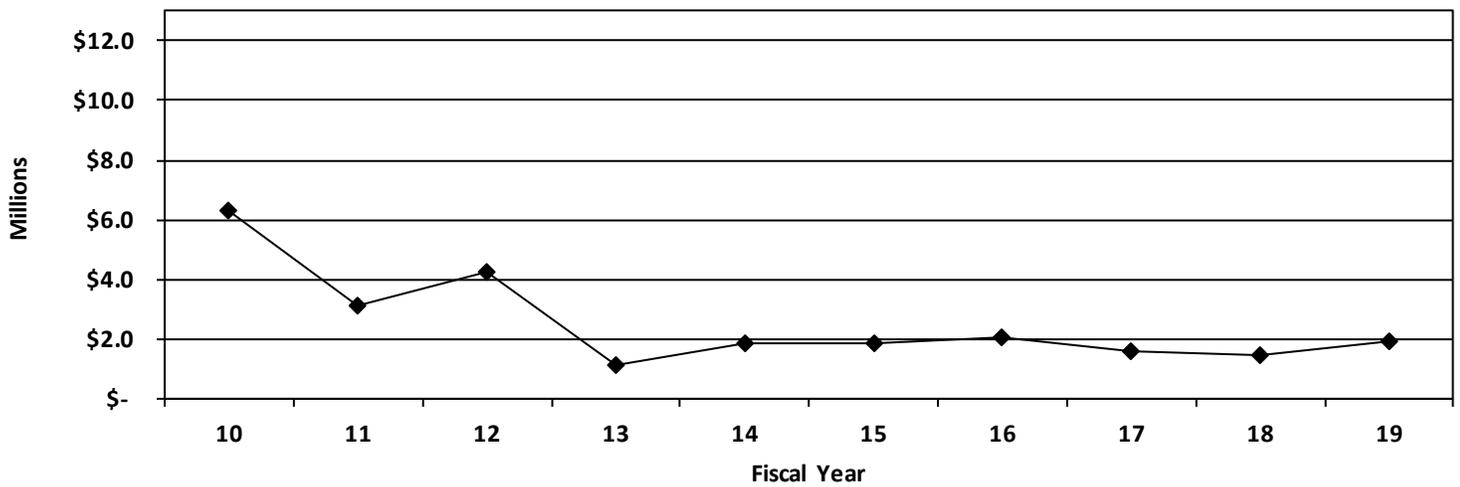

MAJOR REVENUES

INVESTMENT INTEREST INCOME

The CBJ receives interest income from Central Treasury Investments, Local Improvement Districts (LID) and various delinquent accounts receivable. Interest income from Central Treasury investments represents the largest interest income source. Investments are made in accordance with CBJ Code 57.25.010 through 57.25.140. Investment selection places security of the principal as the prime objective with liquidity and yield as important secondary considerations.

For federal funds, the rate is expected to gradually increase in FY19. This will continue the overall low interest rate environment, though we anticipate a slight increase in portfolio yields.

Interest Income for FY17 was \$1.6M. The FY18 projection is \$1.5M, a decrease of \$120K or 7.5% from the FY17 actuals. The FY19 projection is \$1.9M, an increase of \$460K, or 31%.

FY10-17 are based on actual collections

FY18-19 are based on budget projections

MAJOR REVENUES

REVENUE FROM STATE SOURCES

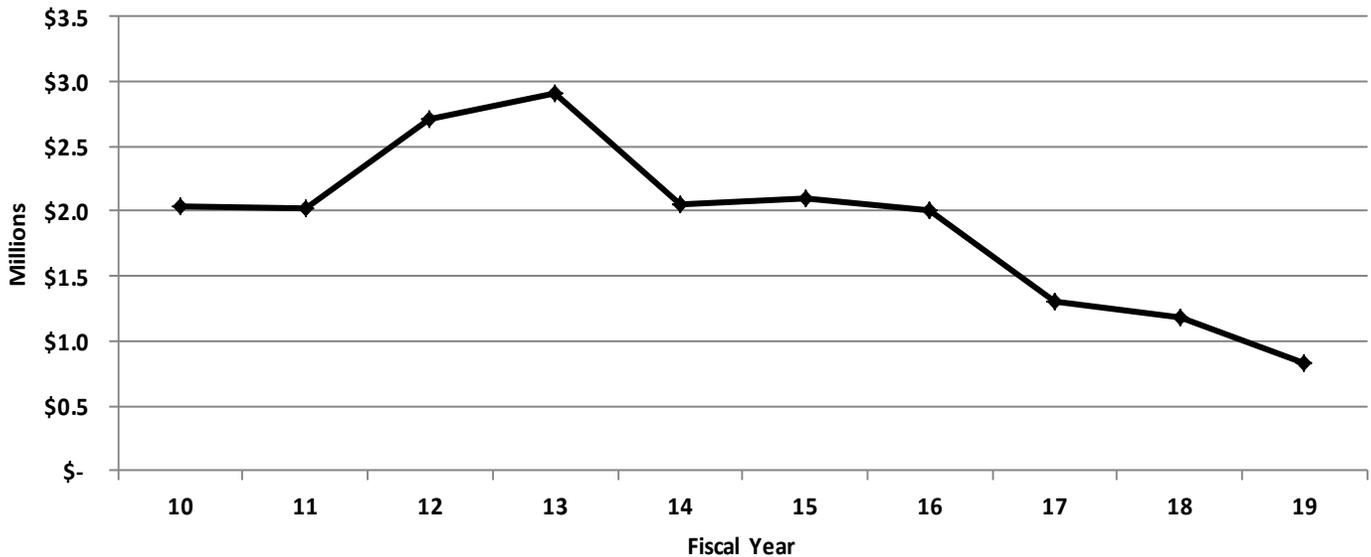

COMMUNITY REVENUE SHARING / COMMUNITY ASSISTANCE PROGRAM

In March, 2008, the State Legislature adopted legislation to bring some stability to municipal revenue sharing. The adopted legislation changed the name from “Municipal Tax Resource Equalization Assistance and Priority Revenue Sharing for Municipal Services” to “Community Revenue Sharing” (CRS). The legislation additionally established a “Community Revenue Sharing Fund” for the purpose of making community revenue sharing payments and a formula to calculate the payments to be distributed to each community.

COMMUNITY REVENUE SHARING (CRS) PAYMENTS / COMMUNITY ASSISTANCE PROGRAM (CAP) PAYMENTS

In FY17, the state legislature passed SB 210 which changed Community Revenue Sharing to Community Assistance. A significant change, of course, was to the name of the program. There is no longer a community revenue sharing program. The Division of Community and Regional Affairs (DCRA) has been working on revising the regulations to incorporate the program name change to the Community Assistance Program.

Based on the CRS formula, the CBJ received \$1.3M in FY17 and is projected to receive \$1.2M in FY18 as the first installment under CAP. The FY19 CAP payment is estimated to be \$800K.

FY10-17 are based on actual revenue collected
FY18-19 are based on budget projections

MAJOR REVENUES

SCHOOL FOUNDATION FUNDING

State aid to local school districts is provided in accordance with Alaska Statutes 14.17.400 through 14.17.990. The formula used to calculate state aid for the local school districts has evolved over time, with several components being added, deleted or modified. The current formula adjusts the student count, or average daily membership (ADM), with factors based on school size, district costs, special needs, intensive needs and correspondence studies to provide the total district adjusted ADM. This adjusted ADM is then applied to the base student allocation to arrive at the total basic need for each district. The total basic need is funded by both state and local contributions. This graph represents the state's contributions since FY10.

The FY11 foundation funding was \$37.2M an increase of \$2.2M or 6.3% over FY10.

The FY12 foundation funding was \$36.9M a decrease of \$242K or 0.6% from FY11.

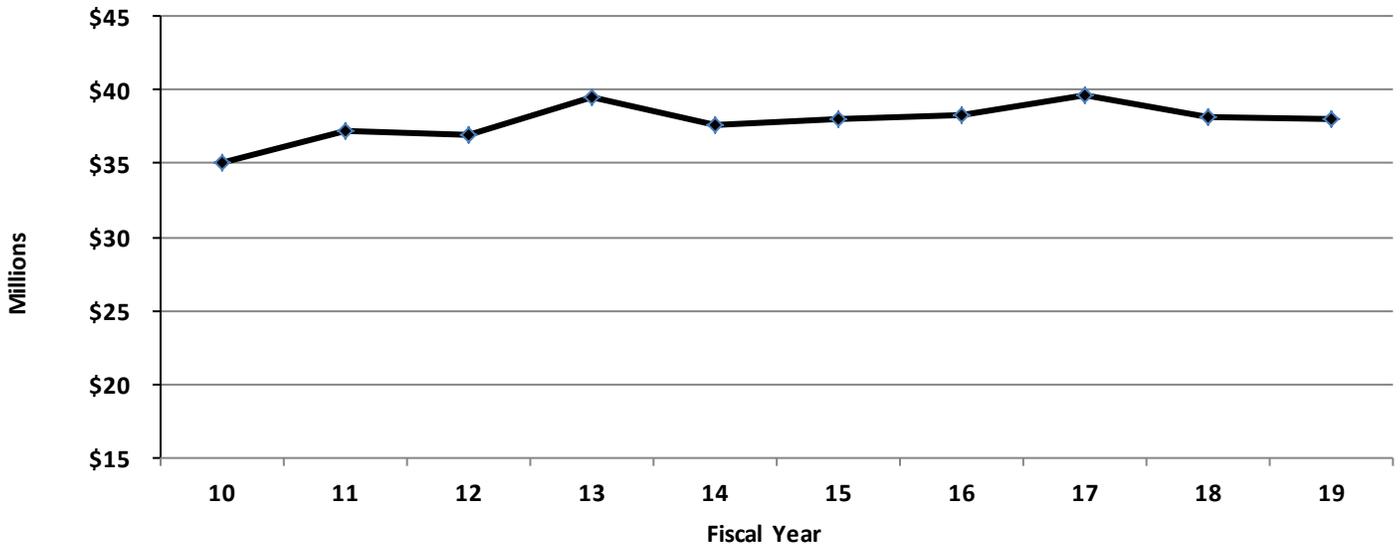

The FY13 foundation funding was \$39.4M an increase of \$2.5M or 6.7% over FY12.

The FY14 foundation funding was \$37.7M a decrease of \$1.8M or 4.5% from FY13.

The FY15 foundation funding was \$38.0M an increase of \$0.34M or 0.9% over FY14.

The FY16 foundation funding was \$38.3M an increase of \$0.26M or 0.7% over FY15.

The foundation funding projection for FY17 is \$39.7M. The base student allocation is set at \$5,930 for both FY17 and FY18. The actual student population (based on October student counts) for FY17 is 4,527.

FY10-16 are based on actual revenue collected

FY17-18 are based on budget projections

MAJOR REVENUES

SCHOOL PERS/TRS FUNDING

Starting in FY08, the State has been providing funding assistance to local governments and school districts to help defray the increased costs of the PERS and TRS retirement systems. The School District has received the following from this funding source:

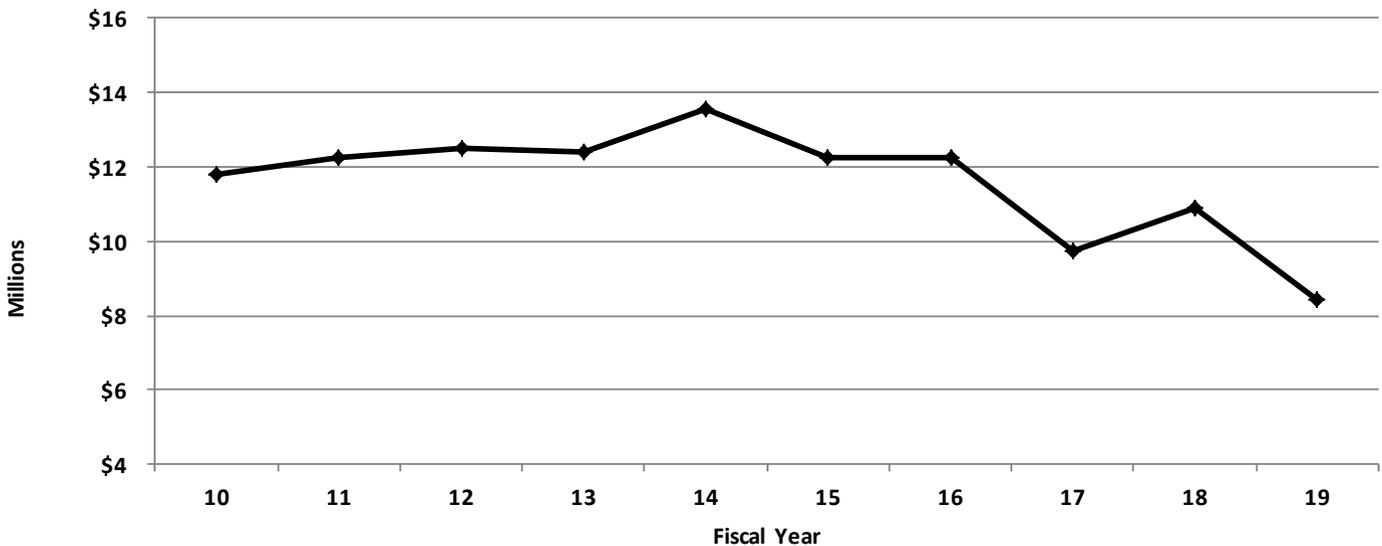

FY11 Actual	\$8.39M
FY12 Actual	\$10.5M
FY13 Actual	\$12.9M
FY14 Actual	\$13.2M
FY15 Actual	\$77.4M
FY16 Actual	\$ 5.5M
FY17 Actual	\$ 4.8M
FY18 Projected	\$ 4.7M
FY19 Projected	\$ 5.4M

SCHOOL CONSTRUCTION BOND DEBT REIMBURSEMENT

Alaska Statute 14.11.100 provides for state aid to assist in funding the costs of school construction debt incurred by local government units. Originally established to reimburse payments made after July 1, 1975, several changes and modifications have been made to the program over the years, such as extending the deadline for voter authorization of qualifying debt and changing the reimbursable percentage rates.

The actual percentage of reimbursement and the time frame for reimbursement vary under the program depending upon the date the debt or expense was incurred.

CBJ receives 60% or 70% reimbursement from the State of Alaska for debt payments made on eligible school-related construction bonds. The actual reimbursements received in FY09-FY16 reflect payments received from State of Alaska on debt issued for school construction projects between 1998 and 2014. The large decrease in FY17 is the result of Governor Walker's reduction in School Construction Debt Reimbursement to communities and certain school bonds being fully paid off. FY18 reflects a return to the regular level of funding. FY19 debt service declines further as more school bonds become fully paid. In CY15, the State of Alaska implemented a 5-year moratorium on school construction debt reimbursement. No additional school construction bond issues are anticipated before FY20.

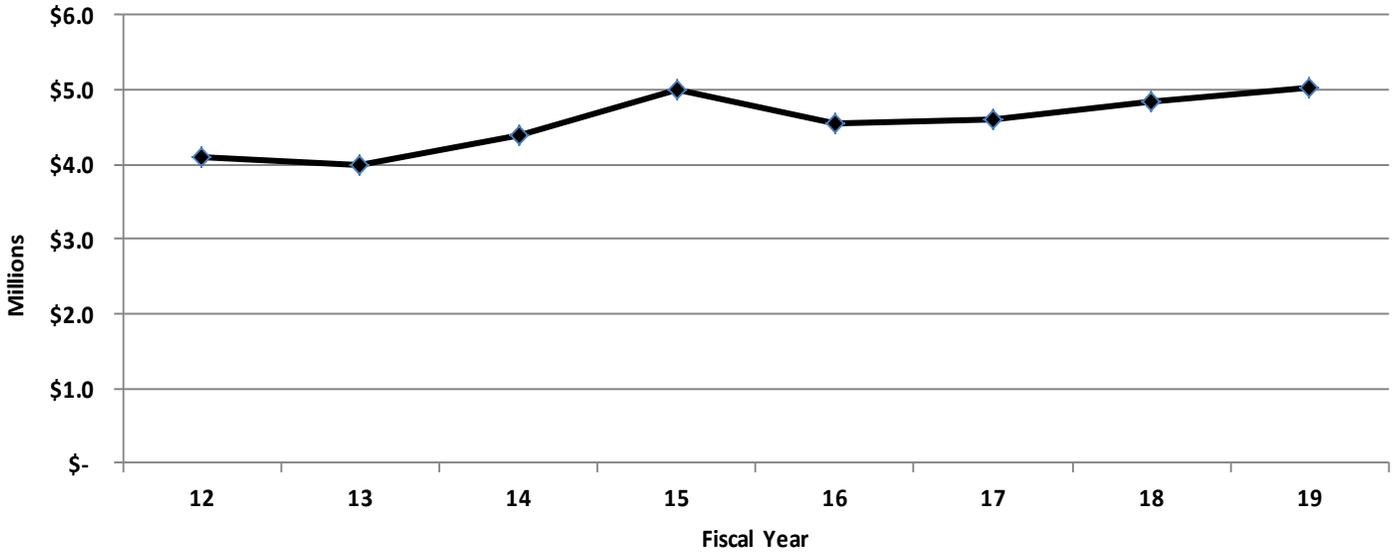

FY10-17 are based on actual revenue collected
 FY18-19 are based on budget projections

MAJOR REVENUES

STATE MARINE PASSENGER FEE

The State of Alaska instituted a State marine passenger fee to be collected beginning in 2011, with the CBJ receiving the first payment from the State in FY12. The CBJ receives \$5 per passenger of the amount collected by the State.

State Marine Passenger Fees for FY17 were \$4.60M and are projected to increase in FY18 to \$4.85M, up \$250K or 5.4%. FY19 revenue projections are expected to increase to \$5.03M, up \$175k or 3.6% from FY18.

FY10-17 are based on actual revenue collected
FY18-19 are based on budget projections

MAJOR REVENUES

REVENUE FROM FEDERAL SOURCES

Revenues from Federal Sources for general government in FY17 were \$2.12M and are projected to increase slightly in FY18 to \$2.22M, up \$96K or 4.5%. FY19 projections are \$2.15M, a decrease of \$67K or 3.0% below FY18.

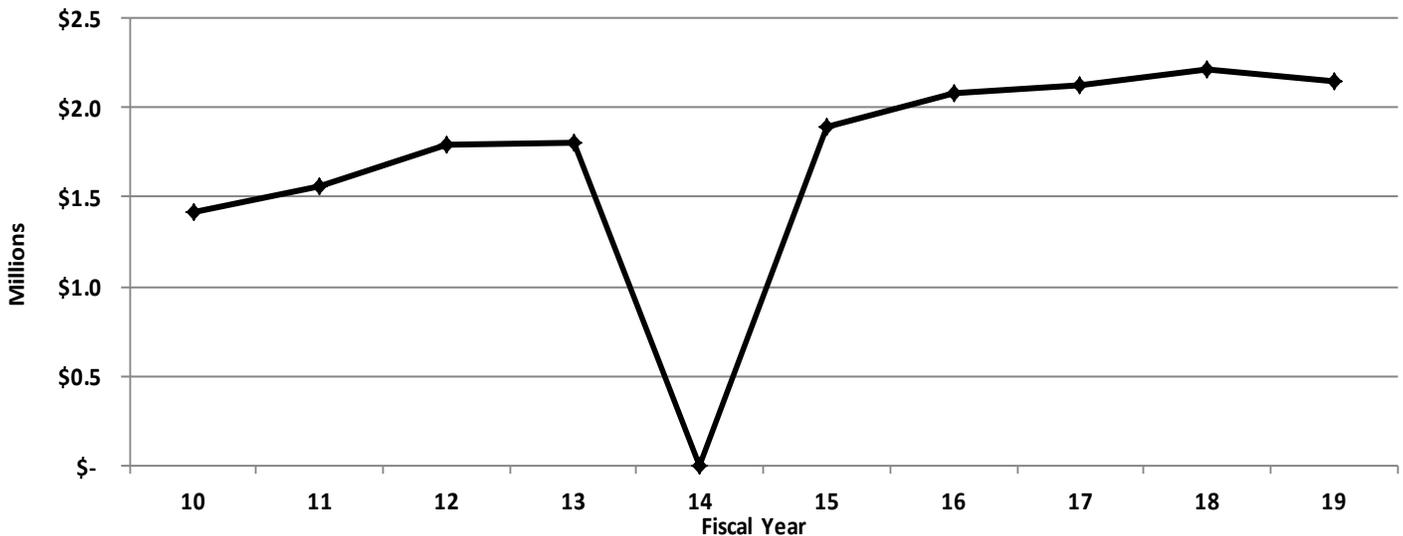

FEDERAL PAYMENTS IN LIEU OF TAXES (PILT)

The Federal Payment-in-Lieu-of-Taxes Act of 1976 was enacted to compensate local governments for lost taxes on land held by the federal government. The federal government would provide payments in lieu of taxes on federally owned land within the local government's administrative boundaries.

The payment-in-lieu-of-taxes is calculated by multiplying all lands within the boundaries by cents per acre (cents determined by federal law annually) and deducting payments received under other federal programs (e.g. National Forest Timber Receipts). Local governments are currently guaranteed a minimum of at least \$0.29 per acre for all lands within the administrative boundaries. If 100% funding is not available to carry out the program, the funds are distributed on a prorated basis.

CBJ's PILT payments vary from year to year depending on variables such as cents per acre, population, the amount of National Forest Timber Receipts received in prior year and the federal proration factor due to the annual appropriation level.

PILT revenues increased in the years FY08 through FY12 due to the adoption of the 2008 Federal Stimulus Program. This program increased the prorated funding from 64% to 100% for these 5 years. No Federal PILT revenue was received for FY14 as the program was not reauthorized due to the reduction of the proration factor from 100% to 70%, reflecting the expiration of the 2008 Federal Stimulus Program in FY12. Revenue for FY17 was \$2.12M, up 2.0%. The FY18 projection is \$2.22M, and projection for FY19 is \$2.15M.

FY10-17 are based on actual revenues collected
FY18-19 are based on budgeted projections

NONDEPARTMENTAL SPECIAL REVENUE FUNDS

This section contains various Revenue Funds. The funds are listed mainly for accounting purposes to keep track of revenues and support to service departments. The dollar amounts listed in these funds support the budgeted service listed in other sections.

Note: The Affordable Housing Fund comes under the direct operational responsibility of the Mayor and Assembly. Dispersement from the Affordable Housing Fund requires specific Assembly authorization. During FY18, the Assembly continued the CBJ Accessory Apartment Grant Incentive Program to be used over a five year period (or until the funds are used). The CBJ Accessory Apartment Grant Incentive Program provides \$6,000 incentive grants to homeowners for new accessory apartment units that pass a final inspection and receive a Certificate of Occupancy.

NOTES

CAPITAL PROJECTS

INTRODUCTION

Each year the City and Borough of Juneau (CBJ) prepares a new edition of its six-year plan for Capital Improvement Project (CIP) expenditures. The process begins with a Preliminary Six-Year Plan, which provides information regarding the CBJ's capital project needs for FY19-24.

The Public Works and Facility Committee (PWFC) presents their recommendations on projects and funding sources to the Assembly Finance Committee (AFC) during the budget deliberation process. The Preliminary Capital Improvement Plan, prepared by the Engineering Department, is the working document used by the PWFC to make their recommendations to the AFC. The Plan includes information regarding the FY19 capital priorities established by the Assembly, PWFC and/or the City Manager.

Final decisions regarding which capital projects will be funded in FY19 are made by the CBJ Assembly during the budget process, once the amount of sales tax revenues that can be directed toward capital projects is determined in light of other CBJ budget needs. The CBJ's final six-year CIP plan for FY19 is prepared after the budget process is completed.

The **City and Borough of Juneau, Capital Improvement Program for Fiscal Years 2019 – 2024** is published separately as a companion document to the **City and Borough of Juneau, Biennial Budget for Fiscal Year 2019**.

CRITERIA FOR EVALUATION OF CAPITAL IMPROVEMENT PROJECTS

The following criteria were used to evaluate the proposed capital projects and to establish funding priorities for FY19.

1. Support: Projects that are a high priority of the Department or Committee proposing it as well as the general public.
2. Consistency: Projects that are consistent with applicable CBJ plans or policies.
3. Health and Safety: Projects that will address an imminent or expected threat or danger to users or occupants.
4. Maintenance or Repair of Existing Property: Projects that will prevent further deterioration or damage to property.
5. Local Match for Federal/State Grants: Funds required to match federal or state capital project funds.
6. Maintenance Impact: Projects that will increase efficiency and reduce on-going operating costs.
7. Economic Development Stimulus: Projects that directly or indirectly stimulate economic development in the community.
8. Anticipated Need: Projects that enhance or expand an existing facility or service to accommodate increased public use.
9. Recreational: Projects that establish, enhance or expand a facility or service to accommodate new or increase public use.
10. Funding Alternatives: Funding alternatives are explored for each project.

CAPITAL PROJECTS

PRIORITIES

The Capital Improvement Program lists the capital project priorities of the CBJ for FY19 that have been established by the Assembly, the PWFC and/or the City Manager. FY19 Capital Project funds may be available from the following sources:

1. CBJ General Sales Tax Revenues for Capital Projects
2. CBJ Temporary 1% Sales Tax for Capital Projects
3. CBJ 1% Areawide Sales Tax Revenues for Capital Projects
4. Marine Passenger Fees
5. Port Development Fees
6. Enterprise Funds
7. Other Funds

FY19 Proposed Capital Project Budget

The table below shows the source of funds for the FY18 capital budget as well as the funding sources for the Adopted FY19 capital budget.

Table 1
Summary of FY19 & FY20
Capital Project Funding Sources
 (costs in thousands)

FUNDING SOURCES	Adopted FY18 Budget	Adopted FY19 Budget
Sales Tax: General Capital Projects	\$ 1,000.0	\$ 1,000.0
Temporary 1% Sales Tax	1,570.0	7,400.0
Sales Tax: 1% Areawide Sales Tax for Capital Projects	8,500.0	9,100.0
Marine Passenger Fees	1,827.8	2,635.0
State Marine Passenger Fees	4,600.0	-
Port Development Fees	-	-
General Governmental Support	600.0	-
Lands	685.0	100.0
Bartlett Regional Hospital	-	-
Docks and Harbors	533.0	-
Wastewater Utility Enterprise Fund	4,815.0	3,845.0
Water Utility Enterprise Fund	2,500.0	1,600.0
Total	\$ 26,630.8	\$ 25,680.0

Comprehensive information on sales tax, marine passenger fees and port development fee revenues can be found in the Major Revenue section of this budget document.

A complete listing of all proposed FY19 – FY24 Capital Projects along with a brief project description and estimated annual operating costs can be found in the publication, **City and Borough of Juneau, Capital Improvement Program, Fiscal Years 2019 – 2024**, which is a companion to the **City and Borough of Juneau, Biennial Budget, Adopted Fiscal Year 19**.

(1) In 2002, the Assembly Finance Committee directed staff to transfer unexpended Marine Passenger Fee funds, designated for specific projects and activities, to Waterfront Open Space Land Acquisition. Unexpended proceeds are returned to the Marine Passenger Fee Fund and appropriated to Waterfront Open Space Land Acquisition as part of the subsequent year budget process.

MAYOR AND ASSEMBLY

MISSION STATEMENT

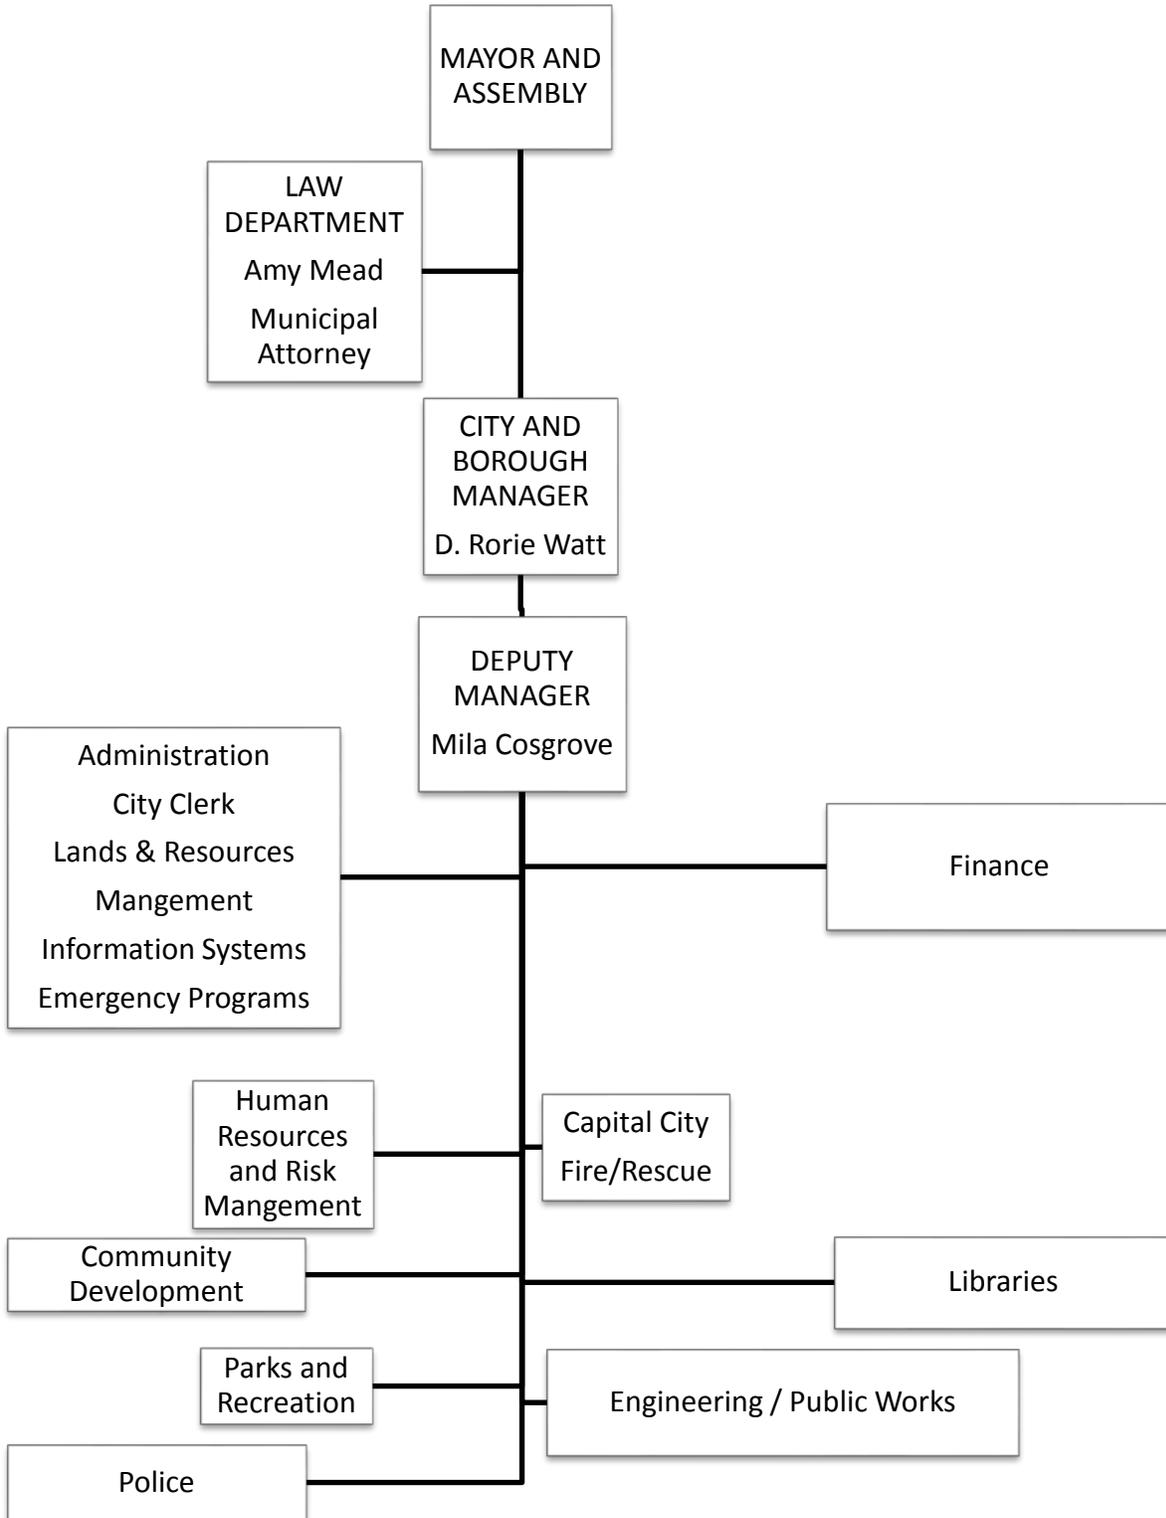

The mission of the Mayor and Assembly is to exercise the legislative and policy-making powers of the municipality and to provide for the performance of all duties and obligations imposed upon the municipality by Charter. The Mayor shall preside at meetings of the Assembly; be a member of the Assembly with all the powers and duties of that office; and in emergencies, have the powers conferred by law upon peace officers and shall exercise such powers to prevent disorder, preserve the public peace and health, and to provide for the safety of persons and property.

MAYOR AND ASSEMBLY

BUDGET HIGHLIGHT

The Mayor and Assembly FY19 Adopted Budget shows an increase over the FY18 Amended Budget of \$134,400 (2.5 %). The FY20 Approved Budget shows a decrease from FY19 of \$564,100 (10.2 %).

The significant budgetary changes include:

FY19 Adopted Budget

- Personnel services increased \$41,500 (24.0%) due to upcoming assembly elections and the assumption that any replacements would be filled with fully benefited Assembly members.
- Commodities and services increased \$100,200 (24.4%) due primarily to a change in Building Maintenance accounting practices.
- Grants paid out decreased \$21,800 (0.5%) primarily due to the grant for Celebration only occurring in even years.

FY20 Approved Budget

- Personnel services increased \$44,900 (21.0%) due to upcoming assembly elections and the assumption that any replacements would be filled with fully benefited Assembly members.
- Grants paid out decreased \$609,000 (10.2%) primarily due to decrease in the grants to the Juneau Arts and Humanities Council and the Juneau Community Foundation, as well as one time grants in FY19 of \$159,000.

BUDGET HIGHLIGHT

The City Manager's FY19 Adopted Budget shows a decrease from the FY18 Amended Budget of \$232,500 (7.6%) and the FY20 Approved Budget shows a decrease from FY19 of \$570,300 (20.2%).

The significant budgetary changes include:

FY19 Adopted Budget

- Personnel services decreased from the FY18 Amended Budget by \$94,500 (5.6%) due to more accurate budgeting for Emergency Services salaries.
- Commodities and services decreased from the FY18 Amended Budget by \$138,000 (10.6%) due to more accurate budgeting for Emergency Services grant expenditures.

FY20 Approved Budget

- Personnel services increased over the FY19 Adopted Budget by \$52,000 (3.3%) due to anticipated increases in salaries and benefits.
- Commodities and services decreased from the FY19 Adopted Budget by \$622,300 (53.3%) primarily due to the expectation of no legal expenses related to the CLIAA lawsuit.

CITY CLERK

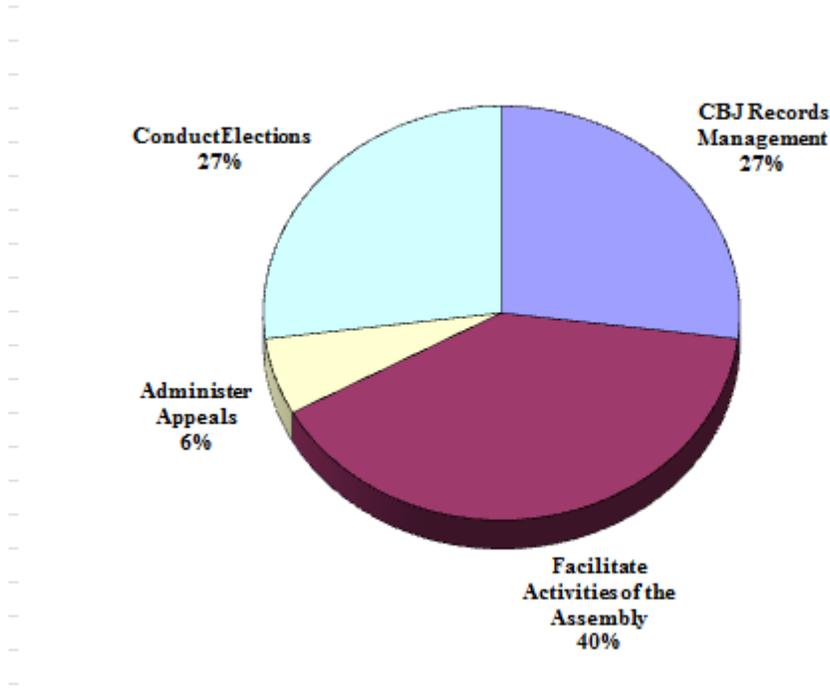

MISSION STATEMENT

The Municipal Clerk provides access to the work of the Assembly and ensures fair and accurate elections.

BUDGET HIGHLIGHT

The City Clerk FY19 Adopted Budget shows a decrease from the FY18 Amended Budget of \$38,200 (9.2%) and the FY20 Approved Budget shows an increase over FY19 of \$5,300 (1.4%).

The significant budgetary changes include:

FY19 Adopted Budget

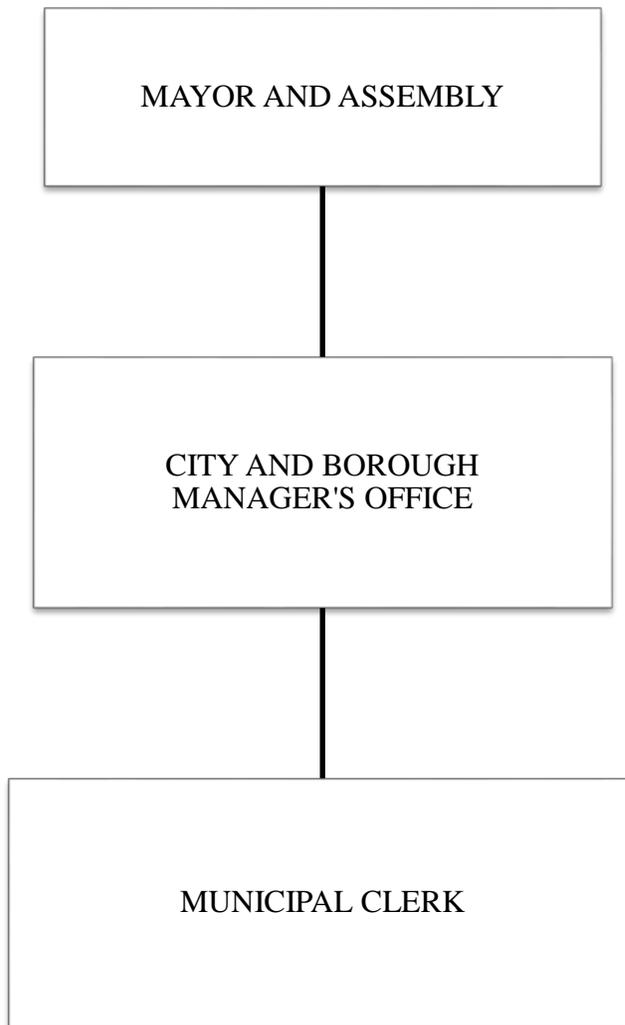

- Personnel services decreased from the FY18 Amended Budget by \$46,400 (13.7%) due to the retirement of a long time employee.
- Commodities and services increased over the FY18 Amended Budget by \$8,200 (10.8%) primarily due to a change in Building Maintenance accounting practices.

FY20 Approved Budget

- Personnel services increased over the FY19 Adopted Budget by \$5,500 (1.9%) due to anticipated increases in salaries and benefits.

BUDGET HIGHLIGHT

The Management Information System FY19 Adopted Budget shows an increase over the FY18 Amended Budget of \$112,900 (4.2%) and the FY20 Approved Budget shows an increase over FY19 of \$80,000 (2.9%).

The significant budgetary changes include:

FY19 Adopted Budget

- Personnel services increased from the FY18 Amended Budget by \$16,000 (0.9%) due to anticipated increases in wages.
- Commodities and services increased over the FY18 Amended Budget by \$96,900 (11.5%) primarily due to annual software maintenance increases and a change in Building Maintenance accounting practices.

FY20 Approved Budget

- Personnel services increased over the FY19 Adopted Budget by \$53,000 (3.0%) due to anticipated increases in salaries and benefits.
- Commodities and services increased over the FY19 Adopted Budget by \$27,000 (2.9%) primarily due to annual software maintenance increases.

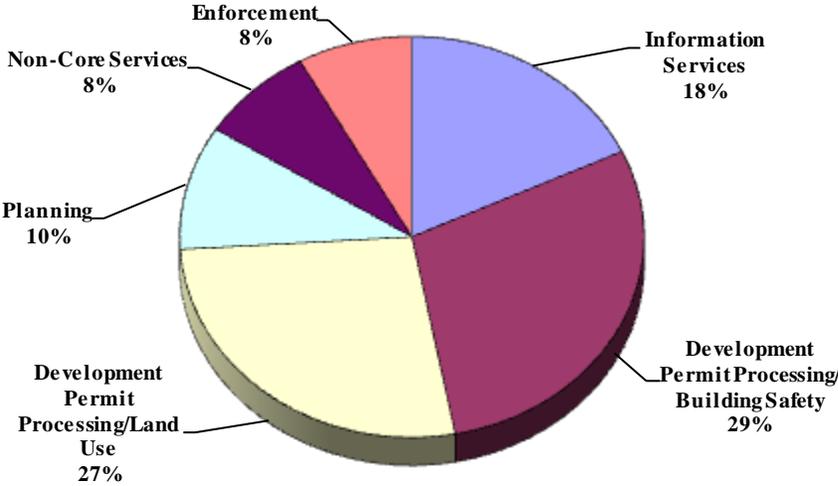

COMMUNITY DEVELOPMENT

MISSION STATEMENT

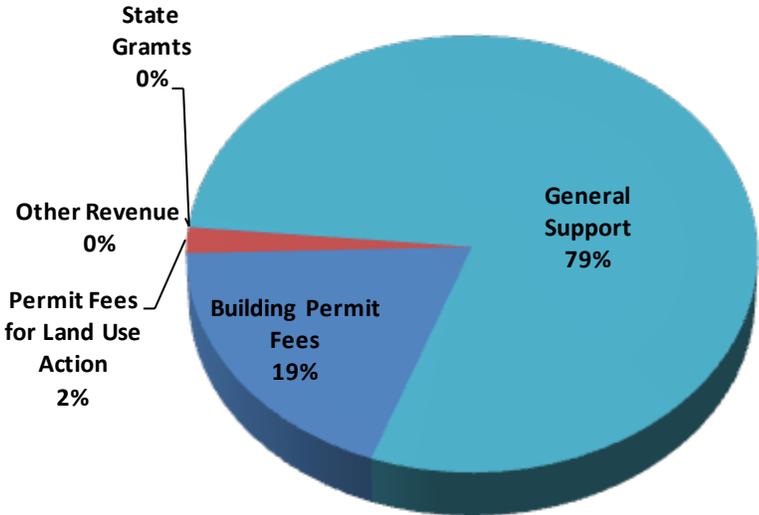

Guide the development of a safe, attractive and efficient community consistent with the public interest.

BUDGET HIGHLIGHT

The School District budget is approved by the School Board and then submitted to the Mayor and Assembly for adoption. By city charter, the Mayor and Assembly must formally adopt the School District budget. The only action, other than adoption, taken by the Mayor and Assembly is to establish the amount of support provided to the School District by the CBJ.

CAPITAL CITY FIRE/RESCUE

BUDGET HIGHLIGHT

The Capital City Fire/Rescue FY19 Adopted Budget shows an increase over the FY18 Amended Budget of \$342,800 (4.0%) and the FY20 Approved Budget shows an increase over FY19 of \$284,300 (3.2%).

The significant budgetary changes include:

FY19 Adopted Budget

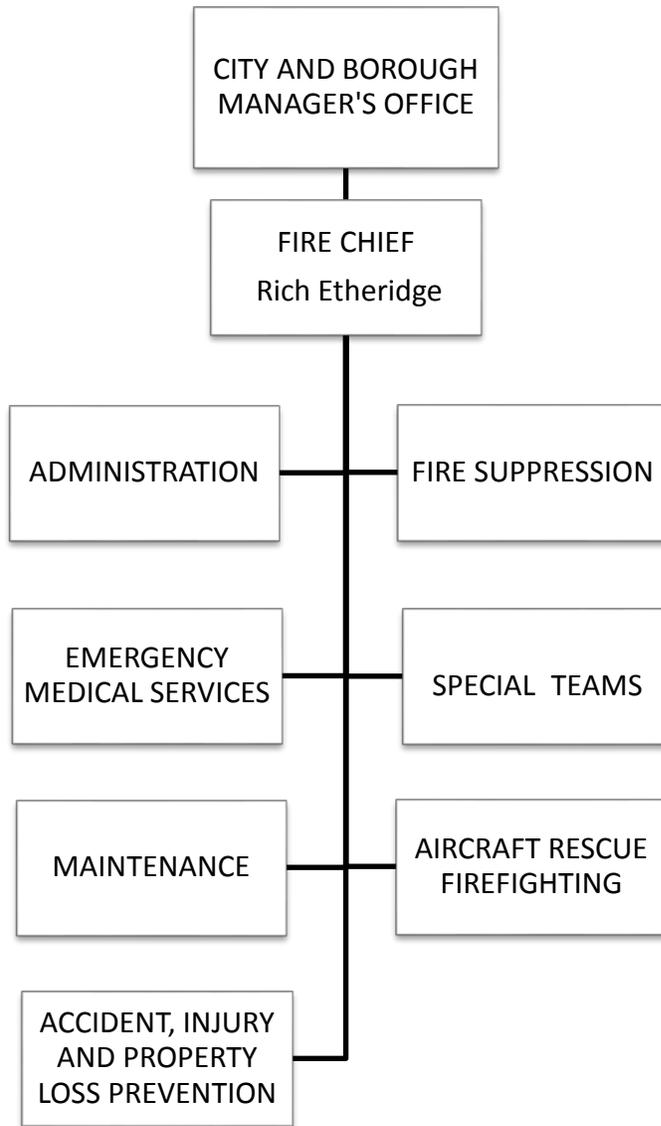

- Personnel services increased over the FY18 Amended Budget by \$161,600 (2.6%) due to anticipated increases in salaries and benefits.
- Commodities and services increased over the FY18 Amended Budget by \$194,000 (8.9%) primarily due to increases in training (\$32,500), maintenance contract (\$50,000), Building Maintenance charges (\$23,100), and fleet replacement reserve (\$50,000).

FY20 Approved Budget

- Personnel services increased over the FY19 Adopted Budget by \$192,500 (3.0%) due to anticipated increases in salaries and benefits.
 - Commodities and services increased over the FY19 Adopted Budget by \$119,300 (5.0%) primarily due to increases in training (\$15,400), maintenance contract (\$50,000), and fleet replacement reserve (\$50,000).
 - Debt service decreased from the FY19 Adopted Budget by \$27,500 (100%) as the loan has been repaid.

The Lands & Resources Management FY19 Adopted Budget shows a decrease from the FY18 Amended Budget of \$542,900 (30.2%) and the FY20 Approved Budget shows an increase from FY19 of \$43,100 (3.4%).

The significant budgetary changes include:

FY19 Adopted Budget

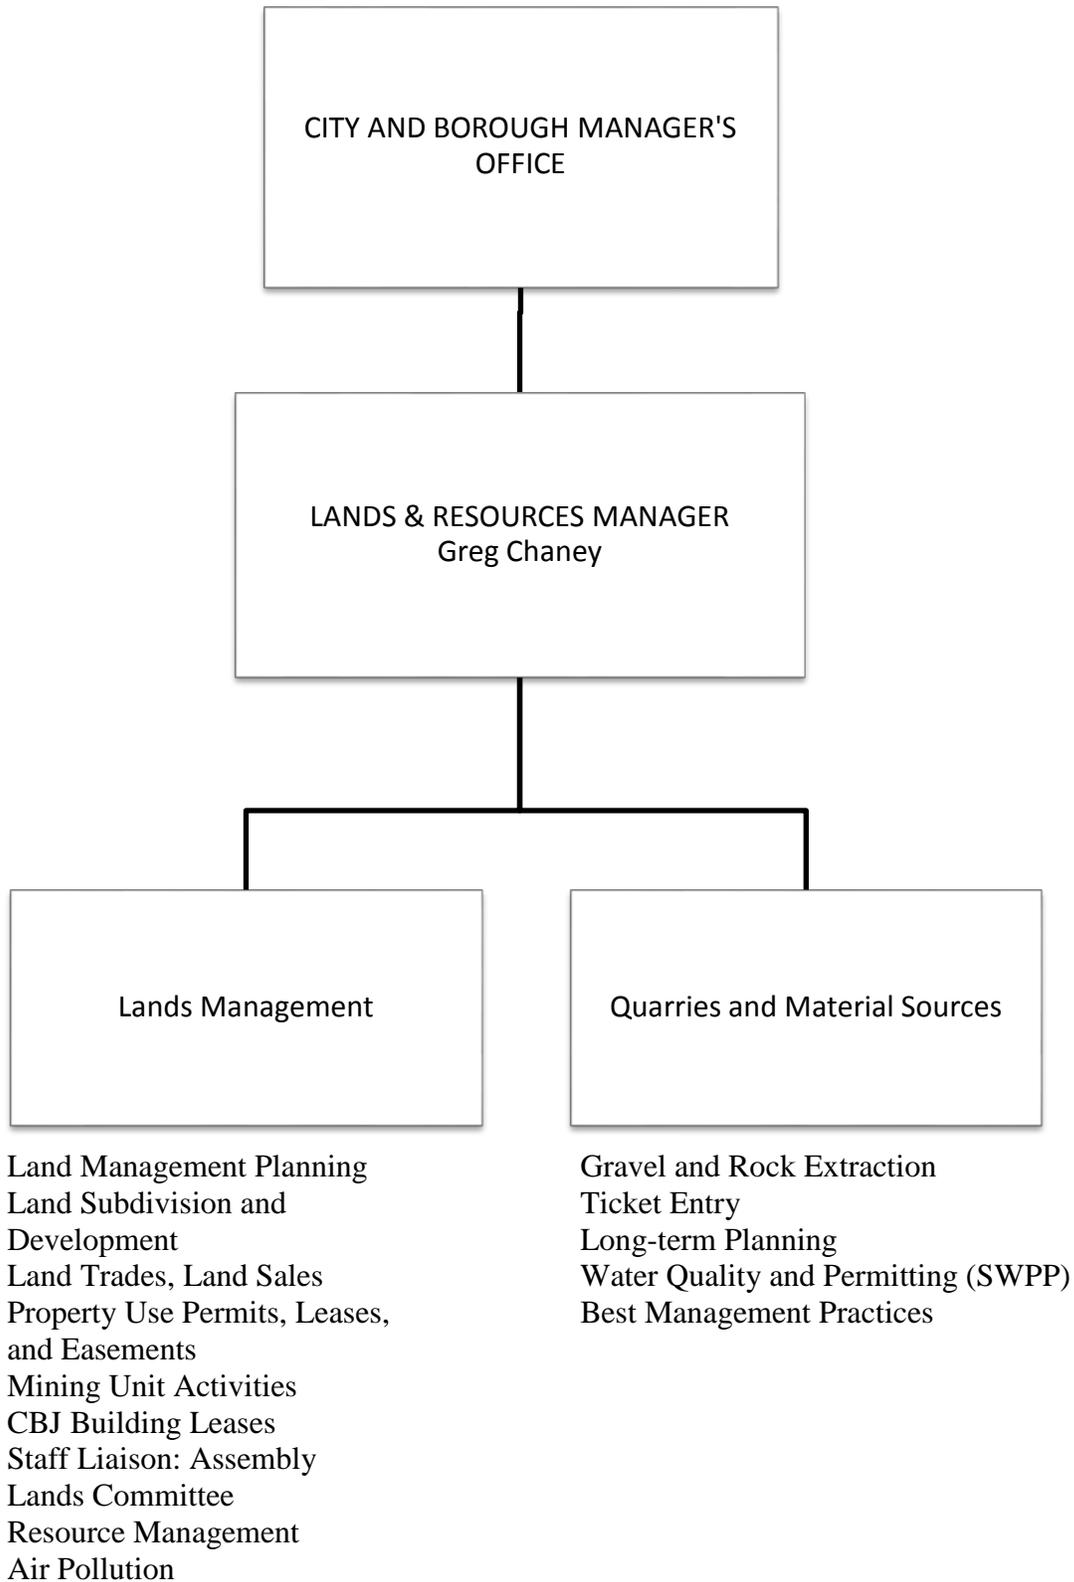

- Capital outlay increased over the FY18 Amended Budget by \$70,000 (175%) to allow for land acquisitions and equipment purchases.
- Support to capital projects decreased from the FY18 Amended Budget by \$585,000 (85.4%) to reflect anticipated reduction in funding needs.

FY20 Approved Budget

- Personnel services increased over the FY19 Adopted Budget by \$18,800 (3.6%) due to anticipated increases in salaries and benefits.

LIBRARIES

BUDGET HIGHLIGHT

The Library FY19 Adopted Budget shows an increase over the FY18 Amended Budget of \$426,100 (13.7%) and the FY20 Approved Budget shows an increase over FY19 of \$45,100 (1.3%).

The significant budgetary changes include:

FY19 Adopted Budget

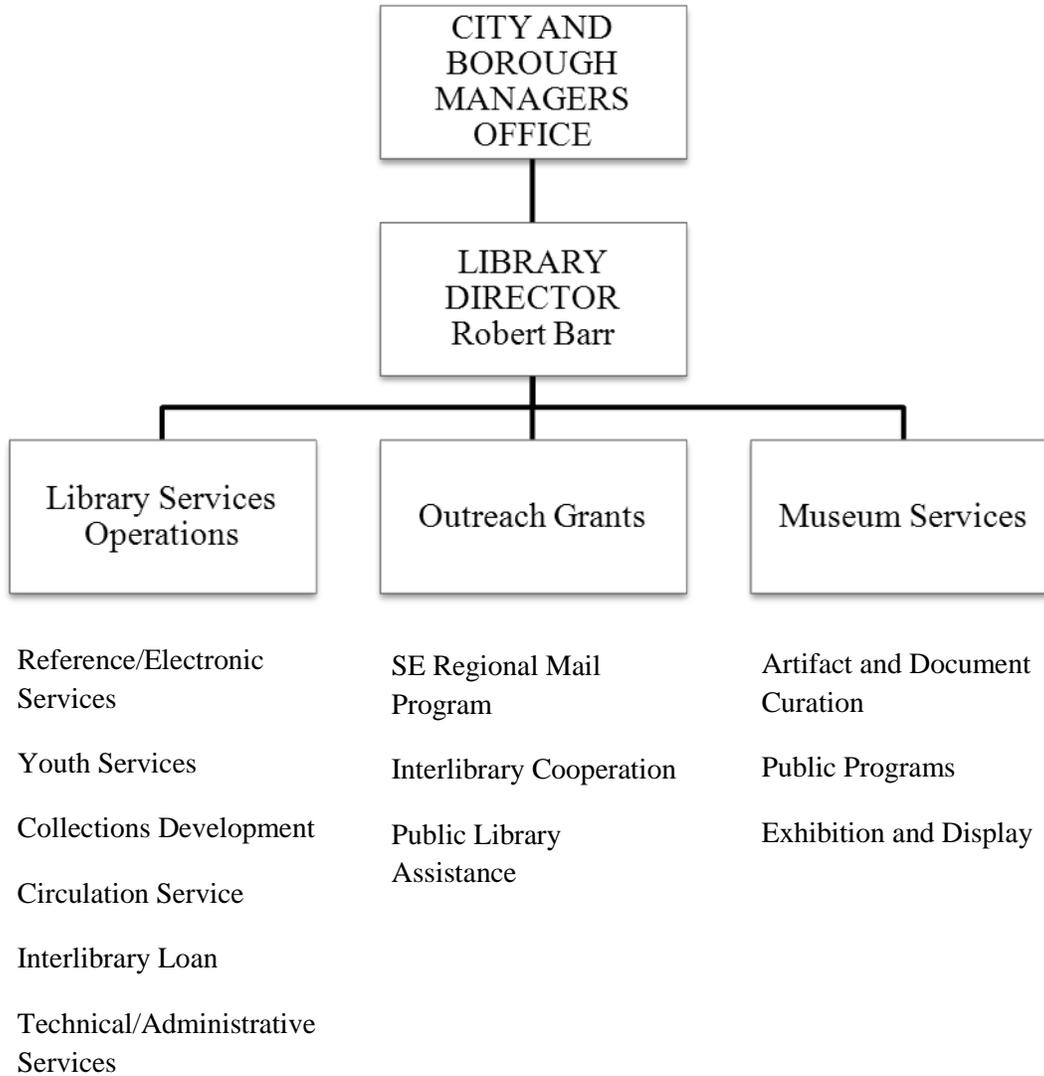

- Personnel services increased from the FY18 Amended Budget by \$29,200 (1.2%); the negotiated increase in salaries and related increase in benefits was partially offset by more accurate budgeting for the portion paid by grants.
- Commodities and services increased over the FY18 Amended Budget by \$396,900 (58.0%) almost entirely due to a change in Building Maintenance accounting practices.

FY20 Approved Budget

- Personnel services increased over the FY19 Adopted Budget by \$48,400 (2.0%) due to anticipated increases in salaries and benefits.
- Commodities and services decreased from the FY19 Adopted Budget by \$3,300 (0.3%) due to a one-time Travel and Training expense that will only occur in FY19, associated with hiring a new Museum Director.

The Centennial Hall Division is a component of the General Fund. See the General Fund fund balance in the "Changes in Fund Balances" schedule.

(1) In 2002, the Assembly Finance Committee directed staff to transfer unexpended marine passenger fee funds, designated for specific projects and activities, to Waterfront Open Space Land Acquisition. Unexpended proceeds are returned to the Marine Passenger Fee Fund and appropriated to Waterfront Open Space Land Acquisition as part of the subsequent year budget process.

(2) Effective FY17, the Hotel Tax support to Travel Juneau will be presented as a Mayor and Assembly grant which is presented in the General Fund.

(3) Effective FY17, Visitor Services was moved from a Special Revenue fund to the General Fund and renamed Centennial Hall.

PARKS AND RECREATION

BUDGET HIGHLIGHT

The Parks & Recreation FY19 Adopted Budget shows an increase over the FY18 Amended Budget of \$468,300 (4.0%) and the FY20 Approved Budget shows an increase over FY19 of \$185,100 (1.5%).

The significant budgetary changes include:

FY19 Adopted Budget

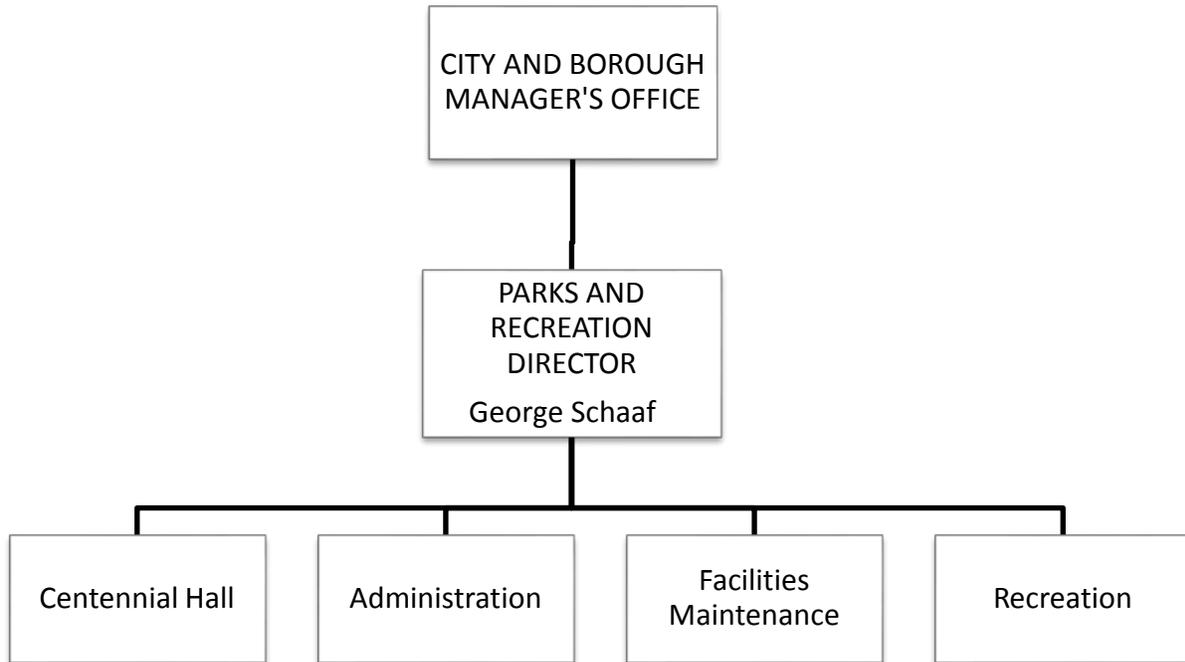

- Personnel services increased over the FY18 Amended Budget by \$215,800 (3.3%) due to anticipated increases in salaries and benefits.
- Commodities and services increased over the FY18 Amended Budget by \$251,800 (5.4%) almost entirely due to a change in Building Maintenance accounting practices.

FY20 Approved Budget

- Personnel services increased over the FY19 Adopted Budget by \$164,400 (2.4%) due to anticipated increases in salaries and benefits.

POLICE

BUDGET HIGHLIGHT

The Juneau Police Department FY19 Adopted Budget shows an increase over the FY18 Amended Budget of \$770,100 (5.2%) and the FY20 Approved Budget shows an increase over FY19 of \$255,700 (1.6%).

The significant budgetary changes include:

FY19 Adopted Budget

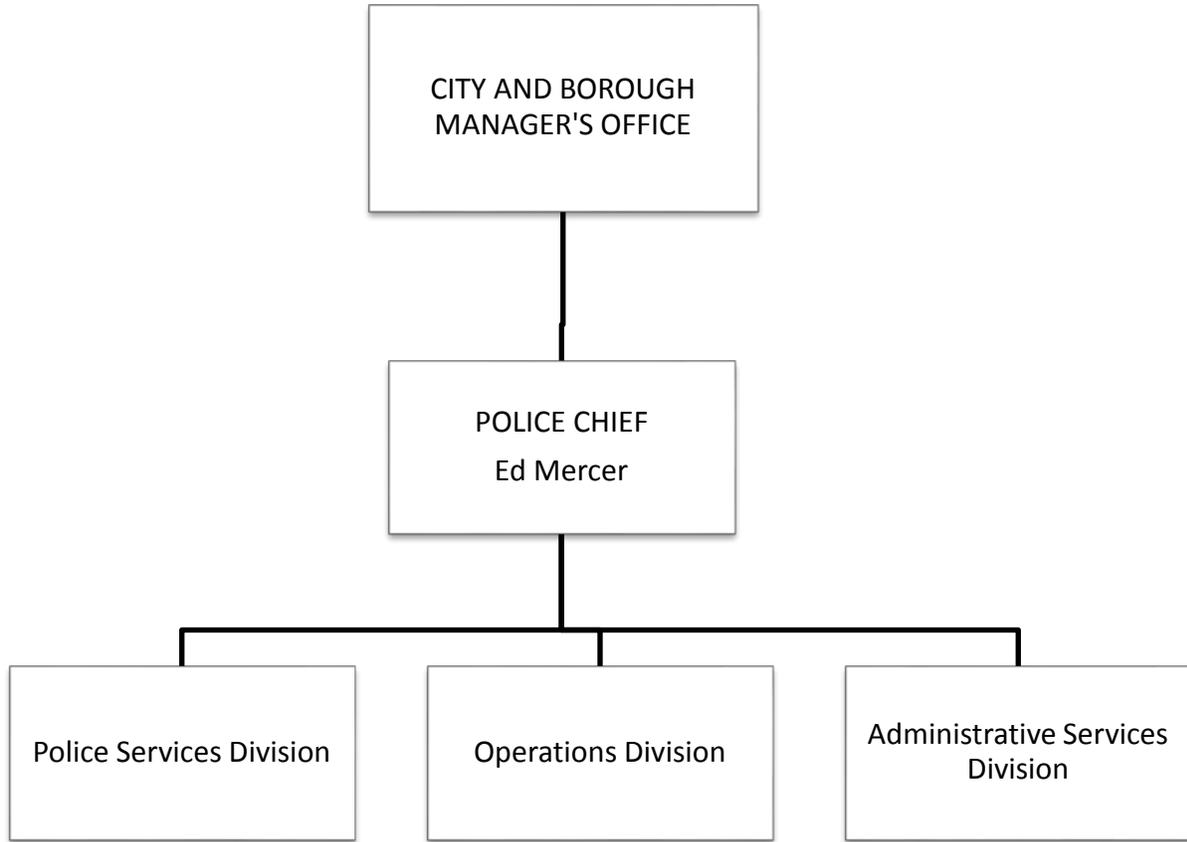

- Personnel services increased over the FY18 Amended Budget by \$685,600 (5.9%) due to anticipated increases in salaries and benefits, more accurate budgeting for portion paid by grants, net funding for a Community Service Officer, two additional Police Officers, and two Civilian Investigators.
- Animal control services increased over the FY18 Amended Budget by \$124,900 due to a new contract.

FY20 Approved Budget

- Personnel services increased over the FY19 Adopted Budget by \$255,100 (1.8%) due to anticipated increases in salaries and benefits.
- Animal control services increased over the FY19 Adopted Budget by \$29,700 (3.0%) per the new contract.
- Debt service decreased from the FY19 Adopted Budget by \$28,800 (100%) as the loan has been repaid.

WASTEWATER

BUDGET HIGHLIGHT

The Wastewater FY19 Adopted Budget shows a decrease from the FY18 Amended Budget of \$678,300 (4.3%) and the FY20 Approved Budget shows a decrease from FY19 of \$3,276,100 (21.6%).

The significant budgetary changes include:

FY19 Adopted Budget

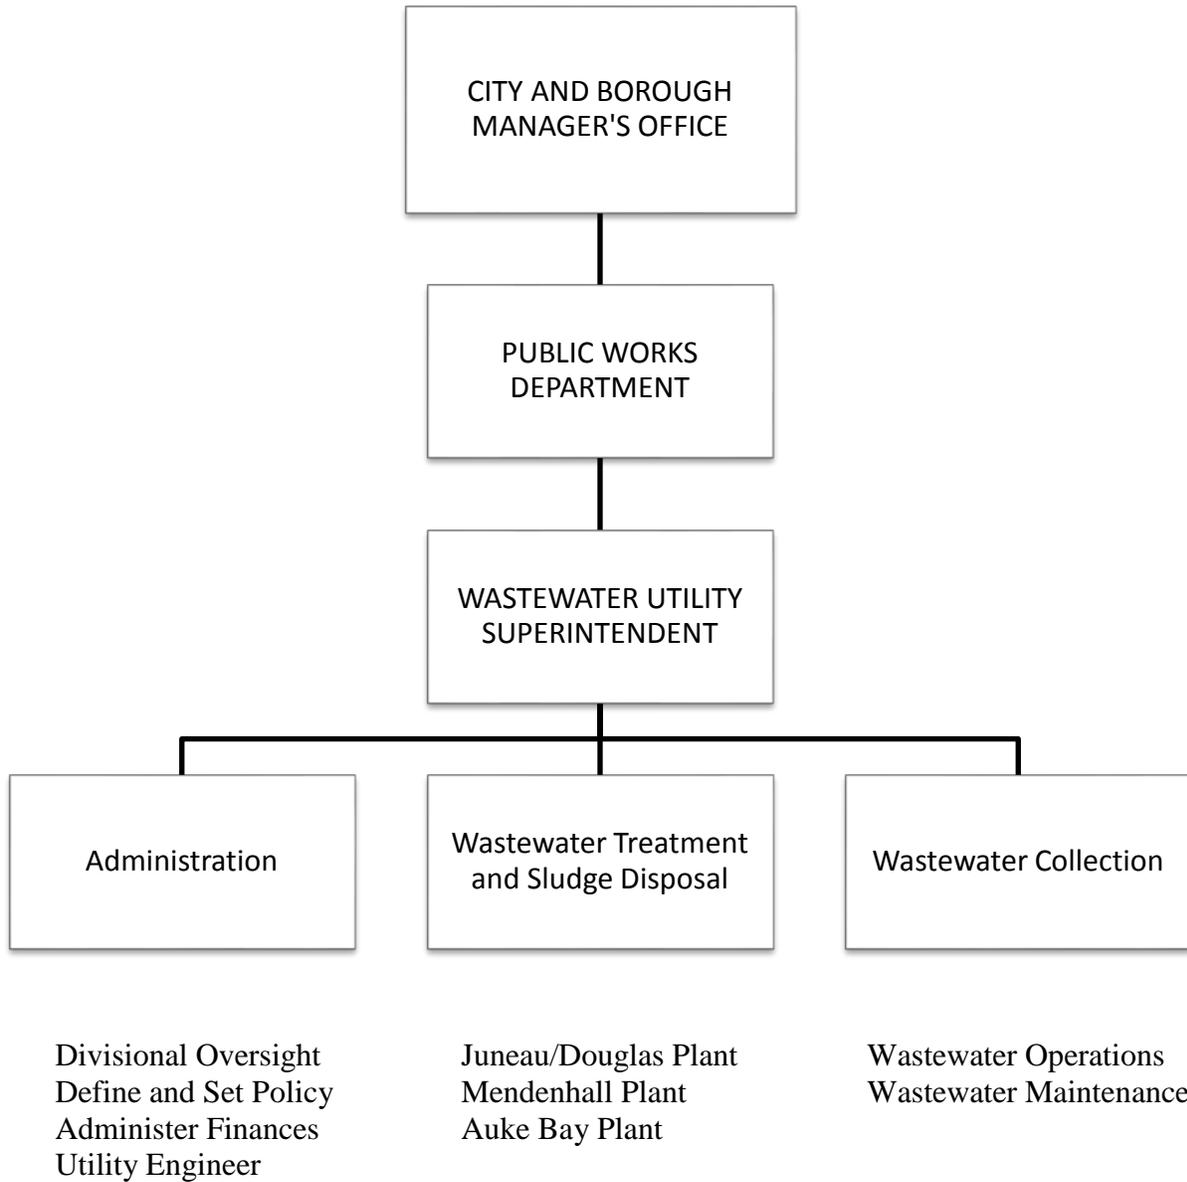

- Personnel services increased over the FY18 Amended Budget by \$283,800 (6.8%) due to corrections in budgeting calculations and salary increases.
- Commodities and services decreased from the FY18 Amended Budget by \$720,300 (11.5%) due to implementation of Biosolids Dryer reducing transportation costs.
- Capital outlay increased over the FY18 Amended Budget by \$735,000 (588%) to allow for potential land acquisition to expand treatment plant grounds.
- Support to capital projects decreased from the FY18 Amended Budget by \$970,000 (20.1%) in anticipation of increased contributions from Sales Tax.

FY20 Approved Budget

- Commodities and services decreased from the FY19 Adopted Budget by \$586,800 (10.6%) due to completion of Biosolids Dryer eliminating transportation costs.
- Debt service increased over the FY19 Adopted Budget by \$1,098,200 (216.9%) due to a new loan in repayment.
- Capital outlay decreased from the FY19 Adopted Budget by \$700,000 (81.4%) with planned land acquisition occurring in FY19.
- Support to capital projects decreased from the FY19 Adopted Budget by \$3,180,000 (82.7%) in anticipation of increased contributions from Sales Tax.

BUDGET HIGHLIGHT

The Water FY19 Adopted Budget shows a decrease from the FY18 Amended Budget of \$1,492,900 (22.9%) and the FY20 Approved Budget shows an increase over FY19 of \$1,233,500 (24.4%).

The significant budgetary changes include:

FY19 Adopted Budget

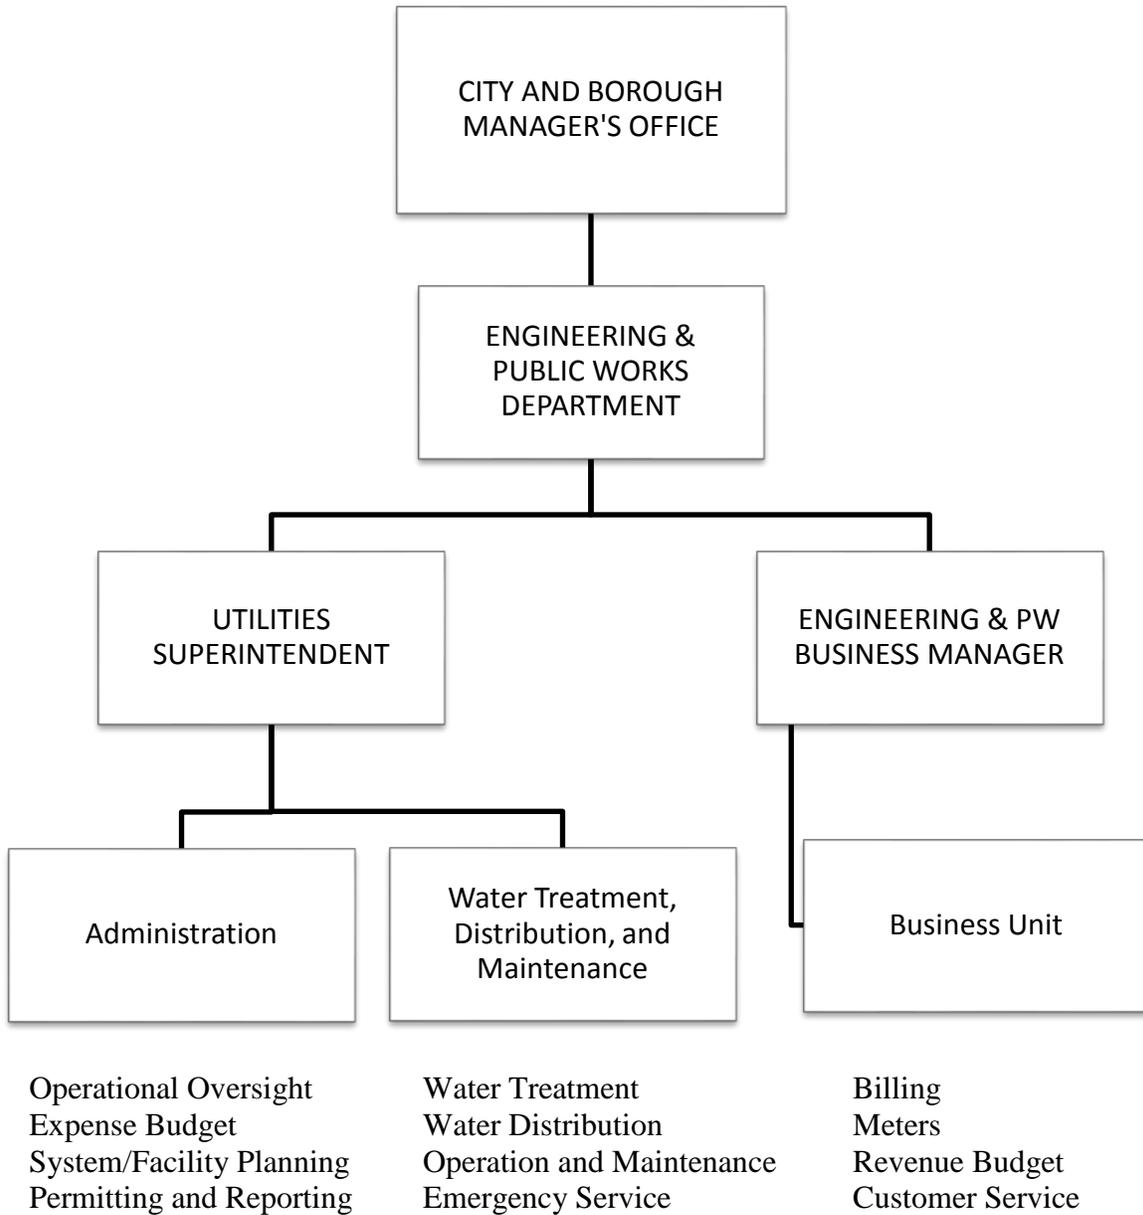

- Debt service decreased from the FY18 Amended Budget by \$381,100 (83.8%) due to loan repayment being completed.
- Capital outlay decreased from the FY18 Amended Budget by \$402,500 (79.3%) as purchases are out of capital projects not operations.
- Support to capital projects decreased from the FY18 Amended Budget by \$900,000 (36.0%) due to following Utility Rate Model contribution plan.

FY20 Approved Budget

- Capital outlay increased over the FY19 Adopted Budget by \$30,000 (28.6%) due to improvements necessary to new shop location.
- Support to capital projects increased over the FY19 Adopted Budget by \$1,150,000 (71.9%) due to following Utility Rate Model contribution plan.

Public Works Fleet Maintenance is a component of Public Works Fleet. See the Public Works Fleet fund balance in the "Changes in Fund Balances" schedule.

BUDGET HIGHLIGHT

The Fleet Maintenance FY19 Adopted Budget shows a decrease from the FY18 Amended Budget of \$11,100 (0.05%) and the FY20 Approved Budget shows an increase over FY19 of \$32,600 (1.5%).

The significant budgetary changes include:

FY19 Adopted Budget

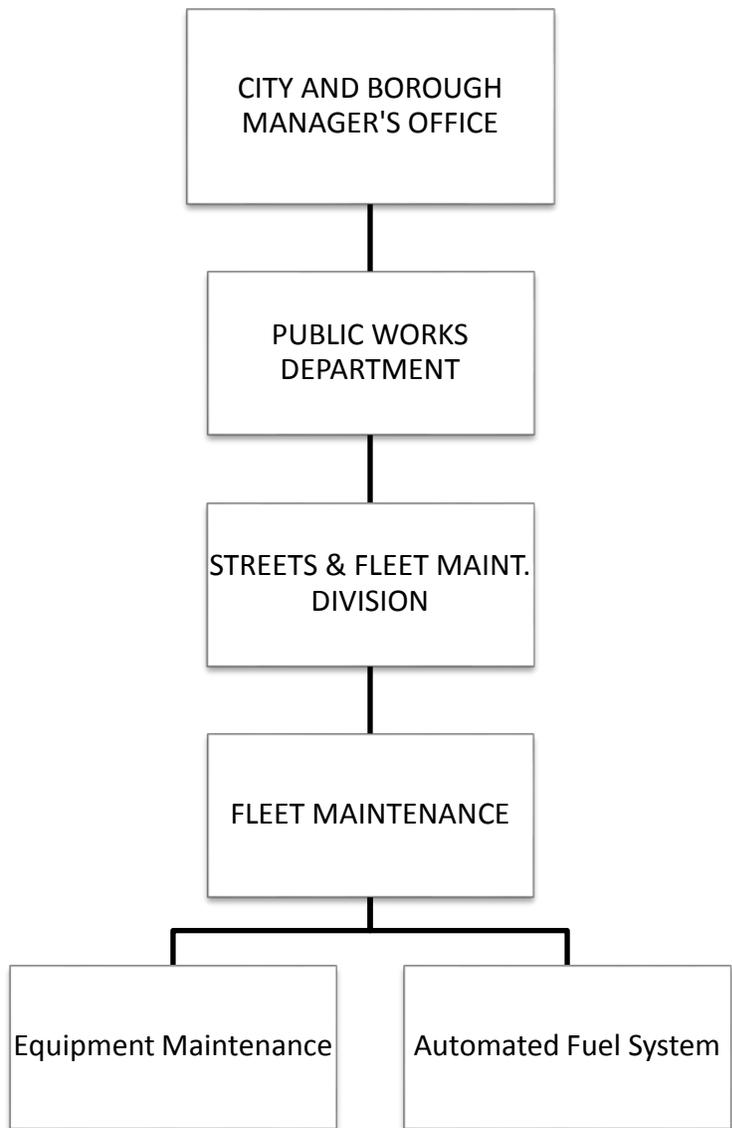

- Personnel services increased over the FY18 Amended Budget by \$27,100 (3.8%) due to anticipated increases in salaries and benefits.
- Commodities and services decreased from the FY18 Amended Budget by \$16,000 (1.1%), including increases in the operations maintenance program for Materials and Commodities (\$15,000) and for Building Maintenance restructuring costs (\$11,700), and decreases in the fuel program fuel costs of \$39,500.

FY20 Approved Budget

- Personnel services increased over the FY19 Adopted Budget by \$13,100 (1.8%) due to anticipated increases in salaries and benefits.
- Commodities and services increased over the FY19 Adopted Budget by \$19,500 (1.4%) due to anticipated increase in fuel usage in the fuel program.

The Equipment Acquisition Fund is a component of Public Works Fleet. See the Public Works Fleet fund balance in the "Changes in Fund Balances" schedule.

BUDGET HIGHLIGHT

The Equipment Acquisition Fund's FY19 Adopted Budget is a decrease of \$3.9M (53.1%) from the FY18 Amended Budget.

The Equipment Fund accumulates contributions from other CBJ departments for the future purchases of vehicles and equipment. The purpose of the fund is to allow departments to make small contributions over time to fund the acquisition of expensive equipment rather than paying for the purchase in a single year. A schedule of vehicle replacement needs is maintained, and updated annually during the budget process. The amount of each department's annual contribution is based on the equipment needs of the department. It is normal for changes to the replacement schedule to occur as a result of deferring replacement, adding new equipment, purchasing in an earlier fiscal year than planned and deleting equipment without replacement. Due to the nature of this fund, describing the changes between fiscal years is not meaningful since large fluctuations are normal.

RISK MANAGEMENT

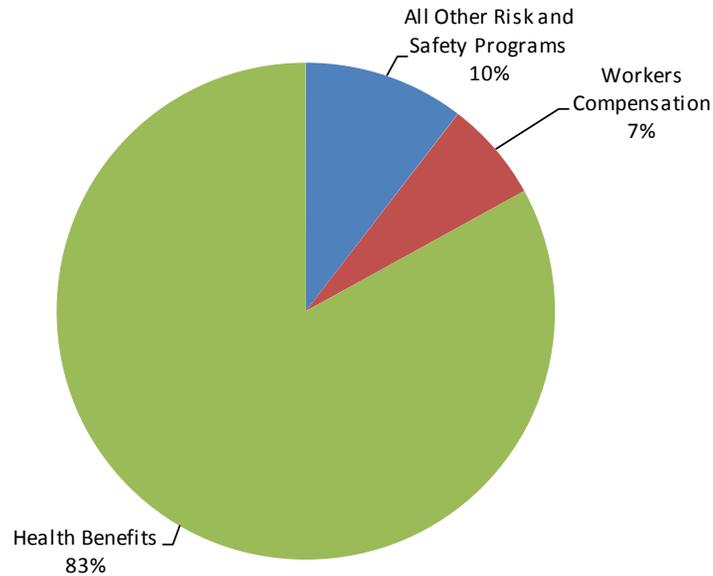

MISSION STATEMENT

Risk Management will work with the City, Bartlett Regional Hospital and Juneau School District to promote and protect the health, safety, and wellness of our employees while preserving and protecting our resources against losses.

SPECIAL ASSESSMENT FUNDS – L.I.D.

Responsible For:

Processing petitions from citizens requesting an L.I.D. and developing project cost estimates.

Construction of an approved project

Responsible For:

Obtaining project funds as directed by the Assembly.

Billing benefited property owners as directed by the Assembly.

Making debt service payments.

SPECIAL ASSESSMENT FUNDS – L.I.D.

Local Improvement District (L.I.D.) is a method of financing public improvements by assessing the benefiting property owners for all or part of the costs. A L.I.D. boundary is established by the Assembly and may be as large or small as necessary to accomplish the desired improvements. A L.I.D. may only be created by an ordinance and is usually initiated by a petition from the property owners.

For certain types of projects, part of the cost may be matched with City and Borough funds or with state or federal grants.

DEBT SERVICE FUND
GENERAL OBLIGATION BONDS

DEBT SERVICE FUND

AUTHORITY

State Statute and CBJ's Home Rule Charter provides the CBJ with the authority to borrow funds for capital improvement projects (CIPs) through the issuance of debt. This authorization includes the authority to issue both revenue and general obligation (G.O.) bond debt. Revenue bonds can be issued under the authority of the CBJ Assembly. G.O. bonds must be approved by the Assembly and ratified by a majority of the CBJ's voters. No legal debt limits have been imposed by the State or by Juneau's Charter. The Assembly has adopted a policy that places a self-imposed maximum limit on outstanding debt. This policy reads as follows.

Bond indebtedness will be maintained at less than 5% of the assessed borough property value. The FY18 (calendar year 2017) projected area wide assessment is \$4.877 billion. Therefore, bond indebtedness should not exceed \$243.9 million. As of June 30, 2017 the G.O. debt is \$83.8 million with an additional \$59.3 million in revenue bonds and loans. Of the G.O. amount, \$38.7 million qualifies for reimbursement under the State's School Construction Bond Debt Reimbursement Program (see below). If the State fully funds the reimbursement program, the CBJ would be obligated to pay \$49.8 million in outstanding G.O. debt.

Bond propositions approved by the voters will result in a mill levy being adjusted to the amount necessary to retire the debt.

Juneau voters have approved a 12 mill property tax levy cap on general governmental operations. However, this cap does not apply to G.O. bond indebtedness.

Payment of Debt Service

CBJ has historically issued debt only when the cost of general governmental capital project construction exceeds the municipality's ability to fund the project from current operations or surpluses. The practice of bonding for capital projects is considered equitable, as the burden of repayment becomes the responsibility of the taxpayers (voters) who approved the bonding and received the benefit from the facility.

A significant portion of the debt authorized by CBJ's voters has qualified for partial reimbursement under the State of Alaska's School Construction Bond Debt Reimbursement Program. This program reimburses the CBJ between 60% and 70% (based on year of issuance) of the debt service (principal and interest) paid on qualifying school construction bonds. To qualify for the program the underlying school debt must be authorized by the voters and have a minimum term of 10 years. We are projecting to receive \$7.4 million in FY19 in State School Construction Bond Debt Reimbursement Program payments.

Budgeting and Accounting for Debt Service

All general obligation bond debt service is budgeted for and reported in the Debt Service Fund. In some cases, general obligation debt is issued for and is considered, for budgeting purposes, a liability of an enterprise fund. In these cases, the debt obligation is not reported as an obligation of the Debt Service Fund. This debt is recorded as liabilities of the enterprise fund and repaid from enterprise fund revenues.

DEBT SERVICE FUND

TOTAL DEBT SERVICE (INCLUDES PRINCIPAL AND INTEREST)

The total debt service amounts shown below include the total debt service for both general obligation (under “Debt Service Fund”) and revenue bond issues (under “Enterprise Fund”). The enterprise fund’s debt service can be found in the Enterprise Fund section of this budget document.

NOTES

This page has been left for notes.

DEFINITIONS OF FUNDS

Governmental Funds

The General Fund - This fund is used to account for all financial resources traditionally associated with governments, which are not required to be accounted for in another fund. The General Fund is the largest and most complex fund of the City and Borough. It contains most of the general operating departments of the CBJ. The departmental budgets included in the General Fund are-

- Mayor and Assembly - This department represents the CBJ's legislative functions. In addition, general economic and arts and humanities grants are provided through this function.
- Law Department - This department provides citywide legal services and ordinance enforcement.
- Administration - These departments represent the citywide administration functions (City Manager, City Clerk, Management Information Systems and Human Resources).
- Libraries - This department provides library and lifelong learning services to the city's residents and visitors.
- Finance Department - This department provides general accounting, treasury, investment, assessing and purchasing services to the CBJ user departments.
- Capital Transit Department - This department is used to account for the CBJ's Roaded Service Area, Capital Transit function. Functions include activities of the transit system, which provides for community wide transportation services to the general public and ADA services to physically challenged passengers.
- Community Development Department - This department provides community planning and permitting services to the CBJ and city residents.
- Fire Department's Emergency Fire Services - This fund is used to account for basic fire department fire education, support and firefighting services. Revenue support for this function is levied on a service area basis, Fire Service Area.
- Fire Department's Emergency Medical Services - This function represents the emergency medical services component of the Capital City Fire/Rescue department. This operation provides advance life support, ambulance and emergency evacuation services.
- Engineering Department - This department is responsible for the management of the CBJ's capital projects.
- Parks and Recreation, Facility Maintenance - This function is a component of the Parks and Recreation Department and provides for general building maintenance to the CBJ user departments and parks and landscape maintenance. Propriety funds are charged for services provided to them.
- Parks and Recreation Department - This department is used to account for CBJ's Roaded Service Area, Parks and Recreation function. Functions include recreation activities (swimming pool, ice rink, youth and adult sports), youth center and city museum operations.
- Police Department - This department is used to account for CBJ's Roaded Service Area, police services. Services provided include public safety, traffic control and emergency dispatch.
- Public Works, Streets - This department is used to account for street maintenance, traffic control and safety devices, litter collection and snow removal.

DEFINITIONS OF FUNDS

Special Revenue Funds - These funds are used to account for the proceeds of specific revenue sources (other than expendable trusts or for major capital projects) which are legally restricted or Assembly mandated expenditures for specified purposes. The CBJ departmental budgets, which are accounted for as Special Revenue Funds, include-

- Hotel Tax/Visitor Services Fund - This fund is used to account for the special Hotel Tax levy. Revenues collected are used to support Centennial Hall (Juneau's Convention Center) and Juneau Convention and Visitors Bureau (JCVB).
- Sales Tax Fund - This fund is used to account for borough-wide general and liquor sales tax levies. The revenues collected are used to support the CBJ general operations and capital projects. The fund is also used to accumulate the "Rainy Day" or emergency reserve balances. Operational costs of administration are paid by the fund.
- Library Minor Contributions - This fund is used to account for minor unrestricted contributions used to help fund library procurement.
- Port Development Fund – This fund is used to account for net tonnage port fees charged to the cruise ship industry. The port fee is specifically levied to fund capital improvements to port facilities. (Ordinance. 89-52; Resolutions 2150, 2163, 2294(b), 2423(b)-am, and 2552)
- Marine Passenger Fee Fund - This fund is used to account for revenues generated from the passenger fee charged for applicable arriving passengers.
- State Marine Passenger Fee Fund - This fund is used to account for revenues generated from the passenger fee charged by the State of Alaska, a portion of which is remitted to the City and Borough of Juneau on an annual basis.
- School Operating Fund - This fund represents the School District operating fund. The School District is reported as a component unit of the CBJ. The School Board determines the net operational activities of the district. The School District provides for K through 12 student education, food services, sports and student activities. The Assembly is responsible for reviewing and adopting the total school district budget.
- Lands and Resources - This fund is used to account for all general governmental property owned by the city. Revenue generated from the sale and rental of city properties are used as funding sources to procure and develop other community purpose property.
- Affordable Housing – This fund is used to promote the development of affordable housing in the Juneau area.
- Downtown Parking - This fund is used to account for paid downtown parking operations including the CBJ parking garages. Funds generated from parking are used to maintain and develop new parking facilities.
- Eaglecrest Ski Area - This fund is used to account for ski area activities. Activities include Nordic and alpine skiing, lift and trail services, ski rentals and food services.
- Tobacco Excise Tax – This fund is used to account for the tax levied on tobacco products. These revenues are used to help fund social service programs.

DEFINITIONS OF FUNDS

Capital Projects Funds - These funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds).

Debt Service Fund - These funds are used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest. Bonds accounted for in this section include-

- School Bonds
- Building Bonds
- Street Bonds
- Property Purchase Agreements

Permanent Funds – These funds are used to account for resources that are legally restricted so that only the earnings, and not the principal, may be used for the benefit of the government or its citizens. The CBJ has one permanent fund type.

- Jensen – Olson Arboretum Fund – This fund was established with an endowment, the interest of which is used to provide for the perpetual care of the Jensen – Olson Arboretum.

Special Assessment Funds - These funds are used to account for the financing of public improvements or services deemed to benefit primarily the properties against which special assessments are levied.

- Local Improvement District (L.I.D.) Funds
- Sewer Connection Add-On Fund
- Water Connection Add-On Fund

Proprietary Funds

Enterprise Funds - These funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriated for capital maintenance, public policy, management control, accountability, or other purposes.

- Bartlett Regional Hospital - This fund is used to account for the activities of the CBJ's hospital operations. The hospital provides inpatient and emergency medical care. The hospital is financially self-supporting through first party and third party user service fees. The hospital is managed through an Assembly appointed board of directors.
- Airport - This fund is used to account for the activities of the CBJ's international airport operations. The airport provides landing, departure, fuel, maintenance, freight, tie down, vehicle rental and food services. The airport is financially self-supported through user leases and landing fees. The airport is managed through an Assembly appointed board of directors.
- Wastewater Utility - This fund is used to account for the activities of the CBJ's wastewater treatment operations. The wastewater utility provides for wastewater treatment facilities for most of the populated roaded areas. The wastewater utility is financially self-supported through user service fees.
- Water Utility - This fund is used to account for the CBJ's water utility operations. The water utility provides potable water for the majority of the borough's residences within the roaded service area. The water utility is financially self-supported through user service fees.

DEFINITIONS OF FUNDS

- Harbors - This fund is used to account for CBJ's small and medium boat harbor functions. The harbors provide long term and transient moorage, fuel and utility services to the area's commercial and pleasure fleet. The harbor operation is self-supported through user service fees. Harbor operations are managed by an Assembly appointed Harbor Board.
- Docks - This fund is used to account for the CBJ's major vessel docking operations. The dock operations provide temporary moorage and utilities for the CBJ tourism cruise ship and other commercial vessel docking. The dock operation is financially self-supported through user service fees. Dock operations are managed by the Assembly appointed Harbor Board.
- Waste Management - This fund is used to account for the collection and disposal of hazardous waste not accepted at the landfill and a recycling program.

Internal Service Funds – These funds account for the financing of goods or services provided by one department or agency to other departments or agencies of the governmental unit, or to other governmental units, on a cost-reimbursement basis.

- Public Works Fleet - This fund provides vehicle maintenance to the CBJ's Streets, Wastewater Utility and Water Utility operations. Operations are paid for through the levy of an internal charge for user services provided. Included in this fund are the reserves accumulated from departmental contributions to purchase expensive, long-lived equipment for the CBJ.
- Risk Management/Self Insurance - This fund provides citywide self-insurance services. The fund provides for employee health, wellness and workers compensation insurances as well as general liability and vehicle liability insurances. Profession liability insurance for the CBJ's hospital is provided through 3rd party insurance carriers.

Fiduciary Funds

Trust and Agency Funds - to account for assets held by the governmental unit in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and/or other funds. These include (a) expendable trust funds; (b) nonexpendable trust funds; (c) pension trust funds; and (d) agency funds.

GLOSSARY

Accrual Basis	The basis of accounting under which transactions are recognized when they occur, regardless of the timing of related cash receipts and disbursements. See Cost of Services Measurement Focus.
Accrued Expenses	Expenses incurred but not due until a later date.
Ad Valorem Tax	A tax levied on the assessed value of real and personal property. This tax is also known as property tax.
Amortization	(1) Gradual reduction, redemption, or liquidation of the balance of an account according to a specified schedule of times and amounts. (2) Provision for the extinguishment of a debt by means of a debt service fund.
Appropriation Ordinance	An ordinance by means of which appropriations are given legal effect. It is the method by which the expenditure side of the annual operating budget is enacted into law by the legislative body.
Assessed Valuation	Basis for determining property taxes (ad valorem tax). Assessor determines valuation of residential real property (home and land) at 100% of market value, including commercial.
Assessment Roll	In the case of real property, the official list containing the legal description of each parcel of property and its assessed valuation. The name and address of the last known owner are also usually shown. In the case of personal property, the assessment roll is the official list containing the name and address of the owner, a description of the personal property, and its assessed value.
Balanced Budget	A budget in which proposed expenditures do not exceed total estimated revenues and reserves.
Bond	Written promise to pay a specified sum of money, called the face value or principal, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified date.
Borough	A self-governing incorporated town.
Budget	<p>A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. Used without any modifier, the term usually indicates a financial plan for a single fiscal year. The term "budget" is used in two senses in practice. Sometimes it designates the financial plan presented to the appropriating body for adoption and sometimes the plan finally approved by that body. It is usually necessary to specify whether the budget under consideration is preliminary and tentative or whether it has been approved by the appropriating body.</p> <p>Actuals – The actual expenditures incurred and funding sources received during the year indicated.</p> <p>Adopted Budget – A financial plan that has been officially adopted by the City and Borough Assembly.</p> <p>Amended Budget – Adjustments made to the financial plan that was previously adopted by the City and Borough Assembly.</p>

GLOSSARY

Approved Budget – A financial plan that has been considered by the City and Borough Assembly. This term is used for the second year of the biennial budget cycle when the first year has been adopted.

Proposed Budget - A financial plan that has been introduced to the City and Borough Assembly for consideration. This term typically refers to the two years under consideration at the beginning of a biennial budget cycle.

Projected Actuals – The total expenditures and funding sources departments expect to use and/or receive for the current budget year. The projection is made prior to the Assembly's budget deliberations and is not typically updated unless there is a significant change.

Revised Budget – A financial plan that has been considered by the City and Borough Assembly and additional adjustments occur prior to adoption. The second year of the biennial budget that was previously approved becomes revised when it is presented to the Assembly for deliberation and subsequent adoption.

Budget Document The instrument used by the budget-making authority to present a comprehensive financial program to the appropriating body. The budget document usually consists of two parts. The first part contains a message from the budget-making authority, together with a summary of the proposed expenditures and the means of financing them. The second consists of schedules supporting the summary. These schedules show in detail the information as to the past years' actual revenues, expenditures, and other data used in making the estimates. In addition to the budget document, an appropriation ordinance will be necessary to put the budget into effect.

Budget Message A general discussion of the budget as presented in writing by the CBJ Manager to the Assembly. The budget message contains an explanation of the principal budget items, an outline of the government's experience during the past period and its financial status at the time of the message, and recommendations regarding the financial policy for the coming period.

Budgetary Accounts Accounts used to enter the formally adopted annual operating budget into the general ledger as part of the management control technique of formal budgetary integration.

CAFR See Comprehensive Annual Financial Report.

Capital Expenditures See Capital Improvement Budget below.

Capital Improvement Budget The budgeted costs to provide infrastructure, development, construction and other related items. Funding is provided from various sources.

Capital Outlay Expenditures for assets costing more than \$5,000.

Charges for Services Consists of a wide variety of fees charged by the CBJ including, but not limited to, harbor, swimming pool, zoning, water/sewer hookups, and building permit fees.

Comprehensive Annual Financial Report (CAFR) The official annual report of a government. It includes Government-Wide Financial Statements and basic financial statements for each individual fund and account group prepared in conformity with GAAP and organized into a financial reporting pyramid. It also includes supporting schedules necessary to demonstrate compliance with finance-related legal and contractual provisions, extensive introductory material, and a detailed Statistical Section.

GLOSSARY

Commodities and Services	A budgeted expenditure category including general goods and contractual professional services.
Contingency	An appropriation of funds to cover unforeseen events, which may occur during the budget year.
Core Services	These are the unique, independent and major functions provided by a department, which directly support its “mission statement”.
Cost of Services Measurement Focus	The measurement focus applied to proprietary funds, non-expendable trust funds, and pension trust funds. All assets and all liabilities whether current or non-current are reported on their balance sheets, and their operating statements present "capital maintenance" information (revenues and expenses).
Debt Service Fund	A fund used to account for the accumulation of resources for, and the payment of, general long-term debt principal, interest, and related costs.
Depreciation	Expiration in the service life of fixed assets, attributable to wear and tear, deterioration, action of the physical elements, inadequacy and obsolescence.
Encumbrances	Commitments for unperformed (executory) contracts for goods or services. Also referred to as commitments.
Encumbrances/ Commitments Carried Over	Appropriations committed by contract for goods or services, which will not be paid for until the next fiscal year.
Employment Status	<p>Permanent Full Time (PFT): Appointments averaging not less than 37.5 hours per week.</p> <p>Permanent Part Time (PPT): Appointments averaging less than 37.5 hours per week but at least 15 hours per week.</p> <p>Part-time Limited (PTL): Appointments working less than 780 hours per year and expected that the same employee will continue in or return to the position. Examples of this type are lifeguards and games officials.</p> <p>Permanent Seasonal (PS): Appointments made to meet recurring seasonal needs of at least 780 hours per year and less than 1,867 hours per year and expected that the same employee will return to the position.</p>
Expenditures	<p>Decreases in net current assets. Expenditures include debt service, capital outlay and those current operating costs, which require the use of the current assets.</p> <p>The difference between expenditure and expense is the difference in what is being measured. Expenditures measure current outlays (the flow of current resources) while expenses measure total costs (total resources used; also known as capital maintenance). For example, purchases of fixed assets (buildings and equipment) and of inventories are expenditures at the date of purchase, because they cause the outflow or the tie-up of current assets. They are not expenses, however, until they are used or used up, because they are still a resource until consumed. Another example is depreciation, which is not an expenditure because no current assets are used when depreciation is incurred, but which is an expense because it allocates the total cost as the depreciable fixed asset is used. See Modified Accrual Basis and Measurement Focus.</p>

GLOSSARY

Expenses	Decreases in net total assets. Expenses represent the total cost of operations during a period regardless of the timing of related expenditures. See Expenditures.
Fines and Forfeitures	Consists of a variety of fines, fees, and forfeitures collected by the police and court system, as well as sales tax and property tax, fines and forfeitures.
Fiscal Year	A 12-month period to which the annual operating budget applies and at the end of which a government determines its financial position and results of its operations. The CBJ's fiscal year ends June 30.
Fixed Assets	Assets which are intended to be held or used for a long term, such as land, buildings, improvements other than buildings, machinery and equipment. In common usage, the term refers only to operating facilities and equipment, not to long-term investments and other non-current assets.
Fleet Fund	The internal service fund within the Public Works Department that was established to control the maintenance and purchase of CBJ-owned vehicles.
Formal Budgetary Integration	The management control technique through which the annual operating budget is recorded in the general ledger using budgetary accounts. It is intended to facilitate control over revenues and expenditures during the year.
Fund	An accounting entity with a self-balancing set of accounts, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.
Fund Balance	The fund equity of governmental funds and trust funds. The term is used in this budget document for the Proprietary Funds to represent that portion of the retained earnings that is equity as a result of operating revenue and expenses and is noncapital in nature.
F.T.E. (Full Time Equivalent)	2,080 hours worked equate to 1.0 full time position, based upon an eight-hour workday. 1,950 hours worked equate to 1.0 full time position, based upon a seven and one-half hour day.
GAAP	Generally Accepted Accounting Principles.
General Fund	The fund used to account for all financial resources except those required to be accounted for in another fund. The General Fund is always considered a major fund.
General Ledger	A book, file, or other device, which contains the accounts, needed to reflect the financial position and the results of operations of an entity. In double entry accounting, the debits and credits in the general ledger are equal. Therefore, the debit balances equal the credit balances.
General Obligation Bonds	Bonds for the payment of which the full faith and credit of the CBJ are pledged.
General Support	Funding provided from the General or Service Area Funds. The major revenue source for these funds is property and sales taxes.
Goals	Statement of desired improvements, both short and long term, to the provision of goods and services consistent with a department's mission statement.

GLOSSARY

Income	A term in proprietary fund type accounting to represent (1) revenues or (2) the excess of revenues over expenses. See Operating Income, Income Before Operating Transfers, and Net Income.
Income Before Operating Transfers	Proprietary fund operating income adjusted by non-operating revenues and non-operating expenses.
Incremental Request	Programs and services which departments would like to have added (in priority order) if resources are available.
Interdepartmental Charges	Consists of administration, accounting and central treasury fees charged to enterprise, special revenue and school funds.
Interdepartmental Charges Sales Tax	The operating costs of the Sales Tax office are components of the Finance Department. These costs are transferred into the Sales Tax Fund for proper recognition and allocation.
Interest Income	Revenue associated with CBJ management activities of investing idle cash in approved securities.
Interfund Loans	Temporary borrowings of cash from central treasury to purchase goods. Example: Loan to hospital fund for new equipment.
Interfund Transfers	<p>There are two types of interfund transfers. Both types involve the permanent (or at least long-term) movement of resources between funds. For any one transaction, the transfer-in and the transfer-out must be classified in the same way, so that the total operating transfers-in for the entire municipality equal the total operating transfers-out and the total residual equity transfers-in equal the total residual equity transfers-out.</p> <p>Operating Transfers: Transfers used for the general operations of a function or department.</p> <p>Residual Equity Transfers: There are three types.</p> <ol style="list-style-type: none">Transfers at the closeout of a discontinued fund or one-time contributions to establish a new fund.The interfund equivalent of a "capital grant" or its repayment. Normally, these residual equity transfers will involve both a proprietary fund and a governmental fund. Such transfers must be contributions restricted to capital outlays or the return of such contributions.Contributions to an internal service fund to establish or increase its working capital and repayment of such contributions. <p>Examples include the transfer of the fund balance in a special assessment fund to the LID Guaranty Fund at the completion of the special assessment project, payments by the General Fund to the Central Equipment Fund to allow the purchase of additional data processing equipment, payments by the Roaded Service Area Fund to the Sewer Fund for sewer hookup at a new municipal park, transfer of inventory from a utility to a central warehouse fund, and repayment to the Human Services Fund of its contribution to Equipment Rental for vehicles no longer needed.</p> <p>A government's contribution to a special assessment fund should also be treated as a residual equity transfer if the assets being acquired or constructed will be capitalized in a proprietary fund when they are completed.</p>

GLOSSARY

Residual equity transfers are reported as direct additions to or deductions from beginning fund balance in governmental funds and as direct additions to or deductions from fund equities (contributed capital or retained earnings, as appropriate) in proprietary funds.

Intergovernmental Revenues

Revenues from other governments in the form of grants, entitlements, shared revenues, or payments in lieu of taxes.

Internal Control

Internal control comprises the plan of the organization, and all of the coordinate methods and measures adopted within a government to accomplish its objectives.

Administrative control includes, but is not limited to; the plan of organization and the procedures and records that are concerned with the decision processes leading to management's authorization of transactions. Such authorization is a management process function directly associated with the responsibility for achieving the objectives of the government and is the starting point for establishing accounting control of transactions.

Accounting control comprises the plan of organization and the procedures and records that are concerned with the safeguarding of assets and the reliability of financial records and consequently are designed to provide reasonable assurance that:

- a. Transactions are executed in accordance with management's general or specific authorization.
- b. Transactions are recorded as necessary (1) to permit preparation of financial statements in conformity with generally accepted accounting principles or any other criteria applicable to such statements and (2) to maintain accountability for assets.
- c. Access to assets is permitted only in accordance with management's authorization.
- d. The recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

The foregoing definitions are not necessarily mutually exclusive because some of the procedures and records comprehended in accounting control may also be involved in administrative control.

Lease-Purchase Agreements

Contractual agreements, which are termed "leases," but which in substance, amount to purchase contracts for equipment and machinery.

Maintenance

The upkeep of physical properties in condition for use or occupancy. Examples are the inspection of equipment to detect defects and the making repairs.

Major Funds

The General Fund is always considered a major fund. In addition, governments may report as major funds whatever other individual governmental funds considered to be of particular importance to financial statement users. At a minimum, governmental funds other than the general fund must be reported as major funds if they meet *both* of the following criteria:

10% criterion. An individual governmental fund reports at least 10% of any of the following: a) total governmental fund assets, b) total governmental fund liabilities, c) total governmental fund revenues, or d) total governmental fund expenditures.

5% criterion. An individual governmental fund reports at least 5% of the total for both governmental and enterprise funds of any one of the items for which it met the 10% criterion.

If an individual fund is expected to meet the minimum criteria for mandatory major fund reporting in some years but not in others, a government might elect to always report it as a major fund to enhance consistency from year to year.

GLOSSARY

Measurement Focus	The accounting convention which determines (1) which assets and which liabilities are included on an entity's balance sheet and (2) whether its operating statement presents "financial flow" information (revenues and expenditures) or "capital maintenance" information (revenues and expenses). See Spending Measurement Focus and Cost of Services Measurement Focus.
Mill Levy	Rate applied to assessed valuation to determine property tax. A mill is 1/10th of a penny or \$1.00 of tax for each \$1,000 of assessed value.
Mission Statement	A statement of purpose for why the department or function exists.
Modified Accrual Basis	The accrual basis of accounting adapted to the governmental fund type spending measurement focus. Under it, revenues are recognized when they become both "measurable" and "available to finance expenditures of the current period." Expenditures are recognized when the related fund liability is incurred except for: (1) prepaid insurance and similar items which need not be reported; (2) accumulated unpaid vacation, sick pay, and other employee benefit amounts which need not be recognized in the current period, but for which larger-than-normal accumulations must be disclosed in the notes to the financial statements; (3) interest on special assessment indebtedness which may be recorded when due rather than accrued, if approximately offset by interest earnings on special assessment levies; and (4) principal and interest on long-term debt which are generally recognized when due. All governmental funds and expendable trust funds are accounted for using the modified accrual basis of accounting. See Spending Measurement Focus.
Net Income	Income of a proprietary fund that represents the excess of operating revenues, non-operating revenues, and operating transfers-in over operating expenses, non-operating expenses, and operating transfers-out.
Non-Core Services	These are provided services that are not considered, by themselves, necessary to meet the department's "Mission Statement". However, these services are considered necessary support to providing "Core Services". For example, the Finance Department operates the mailroom. The mailroom is not required to perform the Finance Department's core services. However, receipt, control and distribution of the mail are important to the CBJ's overall operations.
Nonmajor Funds	Those funds not meeting the criteria for a major fund. See Major Funds.
Operating Budget	Plans of current expenditures and the proposed means of financing them. The annual operating budget is the primary means by which most of the financing of acquisition, spending, and service delivery activities of CBJ are controlled. The use of annual operating budgets is usually required by charter. The annual operating budget is essential to sound financial management.
Operating Income	The excess of proprietary fund operating revenues over operating expenses.
Personnel Services	Salaries and related costs (benefits) of permanent, part time and temporary employees.
Projected	Estimation of revenues and expenditures based on past trends, current economic conditions and future financial forecasts.
Property Tax	A tax levied on the assessed value of real and personal property. This tax is also known as Ad Valorem tax.

GLOSSARY

Refund	(1) The recovery of an item previously expensed or the repayment of an item previously recorded as revenue. Such refunds should be included in revenues, expenditures, or expenses of the current accounting period. (2) To pay back or allow credit for an amount because of an over-collection or because of the return of an object sold. Such charges or credits should be made to the account where the original transaction was recorded. (3) To provide for the payment of an obligation through cash or credit secured by a new obligation.
Reserve	(1) An account used to segregate a portion of fund balance to indicate that it is not available for expenditure; and (2) an account used to segregate a portion of fund equity as legally set aside for a specific future use.
Resources	Total amounts available for appropriation including estimated revenues, fund transfers and beginning fund balances.
Revenues	(1) Increases in governmental fund type net current assets from other than expenditure refunds and residual equity transfers. Under NCGA Statement 1, general long-term debt proceeds and operating transfers-in are classified as "other financing sources" rather than revenues. (2) Increases in proprietary fund type net total assets from other than expense refunds, capital contributions, and residual equity transfers. Under NCGA Statement 1, operating transfers-in are classified separately from revenues. See Interfund Transfers and Refunds.
Service Area	A geographic area that provides specific/additional services not provided for on a general basis. A service area also has taxing authority to provide the special service.
Special Assessment Fund (L.I.D.)	The capital improvement fund established to account for improvements financed in part by property owner assessments.
Spending Measurement Focus	The measurement focus applied to governmental funds and expendable trust funds. Under it, only current assets and current liabilities are generally reported on their balance sheets, and their operating statements present "financial flow" information (revenues and expenditures). See Modified Accrual Basis.
Target Budgets	Desirable expenditure levels provided to departments in developing the coming year's recommended budget. Based on prior year's adopted budget, excluding one-time expenditures, projected revenues and reserve requirements.

ENGINEERING & PW UNSCHEDULED FUNDING REQUESTS**

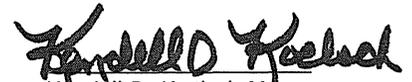

DEPARTMENT	PROJECT	
Engineering & PW	Facility Upgrades	\$ 1,000,000
Engineering & PW	Water Building Upgrades	300,000
	Engineering & PW Unscheduled Funding Requests Total	\$ 1,300,000

Section 2. Fiscal Year 2019 Budget. It is the intent of the Assembly that the capital improvement project budget allocations as set forth in the FY19 pending Capital Improvements List in Section 1(b), above, not already appropriated, shall become a part of the City and Borough's Fiscal Year 2019 Budget.

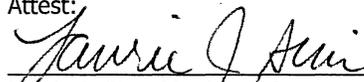

Section 3. State and Federal Funding. To the extent that a proposed CIP project, as set forth in Section 1(c), above, includes state funding, federal funding, or both, the amount of funding for that project is an estimate only, and is subject to appropriation contingent upon final funding being secured. It is the intent of the Assembly that once funding is secured, these items will be brought back to the Assembly for appropriation.

Section 4. Effective Date. This resolution shall be effective immediately upon adoption.

Adopted this 4th day of June, 2018.

Kendell D. Koelsch Mayor
