Item No. 1: ***Change*** the date of the Deadline for Proposals ***from*** April 20, 2010, ***to*** May 4, 2010. The time remains the same.

Item No. 2: 1.2 Scope of Services. Delete the second bullet and replace with the following:

- Perform one on-site inspection of existing conditions, including all structural elements protected by existing cathodic protection system. Provide a written structural report that analyses steel column section losses to corrosion at foundation piles and sheet steel piles since 1985, and effects on integrity of the total structural assembly.

Item No. 3: 1.2 Scope of Services. Add the following bullets:

- Provide written procedures and recommend a high performance applied coating system to repair degraded protective coatings at all above splash zone exposed pilings and sheet steel piles. Prepare a cost estimate to accomplish this work.
- Additional consultant services may be added to the contract to expand the scope of work to include evaluation, design and inspection services of the CBJ Marine Park sheet pile wall, to the North of the current scope of work.

Receipt of this addendum must be acknowledged or your proposal may be considered non-responsive. Acknowledgment can be made by signing and faxing this addendum to (907) 586-4530 prior to the proposal deadline, by returning the signed addendum to the Engineering Department, attention Janet Sanbei, or acknowledging receipt within the submitted proposal.
