Three open seats on the Juneau Economic Development Council Application Deadline Friday, October 26.

The Juneau Economic Development Council annually has openings on its Board of Directors. JEDC Board members are recommended to the CBJ Assembly by the current JEDC Board and then appointed by the CBJ Assembly based upon their experience and expertise in areas relating to economic development and our local economy.

There are three board seats open for an appointment of approximately three years starting on/about November 2018. Interested parties should complete an online CBJ Board Application at <https://beta.juneau.org/clerk/boards-committees> and attach a letter of interest directed to the JEDC Board of Directors that briefly describes your qualifications and/or interest in serving on the JEDC Board of Directors. If interested in the appointment to the non-profit environmental organization seat, you should also indicate that in your letter.

The deadline for applying is Friday, October 26, 2018. Interested candidates should plan on participating in interviews with current members of the JEDC Board on November 7, 2018 between 12:30 and 2PM.
